Adult Programs In The Library

Michael Seilmaier

Adult Programs In The Library:

Adult Programs in the Library, Second Edition Brett W. Lear, 2013-06-11 Programming is an important means of not only drawing new people to the library but also better serving existing patrons Lear's invaluable guide to adult programs is back and better than ever with refreshed expanded content and new ideas to reinvigorate programs and give them a 21st century spin This edition includes Updated chapters on basics such as funding crafting guidelines topic selection publicity post program evaluations and more A new section on technology with ideas for online book discussions offering programs via Skype and turning programs into podcasts Methods for tailoring programs for specific groups such as men baby boomers and seniors A collection of five star programs from libraries around the country that can be easily adapted Walking the reader through every aspect of adult programming this new edition of a tried and true book is truly a librarian's best friend

Library Programs and Services for New Adults Kyla Hunt, 2017-10-06 Addressing the needs of new adults those ages 18-29 in the library is an important challenge This book explains the needs and wants of new adults in the public library setting and identifies their preferences in physical space programming and technology According to the Pew Research Center's 2015 Libraries at the Crossroads Report 52 percent of people between the ages of 16 and 29 visited a bookmobile or library within the past year Yet many public libraries programming and outreach skip over this demographic jumping from teen services to older adults Library Programs and Services for New Adults provides a road map for including new adults into the family of the small public library and offers a variety of resources and programming ideas that librarians can use immediately Author Kyla Hunt a library technology and trends specialist explains why the needs of new adults are typically overlooked at public libraries defines who new adults are and explains why serving their needs is key to the success of today's public libraries Readers will come away with an in depth understanding of the mindset and needs of patrons who are 18 to 29 years old and be able to cater to their preferences as they pertain to physical space programming technology and marketing *Programs for adults in public library outlets*, Programs for Adults in Public Library Outlets Laurie Lewis, 2002 *The Role of the Public Library in Community Adult Education Programs* University of the State of New York. Division of Adult Education and Library Extension, 1947 *Look, Listen, Explain* American Library Association. Committee on Outreach Programs for Young Adults (Ad Hoc), 1975 **Sizzling Summer Reading Programs for Young Adults** Katharine L. Kan, 2006-01-02 Offers over fifty ideas to promote young adult reading including such theme programs as crime scene investigation poetry workshops readings combined with field trips and cross cultural events featuring henna tattooing and food Public Library Programs and Services for Midlife and Beyond Renée K. Bennett-Kapusniak, 2018-06-01 Inspired by trends in U S public libraries this book teaches librarians how to create a welcoming environment that enriches enlightens and engages their library's growing aging community The number of adults aged 50 coming to public libraries is steadily increasing These patrons include active healthy tech savvy professionals people who have little or no computer training retirees travelers and

those who have age related health and behavior issues Public libraries have an opportunity to provide services for this growing and varied group This book teaches librarians how to develop and expand adult public library programming and services turning their library into a welcoming environment for the aging community Public Library Programs and Services for Midlife and Beyond offers practical examples in areas including community collaboration outreach marketing engagement technology and social media funding and lifelong learning It also incorporates up to date findings from the ALA s Guidelines for Library Services with 60 Audience Best Practices Examples gathered by the author from extensive interviews with public librarians and directors illustrate what a range of libraries is successfully doing for the midlife and beyond community and encourage creative thinking about new programs and services

Young Adult Library Services Anthony Bernier,Shari Lee,2024-04-26 Finally a single volume that comprehensively introduces and addresses the most pressing issues and opportunities in young adult teen library services Perpetually in the shadow of service to children and historically riven by fractious relationships between public and school libraries young adult services continue to suffer inadequacies and inequities of all kinds Consequently this area of specialization remains without the capacity to build the institutional political cultural or professional influence needed to grow and develop beyond ritual and repetition Young Adult Services Challenges and Opportunities COYAS begins to address these inequities by preparing professionals In COYAS LIS youth services instructors especially those in the United States and Canada will find a single broad and diverse engagement with scholars and acknowledged experts on the most pressing issues confronting YA services today Students at both graduate and undergraduate levels will benefit from the field tested topics delivered through accessible treatments Practicing YA and youth librarians will appreciate the support and evidence based analysis they likely found lacking in their MLIS programs Earnest youth advocates will value the pursuit of issues beyond clich and perpetual crash course entry level conversations In addition instructors and students will both value the brevity of concisely focused chapters sectional introductions as well as the study guide questions that conclude each chapter Content areas include history and critical engagement with foundational concepts in YA services current practices regarding challenges and opportunities as well as forward leaning issues for future development of the field COYAS will ultimately empower librarians in delivering professional grade information services to improve the quality of young people s experience in this important cultural institution

