Between the Gates Benjamin Franklin Taylor,1878 **Golf Is from Satan** T. Patterson,2001-01-22 Born of a seething near psychotic indifference to golf that was transformed during its writing into the nihilistic and passionate obsession of a student in a Parisian school for acrobats and clowns Golf is From Satan is the first book about golf that seeks and tells the truth about a game that longs to ascend to the heavens of public imagination on the singed wings of demons This book sings instructs will send the reader into convulsive fits of nervous laughter save or send the reader to hell then finally and suddenly yield up the hidden secrets of the universe And it s just a golf book that admittedly has little to do with golf itself

Faith Tony Mariot,2018-10-17 We should not base our beliefs on some emotional experience we had which we cannot really explain with any substance other than to attribute the experience to something we want to believe was spiritual or God inspired This choice belief and faith should not be an unexplainable gut feeling or some thought shrouded in a cosmic concept of God that is neither specific nor explainable Neither should we hide behind peer pressure that makes us feel guilty if we denied having any real belief in the existence of God at all None of these aspects are the basis to knowing anything let alone foundations of a faith The question then becomes how do we know what is true and what to believe on the ground where we live What are the facts and what is folklore How can we know for certain This writing is intended to discuss what is biblically spoken of behind the faith of what Christians believe It is not however about conspiracies in the church or an attempt to air any dirty laundry The book of Revelation was chosen as the principle text of this discourse because it is intermingled throughout Scripture like no other It provides seamless segues that will open up opportunities to address other related questions in Scripture as we examine what is behind the faith
