

The background of the cover is an abstract composition. The upper half is dominated by a deep blue field filled with numerous small, bright white and yellow specks, resembling a starry night sky or a microscopic view. Below this, the color transitions into a warm, glowing orange and red. In the center of this lower section, there are faint, translucent silhouettes of several human figures. One figure appears to be walking or running towards the left, while others are more indistinct shapes. The overall effect is one of movement and transformation, reflecting the book's theme of personal growth in a changing world.
