Administration Of Government Contracts

John Cibinic, Ralph C. Nash

Administration Of Government Contracts:

Administration of Government Contracts John Cibinic, Jr., Ralph C. Nash, James F. Nagle, 2006-01-01 This unbiased analysis of statutes regulations and case law clarifies the complex rules of federal procurement policies explaining the processes that government personnel and contractors must follow in every aspect of government contracting and from inception to completion Topics include contract administration and personnel contract interpretation risk allocation changes delays pricing of adjustments and much more

Administration of Government Contracts John Cibinic, Ralph C. Nash, 1995 This book attempts to provide complete coverage of the rules of contract administration This revised third edition explains the rules resulting from the Federal Acquisition Streamlining Act the Competition in Contracting Act the Prompt Payment Act and other key changes Analysis of important case law and decisions provides an overview of the current legal environment

ADMINISTRATION OF GOVERNMENT CONTRACTS. ,2021 **Elements of Government Contracting** Richard D. Lieberman, Karen R. O'Brien, 2005-03-01 Elements of Government Contracting combines two previous books Elements of Contract Formation and Elements of Contract Administration to make one comprehensive resource This convenient reference covers the entire procurement spectrum from the beginning of the process through claims and disputes in a straightforward easy to read manner The first part of this book explains the important elements and issues involved in the formation of government contracts including the two primary methods of contracting The next part addresses the factors critical to contract inception performance and completion and outlines the rules for contractors in the administration of a government contract Fully updated Elements of Government Contracting includes sample letters to contracting officers as well as practical tips at the end of each chapter In addition it has an appendix on how to get a Multiple Award Schedule Contract and avoid pitfalls in performance

Government Contracting William Sims Curry, 2010-04-27 A guidebook through the minefield of government contracting and procurement Government Contracting Promises and Perils describes the dangerous practices commonly applied in the development and management of government contracts and provides advice for avoiding the sort of errors that might compromise their ability to protect the public interest It includes strategies for increasing profits for government contractors rather than incurring burdensome costs through compliance with government mandated subcontracting and financial management systems Drawing from his indepth investigation of government agencies across the country the author examines present day scenarios that regularly lead public servants and government committees to manage contracts with tools that are less than optimal and to select contractors that may not be the best qualified He then delineates practical processes contracting documents and contract management tools to mitigate detrimental outcomes and alternative approaches to supplant the imperfect methodologies The author includes a CD ROM with the book that provides a number of practical tools that you can apply as well as examples of contracts and templates that are the best he discovered during his research The book also outlines an approach for performing advance contract planning conducting contract

negotiations and administering contracts useful when planning for the management of the contracting process throughout the contracting cycle negotiating a contract that protects the interest of all contracting parties and ensuring successful contractor performance The book includes a Government Procurement Corruption Wall of Shame that illustrates the myriad perils and stumbling blocks such as conflicts of interest duplicity favoritism incompetence kickbacks and protests that government workers fall prey to Filled with best practices that protect you from nefarious amateurish and criminal mistakes that frequently lead to difficulties with harsh consequences the book does not end its coverage with discussions of corruption mismanagement and ineptitude but provides practical processes and strategies to diminish the negative impacts from these government contracting perils Elements of Contract Administration Richard D. Lieberman, Karen R. O'Brien, 2001

Elements of Contract Administration Richard D. Lieberman, 1997 **Federal Contracting Made Easy** Scott A. Stanberry, 2012-12-01 Federal contracting easy With the fourth edition of Federal Contracting Made Easy it is Whether or not you consider federal contracting easy it is certainly easier with this guide Used successfully by thousands of contractors and feds this book offers practical hands on no nonsense advice Now in its fourth edition Federal Contracting Made Easy lays out the entire federal contracting process in a readable and easy to understand style This book covers how government procurement works what you can do to cut through the red tape to speed your way to winning a contract who the key players are and tips for overcoming obstacles New in this edition Discussion of government wide acquisition contracts GWACs Updates on women owned small business New status of service disabled veteran owned small business Expanded list of relevant websites and resources Introduction to the new System for Award Management SAM Whether you are about to enter the competitive world of federal contracting or have been bidding for contracts for years and are now looking for updated information and ideas this is the book you need The federal government awards billions of dollars in contracts for goods and services every year This book will help you win a piece of that business **Managing Federal Government Contracts** Charles D. Solloway Jr., CPCM, 2013-02 You've Got Questions We've Got Answers Questions can arise at any point in the process of working with government contracts Now you have an accessible resource you can trust for authoritative answers Managing Federal Government Contracts The Answer Book covers the contract management process from planning to closeout and all the steps in between Using the regulations and legislation as a basis author Charles Solloway draws on his many years of experience to craft answers that will help you address the issues you face every day This book provides answers to the questions most commonly asked by government program and contracting personnel contracting officer's representatives contractor employees inspectors and all those involved in government contract management The question and answer format makes getting the information you need quick and efficient Examples of forms and templates drawn from actual contract work are included to make your work easier Along with the basics on the roles of the various contract team members and the different aspects associated with each contract type this resource covers Partnering issues Data use for

efficient contract management Remedial actions and how to properly initiate them The government's role with subcontractors Don't let your questions go unanswered Get Managing Federal Government Contracts The Answer Book

Understanding Government Contract Law Terrence M. O'Connor, 2007-02-01 A back to basics guide to government contract law Finally A plain English presentation of the basic legal concepts of government contract law for professionals at any stage in their careers Until now anyone in the procurement field has had to trudge through dense and complex texts written in hard to follow legalese in their quest to understand procurement law With Understanding Government Contract Law they finally have a source of clear and concise explanations of the legal principles involved in government contract law written by an authority on the subject Part I of the book focuses on the unique problems facing each of the parties to a government contract the contract officer and the contractor and offers insight to the many roles played by the contract officer in the procurement process Part II describes why and how the government contract is different from commercial contracts Part III explores the ins and outs of a government contract lawsuit The author presents key legal principles of government contract law by Stating a legal principle Specifying where in the Federal Acquisition Regulation FAR that principle is found Offering the rationale context and any public policy behind the principle Describing with case law examples situations where the government applied the law correctly and situations where the government came to that conclusion incorrectly Government Contracts Reference Book CCH Incorporated, 2007-11-20 **Government Contracting** Robert

A Shick, 2015-12-07 Government contracting is one of the most important issues facing federal state and local governments As governments contend with lower tax revenues and a growing belief that smaller government is better government contracting has become a fundamental means of providing goods and services to citizens This volume which is geared toward practitioners as well as students addresses the broad range of issues that comprise government contracting from the political economic philosophy and value of contracting to the future of government contracting Throughout the volume academic theory provides a foundation to address practical subjects including the contract process monitoring and evaluating contracts ethics and both federal and state local government contracting Contributors to this volume are both academicians and practitioners who together offer their scholarly expertise and practical experience encouraging readers to ask the very question What is the role of government in American society Through this approach students will acquire the knowledge needed to understand the various aspects of government contracting and practitioners will enhance their public procurement skills Government Contracting is ideally suited to MPA students practitioners in the public sector and elected officials looking to enhance their understanding of privatization and contracting in order to provide public services more effectively
