Give Us This Day Devotionals Charles Erlandson, 2020-12-18 Give Us This Day is a unique daily devotional commentary for the entire New Testament based on the ancient method called lectio divina Lectio divina or divine reading is the method used by the early church and countless Christians through the centuries to read the Scriptures to form and transform the soul more than merely to inform the mind Give Us This Day deals in depth with entire passages and their contexts Rather than selecting only certain portions of the New Testament to write about Fr Charles has written a devotional for each and every passage of the New Testament Fr Charles writes for the whole person he's not afraid to use his sense of humor and he carefully relates the Bible not only to the individual's life but also to the life of the church At the end of each day's devotional an appropriate prayer is offered as well as Points for Further Reflection on the day's lesson Each devotional concludes with a suggested resolution to put into effect what the Spirit has stirred up in the heart of the reader during the course of his reading meditation and prayer
