Adolescent Problem Behaviors Issues And Research:

Adolescent Problem Behaviors Robert D. Ketterlinus, Michael E. Lamb, 1994 Adolescence has long been recognized as the developmental period during which deviant and criminal behaviors were most likely to emerge This volume presents recent cutting edge theory and research about the antecedents correlates and consequences of adolescent problem behaviors The material presented is unique in that it features the work of some of the most respected researchers in a wide range of disciplines including history and sociology developmental clinical and social psychology and psychiatry behavioral genetics and criminology Despite this wide variation in perspectives both common and unique themes and lessons learned about adolescents who engage in problem and risk taking behaviors and society's responses to these adolescents emerge To maximize cross disciplinary integration each author was asked to discuss two broad topics that cut across disciplinary and theoretical boundaries gender differences and prevention or intervention strategies Finally researchers and practitioners can access multi disciplinary perspectives on adolescent problem behaviors in a single highly thought provoking and informative text This book will be of interest and is accessible to a wide range of social science scholars and students Risks and

Problem Behaviors in Adolescence Richard M. Lerner, Christine M. Ohannessian, 2014-02-04 The articles in this volume illustrate how development is propelled by the bidirectional relations that occur between the person and all levels of the context The authors argue that adolescent life is embedded in a complicated developmental system involving multiple features of the individual e g biology emotions personality and cognition and the multiple levels of his or her social ecology e g peers family school the workplace and the public policy and legal systems that structure and impact behavioural opportunities for and the actions of adolescents These articles have important implications for the design of interventions aimed at adolescent problem behaviours

Handbook of Adolescent Behavioral Problems Thomas P. Gullotta, Robert W. Plant, Melanie A. Behavior Disorders of Adolescence Robert J. McMahon, Ray DeV. Peters, 2012-12-06 This volume is one in a continuing series of publications sponsored by the Banff International Conferences on Behavioural Science The conferences have been held each spring since 1969 in Banff Alberta Canada They serve the purpose of bringing together outstanding behavioral scientists and professionals in a forum where they can present and discuss data related to emergent issues and topics Thus the International Conferences as a continuing event have served as an expressive early indicator of the developing nature and composition of behavioral science and scientific application Distance schedules and restricted audience preclude wide attendance at the conferences Consequently the publications have equal status with the conferences proper They are not however simply publications of the papers presented at the conference Presenters at the Banff Conferences are required to write a chapter specifically for the forthcoming book separate from their presentation and discussion at the conference itself The original conference had as its theme Ideal Mental Health Services The policy consciously adopted at that conference and followed ever since was to identify for the presentation of each year's theme those behavioral researchers who could best identify the state of the art In 1969 the conference faculty were Nathan Azrin Ogden Lindsley Gerald Paterson Todd Risley and Richard Stuart The conference topics for the first 19 years were as follows Ideal Mental Health Services 1969 I

Social Work Diagnosis in Contemporary Practice Francis J. Turner, 2005-02-10 The unifying theme of this broad reaching volume is that responsible ethical and effective social work

practice rests on the diagnostic skills of the practitioner Social work diagnosis refers to the conscious formulation of an ongoing set of decisions about the client and his or her situation which serve as the basis for intervention decisions for which the practitioner must be prepared to take responsibility Diagnostic skill development is an ongoing process principally enhanced by a continuous commitment to remain at the cutting edge of the profession's body of knowledge but one of the challenges for today's practitioner is keeping abreast of the rapidly expanding body of knowledge contained in some 200 important social work periodicals in circulation Francis J Turner a preeminent clinical scholar brings together in one volume some of the best work published since 2000 each reflecting new insights into understanding psychosocial situations and innovative methods of applying knowledge and skills in an increasingly effective manner Each of the 78 articles in this volume highlights some of the critical dimensions of contemporary social work practice guiding clinicians to address four key aspects in order to craft an accurate diagnosis The first section presents articles covering the developmental spectrum each of which fully explains various ages and stages of development The second section focuses on a range of specific situations helping practitioners and students enrich their understanding of different types of problems they meet in contemporary practice whether they are based in mental illness psychosocial issues or physical ailments The third section addresses the crucial component of diversity demonstrating the complexity and critical importance of truly understanding clients and their lives The last section of the book discusses innovative approaches to practice selected to offer practitioners easy access to the latest interventions for a host of contemporary challenges facing clients and their therapists Broad in scope and tightly focused on the goal of providing the most up to date information necessary for accuracy in the diagnostic process this volume represents some of the best research available to today's social workers
