## **Adelaide Crapsey:**

**Complete Poems and Collected Letters of Adelaide Crapsey** Susan S. Smith, 2016-06-15 This book presents the poetry and letters of the American writer Adelaide Crapsey 1878 1914 Her best poetry deserves to be enjoyed by a larger audience and her letters and newly discovered biographical materials reveal new charm and meaning in an intriguingly elusive character Crapsey did not live to see any of her mature poetry published she received notice that her first poem had been accepted for publication only a week before she died Posthumous editions of her Verse in 1915 1922 and 1934 however brought her recognition and respect Carl Sandburg paid her a poetic tribute American critic Yvor Winters praised her as a minor poet of great distinction and felt that her poems remained in their way honest and acutely perceptive Her best work is compressed terse related in this respect to the work of another American poet who won posthumous recognition Emily Dickinson Crapsey is best known as the inventor of the cinquain a poem of five short lines of unequal length one stress two stress three stress four stress and one stress The cinquain is one of the few modern verse forms developed in English and its brevity and characteristic thought pattern seem to have been influenced by Japanese forms Crapsey's indebtedness to Japanese poetry and her relation to Imagism have long been subjects for debate As Winters notes the work of Crapsey achieves more effectively than did almost any of the Imagists the aims of Imagism The critical introduction by Professor Susan Sutton Smith examines these problems Much of Crapsey's poetry is reticent withdrawn and private and she believed strongly in the individual's right to privacy Whatever new biographical materials reveal of her and of her relations with family and friends however shows a charming and courageous woman Her courage and humor show especially well in her correspondence with her friend Esther Lowenthal and in the letters with her friend Jean Webster McKinney author of Daddy Long Legs who died soon after Crapsey

**Alone in the Dawn** Karen Alkalay-Gut, 2008-09-01 Alone in the Dawn is the first full length study of life and work of Adelaide Crapsey an American poet who lived at the same time and often in the same places as Gertrude Stein H D Hilda Doolittle Ezra Pound W B Yeats and Virginia Woolf but whose artistic goals were antithetical to those of her literary contemporaries Dedicated to understanding the scientific basis of literature Crapsey invented the cinquain a poetic form based on principles of stress and meter and conducted an intensive critical study of prosody Placing Crapsey's work within its critical and historical context Karen Alkalay Gut's biography presents an inventive poet who worked outside the mainstream of twentieth century poetry The daughter of an Episcopal priest Crapsey was raised in a liberal environment that encouraged great expectations for women She excelled in her studies at a private girls school in Wisconsin and then at Vassar College Described as a bewitching wraithlike figure Crapsey captivated teachers and peers alike with her innocence wit and mischievous irreverence seeming to embody the very ideal of the 1900s new woman Her college roommate novelist Jean Webster later used Crapsey as a model for some of the progressive and spirited female protagonists in her fiction Crapsey never fulfilled the promise of her early success Before succumbing to tuberculosis at age

thirty six she had to sacrifice years of her life in search of health rather than the pursuit of truth Her completion of a major article on her research and interpretation of metrics was followed by a devastating physical collapse In a last desperate attempt to find a cure Crapsey was sent to a famous sanatorium at Saranac Lake in upper New York state Though required to remain immobile and completely isolated she managed in the months before her death to collect her poems in a volume she called her funeral urn When Crapsey s posthumous book of selected poems appeared in 1914 readers were unable to separate the work from her death associating Crapsey with the popular literary stereotype of the beautiful young writer consumed by her fiery artist s soul Yet Crapsey s life was not romantic drama but a grim never ending encounter with illness grief and impecunity a losing struggle between ambition and death In *Alone in the Dawn* Alkalay Gut reveals within the lines of Crapsey s poetry the tragic truncated eloquence of her life *The Poems of Adelaide Crapsey* Adelaide Crapsey,1972
