Contemporary Critical Theory A Selective Bibliography:

Contemporary Critical Theory Donald G. Marshall, 1993 Contemporary Critical Theory is an up to date overview of significant theories and theorists in literary studies The volume contains introductory essays on a range of critical theories from Russian formalism and New Criticism to postcolonial studies and the new historicism and lists nearly two thousand journals and books including translations published in English Many of the entries provide brief annotations Marshall summarizes the work of fifty prominent theorists such as Mikhail Bakhtin Roland Barthes Walter Benjamin Julia Kristeva and Jacques Lacan The bibliography and author summaries are arranged topically but listings are cross referenced to help users locate books that discuss a variety of approaches

Criticism and Literary Theory 1890 to the Present Chris Baldick, 2014-06-11 Presents a coherent and accessible historical account of the major phases of British and American Twentieth century criticism from decadent aestheticism to feminist deconstructionist and post colonial theories Special attention is given to new perspectives on Shakespearean criticism theories of the novel and models of the literary canon The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools Unlike most guides to modern literary theory its focus is firmly on developments within the English speaking world

African American Literary Theory Winston Napier, 2000-07 The first volume to expound African American literary theory from the 1920s to present African American Literary Theory A Reader is the first volume to document the central texts and arguments in African American literary theory from the 1920s through the present As the volume progresses chronologically from the rise of a black aesthetic criticism through the Blacks Arts Movement feminism structuralism and poststructuralism and the rise of queer theory it focuses on the key arguments themes and debates in each period By constantly bringing attention to the larger political and cultural issues at stake in the interpretation of literary texts the critics gathered here have contributed mightily to the prominence and popularity of African American literature in this country and abroad African American Literary Theory provides a unique historical analysis of how these thinkers have shaped literary theory and literature at large and will be an indispensable text for the study of African American intellectual culture Contributors include Sandra Adell Michael Awkward Houston A Baker Jr Hazel V Carby Barbara Christian W E B DuBois Ann duCille Ralph Ellison Henry Louis Gates Jr Addison Gayle Jr Carolyn F Gerald Evelyn Hammonds Phillip Brian Harper Mae Gwendolyn Henderson Stephen E Henderson Karla F C Holloway Langston Hughes Zora Neale Hurston LeRoi Jones Amiri Baraka Joyce A Joyce Alain Locke Wahneema Lubiano Deborah E McDowell Harryette Mullen Larry Neal Charles I Nero Robert F Reid Pharr Marlon B Ross George S Schuyler Barbara Smith Valerie Smith Hortense J Spillers Sherley Anne Williams and Richard Wright

Theory/Theatre: An Introduction Mark Fortier, 2002-01-31 Theory Theatre An Introduction provides a unique and engaging introduction to literary theory as it relates to theatre and performance Mark Fortier lucidly examines current

