Librarianship Peter Sprenkle, Charles R. Anderson, 2013-04-03. A daily diary of actual interactions between a reference desk librarian and his patrons. Reference Librarianship documents a year in the life of a young librarian working in the trenches at a library in the Midwestern United States. This one-of-a-kind book provides a daily diary of every librarian-patron transaction, no matter how mundane or absurd, to demonstrate not only how advances in technology have affected the reference librarian's job but how the public's expectations have changed as well. The book also includes observations by a now-retired reference librarian on the current state of the field based on these unedited interactions. Over the past two decades, the job of reference librarian has seen many changes. But in many ways, reference desk work hasn't changed a bit, with its mix of odd, humorous, routine and ridiculous requests that capture what it's like to deal with patrons day after day. Reference Librarianship paints a clear picture of the field for library school students, provides emotional and philosophical support to practitioners and reminds library administrators of what life was like on the front lines. A sampling of the daily transactions documented in Reference Librarianship: Monday, May 19, 2003. Pencil: pencil network down. I tell people that I can't sign them up for an Internet terminal because the network is down and they just stand there staring into space. One of them asks for three days' worth of newspapers. Microfiche machine explanation: Sorry, Sir, the network is still down. Multiply by twenty and insert randomly into the remainder of the day. Magic tricks, but he pretty much knew where they were. One of our large interior plate glass windows shattered. No one was hurt and it made a fascinating noise like a crystal waterfall landing on soil. Books on prostitution, you know, whores. Someone from the County called to ask if any criminal activity had occurred on a particular
