Advanced Aerial Devices Reported During The Korean War:

Advanced Aerial Devices Reported During the Korean War Richard F. Haines, 1990 *Unusual Footnotes to the Korean War* Paul Edwards, 2013-02-20 A forgotten war in modern history the Korean War is rarely given much recognition or studied in detail. In fact it was one of the bloodiest conflicts of the 20th century a deadly clash of world views as the UN allied itself with South Korea against the massed ranks of North Korean armies backed by Communist China. In this new book Paul Edwards presents a fresh look at the Korean War focusing on a number of unusual events that happened during the conflict. Beginning with a look at the war itself Edwards goes on to tell the stories of the Salvation Army band that disappeared, UFO sightings, the Pulitzer Prize winning journalist Maggie Higgins and her battle to report in Korea as an equal with her male counterparts and an operation to rescue orphan children. It also provides a fascinating look at the propaganda materials dropped over Korea by both sides. This miscellany of the war allows readers to dip in and out of this e book only title a perfect e book for the daily commute.

UFOs in Wartime Mack Maloney, 2011-12-06 UFOs do exist. They are found in Renaissance art, on ancient coins, etched on cave walls and even reported in the Bible. Even more surprising is where they are documented most in times of armed conflict. Accounts of hovering objects when war is imminent reach as far back as 312 A.D. when seen by Roman Emperor Constantine I as he led his troops to battle. They supposedly aided George Washington in winning the American Revolution. UFOs were also reported flying over Normandy on D Day and were dubbed 'foo fighters' by World War II pilots. In Vietnam an Air Force commander said they were plagued by UFOs. Even today the reports continue to pour in as noiseless objects are seen darting over the battlegrounds of the Middle East. These sightings as inconceivable as they may seem are made by high ranking officials, soldiers and news reporters. Why do these reports spike so drastically during wartime? Could it be mistaken aircraft? Or is someone or something looking in on us? Includes incredible photographs of UFOs.

Military Encounters with Extraterrestrials Frank Joseph, 2018-09-11 The first comprehensive military history of armed confrontations between humans and extraterrestrials. Includes documentation of incidents from World War I, World War II, the Korean War, the Vietnam War, the Gulf War and the ongoing hostilities in the Middle East. Reveals the U.S. Navy's defeat in Antarctica by ETs, the shoot down of flying saucers at Roswell, alien sabotage of nuclear weapons in flight, abductions of USAF and Soviet officers and photographic evidence of the Battle of Los Angeles. Explains the link between the development of atomic bombs and ballistic missiles and the increase in extraterrestrial intervention in the 20th century. Although close encounters with alien spacecraft are reported as far back as the reign of Pharaoh Thutmose III in Egypt it wasn't until the 20th century that UFO sightings and extraterrestrial encounters were truly documented due to advances in technology and record keeping as well as the vast increase in incidents particularly with military forces. Revealing his extensive research and the verifiable evidence he's discovered Frank Joseph presents a comprehensive military history of armed confrontations between humans and extraterrestrials in the 20th and 21st centuries. He explains how with the

development of atomic bombs and ballistic missiles the frequency of extraterrestrial intervention in human affairs increased dramatically He documents incidents both famous and little known including the explosive demolition of U S munitions factories in 1916 by unearthly aerial vehicles the Red Baron s dogfight with a UFO during World War I foo fighter sightings and battles with Allied and Axis combatants during World War II and eye witness reports from encounters during the Korean War the Vietnam War the Gulf War in Iraq and the ongoing hostilities in the Middle East He examines the evidence for the shoot down of flying saucers at Roswell and Aztec New Mexico alien sabotage of nuclear weapons systems and in flight abductions of USAF and Soviet officers and airplanes He explores the photo evidence for the Battle of Los Angeles which occurred three months after Pearl Harbor and the details of Operation Highjump the U S Navy s defeat in Antarctica by ET forces 17 months after the atomic bomb was dropped on Nagasaki while also uncovering evidence of secret Antarctic German bases The author also examines recent 21st century examples of alien interdiction in Earthly affairs such as the meltdown of the Fukushima Daiichi nuclear plant in Japan and the fiery abort of Elon Musk s Falcon 9 missile launch both events accompanied by UFOs Offering complete disclosure of the multitude of ET events over the past century Frank Joseph gives us the first true reference book in the field of alien military encounters *Ancient Alien Theory Decoded* Robert Sickler,2015-10-22 For those who undertake a serious investigation of unidentified flying objects UFO there can be no questioning their reality Still our government would have people believe UFOs are natural earthly phenomenon Ancient alien theorist however claim unidentified flying objects are highly advanced alien mechanical devices Furthermore the theorist would have us believe aliens are associated with the genesis of mankind and during our formative years they guided us with both technology and the teaching of civil moral standards On the one hand we have our government saying it is nothing and on the other hand we have ancient alien theorists saying ancient aliens were the gods we used to worship We cannot help but wonder why the government denies alien existence and at the same time ancient alien theorists preach a coming alien salvation It is only when the ancient alien theory is decoded that elements of truth are revealed The UFO Evidence Richard H. Hall,2001-01-03 Patterned after the first volume published in 1964 The UFO Evidence Volume II is much anticipated by the research community The book reports 30 years of UFO sightings since 1964 with related data and descriptive features organized by category Among the topics discussed are the now strongly established patterns of UFO sightings the growing evidence worldwide that UFOs represent someone s technology the history of government sponsored UFO investigations and political and human responses to UFO sightings The master chronology is an incredibly complete listing which also refers the reader to pertinent sections in the book for fuller descriptions *UFOs and Abductions* David Michael Jacobs,2000 Examining the nature of UFO evidence the authors present a primer for scholars skeptics and others uneasy about investigating the field of UFOs The volume also brings together three bestselling authors David M Jacobs Budd Hopkins and Pulitzer Prize winner John Mack widely known for their writings on the controversial alien abduction

Andromeda: The Secret Files David Hatcher Childress, 2021-11-01 David Childress popular author and star of the History Channel show *Ancient Aliens* brings us the amazing story of the German Andromeda craft designed and built during WWII Along with flying disks the Germans were making long cylindrical airships that are commonly called motherships large craft that house several smaller disk craft It was not until 1989 that a German researcher named Ralf Ettl living in London received an anonymous packet of photographs and documents concerning the planning and development of at least three types of unusual craft including the Andromeda Ettl went on to make several television documentaries based on the material in the packet and released most of the documents and photos to researchers in Austria and other parts of Europe What the Ralf Ettl document dump shows us is what many have suspected for a long time that WWII did not end in the manner in which we have been told and a remnant of the Nazi military particularly the SS continued to operate aircraft and submarines around the world in the decades after the end of the war Much of this activity has been attributed to UFO activity but Childress lifts the veil shrouding some of these cases and shows that Andromeda and Haunebu craft were involved in many of these incidents over the decades Join Childress as he shows us the secret files involving the Andromeda Haunebu and Vril craft Chapters include Gravity's Rainbow The Motherships The MJ 12 UFOs and the Korean War The Strange Case of Reinhold Schmidt Secret Cities of the Winged Serpent The Green Fireballs Submarines That Can Fly The Breakaway Civilization more Includes a 16 page color section Over 120 photographs and diagrams
