Jr. Anderson,Jr Anderson,2007-10 If you are ready to build or remodel a home think again Take a moment to ask yourself whether you have ever heard about a contractor or builder taking advantage of a client who ends up losing piles of money Have you done enough homework to prevent that from happening to you In How to Avoid a Nightmare Contractor or Builder Earl F Anderson Jr a building contractor with more than three decades of experience takes you behind the scenes and helps you understand how to ward off your own nightmare story Anderson guides you through Analyzing types of contractors Selecting a contractor Bidding out your project Interpreting and accepting bids Staying involved throughout the project Completing your project And much more Many people are familiar with the common adage They don t build them like they used to Go back to the days of your parents when builders were respectful and the job was done right Whether it s a minor remodel or the construction of a new home How to Avoid a Nightmare Contractor or Builder can save you money prevent hassles and get you on your way to completing the project of your dreams **The Fifties** David Halberstam,1994-05-10 The Fifties is a sweeping social political economic and cultural history of the ten years that Halberstam regards as seminal in determining what our nation is today Halberstam offers portraits of not only the titans of the age Eisenhower Dulles Oppenheimer MacArthur Hoover and Nixon but also of Harley Earl who put fins on cars Dick and Mac McDonald and Ray Kroc who mass produced the American hamburger Kemmons Wilson who placed his Holiday Inns along the nation s roadsides U 2 pilot Gary Francis Powers Grace Metalious who wrote Peyton Place and Goody Pincus who led the team that invented the Pill A NEW YORK TIMES BESTSELLER Expanding the American Dream Barbara M. Kelly,1993-02-02 Much has been written about the housing

policies of the Depression and the Postwar period Much less has been written of the houses built as a result of these policies or the lives of the families who lived in them Using the houses of Levittown Long Island as cultural artifacts this book examines the relationship between the government sponsored mass produced housing built after World War II the families who lived in it and the society that fostered it Beginning with the basic four room slab based Cape Cods and Ranches Levittown homeowners invested time and effort barter and money in the expansion and redesign of their houses The author shows how this gradual process has altered the socioeconomic nature of the community as well bringing Levittown fully into the mainstream of middle class America This book works on several levels For planners it offers a reassessment of the housing policies of the 1940s and 50s suggesting that important lessons remain to be learned from the Levittown experience For historians it offers new insights into the nature of the suburbanization process that followed World War II And for those who wish to understand the subtle workings of their own domestic space within their lives it offers food for speculation
