

VERMONT IMPRINTS, 1778-1829
ADDITIONS, CORRECTIONS, and REVISIONS, CONFLATED

Marcus A. McCarrison

From time to time the compiler of *Vermont Imprints, 1778-1829: a check list of books, pamphlets, and broadsides* (Winchester, Mass.: American Antiquarian Society, 1963) has issued lists of corrections and additions to that bibliography. The first list, *Additions and Corrections to Vermont Imprints, 1778-1829*, was published by the American Antiquarian Society in 1968. Later installments appeared in the *Proceedings of the American Antiquarian Society* (also issued as off-prints) in 1973, 1985, and 1992. A "final" report was published in *Vermont History*, in the Winter/Spring issue of 1999. What follows here is a conflation of those various reports, with their notes, corrections, and the like, merged into a single file arranged by item number.

These addenda record early Vermont printed materials located in many collections, including those of the American Antiquarian Society, the Wilbur Collection at the University of Vermont, the Vermont Historical Society, the late Gertrude R. Mallary of Bradford, Vermont, Calvin P. Otto, John R. McSweeney, Amos B. Belversen, and Michael Zimman (collection now at the Library Company of Philadelphia). Other holdings have been noted as they came to the attention of the compiler. The compiler is grateful, indeed, to the many individuals who have contributed to this effort, especially Mrs. Mallary, Mr. Zimman, Gerson B. Sollitt, Karen Stites Campbell of the Wilbur Collection and J. Kevin Graffagnino (formerly) of the University of Vermont and now director of the Vermont Historical Society, Laura P. Abbott, Paul Carushev, Lorimer S. Brigham, Rodan Nugent, and William Osgood, each sometime of the Vermont Historical Society. Kenneth Leach and a number of other members of the book trade, also, have reported information and corrections on this subject.

These reports also record the dispersal or disposition of several great collections of American books which included Vermont imprints -- Harold G. Rugg's (now) enormous collection of Vermontiana to the Vermont Historical Society, Hall Park McCullough's (now) Vermont imprints to the Bennington Museum and his copy of Royall Tyler's *The Contrast* owned by George Washington to UVH, Frank C. Deering's *Americana* to The Newberry Library, Thomas Winthrop Streeter's (now) outstanding *Americana*, dispersed at auction, of Abe A. Welch's (d. now) and Benjamin and Helen Tighe's collections of children's books both of which went to the American Antiquarian Society, Gertrude Mallary's (now) great collection of Vermontiana is now at the University of Vermont.

It should be clear to the reader that the following material must be used in conjunction with the original 1963 edition of *Vermont Imprints*. Additional locations of recorded items are noted here only when those items are of particular scarcity and difficult to locate.