theoretical approaches from semiotics poststructuralism to cultural materialism postcolonial studies and feminist theory Drawing upon examples from Shakespeare and Aphra Behn to Chekhov Artaud Cixous and Churchill the author examines the specific realities of theatre in order to come to a richer understanding of the relations between performance and cultural theory Theory Theatre An Introduction is the only study of its kind and will be invaluable reading for new students and scholars of performance studies [Literary Research and British Postmodernism](#) Bridgit McCafferty, Arianne Hartsell-Gundy, 2015-09-02 Literary Research and British Postmodernism is a guide for scholars that aims to connect the complex relationships between print and multimedia technological advancements and the influence of critical theory that converge in postwar British literature This era is unique in that strict boundaries between fiction nonfiction multimedia and print are not useful Postmodern literature is defined by the breaking down of boundaries as a reaction to modernism and requires an innovative multifaceted approach to research In this guide the authors explore these complex relationships and offer strategies for researching this new period of literature This book takes a holistic approach to postmodern literature that recognizes the way in which digital media film critical theory popular music and more traditional print sources are inextricably linked Through this approach the authors present a broad view of postmodernism that includes a wide variety of British authors writing in the last half of the twentieth century The book's definition of postmodern includes any British literature following World War II that engages issues central to postmodern theory including the social construction of gender sexuality and power the subjectivity of truth technology as a social force intertextuality metafiction post colonial narrative and fantasy This guide aims to aid researchers of postwar British literature by defining best practices for scholars conducting research in a period so broadly varied in the way it defines literature *Teaching Literary Research* Kathleen A. Johnson, Steven Robert Harris, 2009 **The Cinema of Satyajit Ray** Darius Cooper, 2000-01-13 Satyajit Ray is India's greatest filmmaker and his importance in the international world of cinema has long been recognised Darius Cooper's study of Ray is the first to examine his rich and varied work from a social and historical perspective and to situate it within Indian aesthetics Providing analyses of selected films including those that comprise The Apu Trilogy Chess Players and Jalsaghar among others Cooper outlines Western influences on Ray's work such as the plight of women functioning within a patriarchal society Ray's political vision of the doubly colonised and his attack and critique of the Bengali Indian middle class of today The most comprehensive treatment of Ray's work The Cinema of Satyajit Ray makes accessible the oeuvre of one of the most prolific and creative filmmakers of the twentieth century [A Reference Guide for English Studies](#) Michael J. Resources in Education, 1990 *A Reopening of Closure* Murray Krieger, 1989 Surveying the expanding conflict in Europe during one of his famous fireside chats in 1940 President Franklin Roosevelt ominously warned that we know of other methods new methods of attack The Trojan horse The fifth column that betrays a nation unprepared for treachery Spies saboteurs and traitors are the actors in this new strategy Having identified a new type of war a shadow war being perpetrated by Hitler's Germany FDR decided to fight fire with fire authorizing the formation of the Office of Strategic Services OSS to organize and oversee covert operations Based on an extensive analysis of OSS records including the vast trove of records released by the CIA in the 1980s and 90s as well as a new set of interviews with OSS veterans conducted by the author and a team of American scholars from 1995 to 1997 *The Shadow War Against Hitler* is the full story of America's far flung secret intelligence apparatus during World War II In addition to its responsibilities generating processing and interpreting intelligence information the OSS orchestrated all manner of dark operations including extending feelers to anti Hitler elements infiltrating spies and sabotage agents behind enemy lines and implementing propaganda programs Planned and directed from Washington the anti Hitler campaign was largely conducted in Europe especially through the OSS's foreign outposts in Bern and London A fascinating cast of characters made the OSS run William J Donovan one of the most decorated individuals in the American military who became the driving force behind the OSS's genesis Allen Dulles the future CIA chief who ran the Bern office which he called the big window onto the fascist world a veritable pantheon of Ivy League academics who were recruited to work for the intelligence services and not least Roosevelt himself A major contribution of the book is the story of how FDR employed Hitler's former propaganda chief Ernst Putzi Hanfstaengl as a private spy More than a record of dramatic incidents and daring personalities this book adds significantly to our understanding of how the United States fought World War II It demonstrates that the extent and limitations of secret intelligence information shaped not only the conduct of the war but also the face of the world that emerged from the shadows

Critical Confrontations Meili Steele, 1997 To broaden the interpretive scope of critical theory and increase its usefulness this text draws tradition based views of language and anti humanistic theories from their abstract frameworks into the field of cultural studies It examines major thinkers and contemporary writers

Cervantes and His Postmodern Constituencies Anne J. Cruz, Carroll B. Johnson, 2018-10-24 The essays in this collection represent the first effort in Hispanism to address the conflicted status of Cervantes studies by interrogating the possibility of continued critical dialogue in the context of postmodern theories that threaten to divide into oppositional discourses Comprising broad historical overviews as well as close readings of texts and wielding the rhetoric of scientific detachment and of impassioned political commitments the essays at once exemplify and critique multiple critical positions The collection takes a meaningful and timely look at the formation of cervantismo from the early twentieth century to the prevailing debates on postmodernism and the current crisis of literary studies

An Investigation of Commodity Theory and Its Application to Critical Media Studies Jeffrey R. Young, 1997 The theory of the commodity is used by critical theorists to explain the general organization and development of capitalist society It was originally proposed by Marx and subsequently developed by Lukacs and later Adorno and the Frankfurt School Media scholars such as Dallas Smythe Judith Williamson Robert Goldman and Eileen Meehan have identified the commodity structure in several forms throughout the process of mass communication Although commodity theory is not always articulated as a part of critical studies it is useful for understanding the process of mass communication under capitalism By investigating the dynamics of market processes and cultural innovation this paper shows where the theory of the commodity fits into Critical Media Studies and suggests where some productive applications may be found Book jacket

Axel Honneth and the Critical Theory of Recognition Volker Schmitz, 2018-08-04 The critical theory of the Frankfurt School has undergone numerous and at times fundamental changes over the last ninety years Since the late 1960s it has been characterized primarily by Jürgen Habermas's communicative turn and a focus on normative foundations Today that second generation exists side by side with a third generation represented most prominently by Axel Honneth's turn toward recognition ethical life and the normative reconstruction of social institutions This volume brings together critical voices on the state and direction of Frankfurt School theory today by examining Honneth's theory in light of both current challenges and the intellectual and political ambitions that have shaped the tradition from its beginning United in their strong commitment to critical scholarship the authors collected here approach Honneth's work from different backgrounds employ a wide variety of methodologies and write in different genres ranging from the sober scholarly analysis to programmatic and political appeals The collective aim of these reflections is not to reject Honneth's theory but to build upon his work and incorporate his themes of recognition and social freedom into a new project of critical theory that can prove adequate to the political and social crises of our time