Career Opportunities in Library and Information Science T. Allan Taylor,James Robert Parish,2009 Whether you re a student or a professionals ready for a career change you ll find in this invaluable book everything you need to know to start an exciting career or alter the direction of your current career in library and or information science Features include a quick reference Career Profile for each job summarizing its notable features a Career Ladder illustrating frequent routes to and from the position described and a comprehensive text pointing out special skills education training and various associations relevant to each post Appendixes list educational institutions periodicals and directories professional associations and useful industry

Web sites Library Service to Tweens Melanie A. Lyttle, Shawn D. Walsh, 2017-02-13 This comprehensive guide to tween library services begins with a developmental description of this ever changing group and offers practical advice about materials and programming Criteria are provided for categorizing books music movies and magazines as appropriate for tweens with special attention given to the reluctant reader The authors discuss how to determine where tween services fit within the broader spectrum of youth services and how to provide support for them Information on marketing and outreach to tweens and their adults completes this essential guide **New Directions for Library Service to Young Adults** Patrick Jones, Young Adult Library Services Association, 2002-05-22 Explains how libraries and communities can work together to strike a true partnership with the young adults in their community to develop services for teens that are both collaborative and outcome driven **Directory of Library Research & Demonstration Projects, 1966-1975** United States. Office of Libraries and Learning Resources, 1978 **The American Public Library Handbook** Guy A. Marco, 2011-11-29 A detailed reference work that documents every aspect of the American public library experience through topical entries statistics biographies and profiles The American Public Library Handbook is the first reference work to focus on all aspects of the American public library experience providing a topical perspective through comprehensive essays and biographical information on important public librarians Based upon the author s own notes and extensive experience as well as library periodicals library reference books monographs textbooks Internet sources and correspondence with individual libraries this book comprises nearly 1 000 entries addressing all aspects of public library service Each topical essay considers terminology of the area covered its historical context and current concerns and issues Biographies highlight the philosophical perspective of the individuals covered while entries on specific libraries present timely data and interesting facts about each facility This unique handbook also offers up to date statistics historical highlights and information about programs and events of individual libraries *Successful Summer Reading Programs for All Ages* Katie Fitzgerald, 2018-03-01 he summer reading program is the focal point of a children s librarian s year requiring countless hours of preparation and nearly year round promotion Summer reading programs for teens and adults are also offered in many communities adding to that workload and bringing together librarians from different departments to accomplish the required tasks In a single volume *Successful Summer Reading Programs for All Ages A Practical Guide for Librarians* provides the tools necessary to put together successful summer reading programs for each of these different age groups Key elements include Sample program ideas for early childhood school age teen and adult readers to suit any summer reading theme Best practices for promoting summer reading to the community Troubleshooting for common difficulties associated with summer reading programs Tips and tricks for using software programs to manage registration and track readers progress Public librarians serving children teens and or adults will find everything they need to put together a successful summer reading program in this comprehensive handbook Resources in Education , 1998-07 **Adult Education and the Library** , 1925 **Pioneers and Leaders in**

Library Services to Youth Marilyn Miller, 2003-08-30 This compilation of 97 biographical essays celebrates public and school library service to children and young adults through the professional lives and contributions of its pioneers and leaders Devoted entirely to the field of youth library services the essays represent both outstanding librarians in the field as well as those whose work has made significant contributions supporting the work of professional youth librarians Sketches include modern day workers spanning the late 19th century until 1999 Will inspire young people as it underscores the continuing importance of youth library services *Library Dementia Services* Timothy J. Dickey, 2020-02-28 There are 50 million people globally living with Alzheimer s disease and related dementias and tens of millions of their caregivers Library and information professionals must learn to assist those with dementia This book explores best practice guidelines and concrete ideas for serving those with dementia and their caregivers **A Study of Adult Education in the United States** Alexander Albert Liveright, 1968

Adult Programs In The Library Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the power of words has become much more evident than ever. They have the ability to inspire, provoke, and ignite change. Such could be the essence of the book **Adult Programs In The Library**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Published by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we will explore the book's key themes, examine its writing style, and analyze its overall effect on readers.
