Bennett,Jonathon A. Cooper,2023-06-08

Using the commonwealth of Pennsylvania as a case study along with two other states as controls this book examines how BARJ legislation trickles down to the law enforcement level through Pennsylvania s Juvenile Justice System Enhancement Strategy PJJSES and the Juvenile Justice Act JJA This legislation is a direct application of the BARJ model to law enforcement essentially directing police discretion in the direction of informal dispositions The decision to dispose formal action such as a referral to either juvenile court probation criminal court or adult criminal court or informal action for instance handling the situation within the department and or releasing the juveniles to parents with a warning play an integral role in determining which juveniles contact the justice system To this end while the overall focus of our volume and research is specifically on the impact of the PJJSES and its 2012 amendments on the number of formal dispositions of juvenile suspects by law enforcement officers it speaks more broadly to the ability of the BARJ model to affect police officer behavior through influencing their decision making processes **Community Organizing and Community Building for Health and Social Equity, 4th edition** Meredith Minkler,Patricia Wakimoto,2021-12-10

The fourth edition of Community Organizing and Community Building for Health and Social Equity provides both classic and recent contributions to the field with a special accent on how these approaches can contribute to health and social equity The 23 chapters offer conceptual frameworks skill building and case studies in areas like coalition building organizing by and with women of color community assessment and the power of the arts the Internet social media and policy and media advocacy in such work The use of participatory evaluation and strategies and tips on fundraising for community organizing also are presented as are the ethical challenges that can arise in this work and helpful tools for anticipating and addressing them Also included are study questions for use in the classroom Many of the book s contributors are leaders in their academic fields from public health and

social work to community psychology and urban and regional planning and to social and political science One author was the 44th president of the United States himself a former community organizer in Chicago who reflects on his earlier vocation and its importance Other contributors are inspiring community leaders whose work on the ground and in partnership with us outsiders highlights both the power of collaboration and the cultural humility and other skills required to do it well Throughout this book and particularly in the case studies and examples shared the role of context is critical and never far from view Included here most recently are the horrific and continuing toll of the COVID 19 pandemic and a long overdue yet still greatly circumscribed national reckoning with systemic racism in the aftermath of the brutal police killing of yet another unarmed Black person and then another and another seemingly without end In many chapters the authors highlight different facets of the Black Lives Matter movement that took on new life across the country and the world in response to these atrocities In other chapters the existential threat of climate change and grave threats to democracy also are underscored View the Table of Contents and introductory text for the supplementary instructor resources https://d3tto5i5w9ogddcloudfront.net/wp-content/uploads/2022/02/04143046_9781978832176_optimized_sampler.pdf Supplementary instructor resources are available on request <https://www.rutgersuniversitypress.org/communityorganizing> [Racism in Southern Alberta and Anti-racist Activism for Change](#) Caroline Hodes, Glenda Tibe Bonifacio, 2023-04-18 Drawing on reflective personal narrative experiential research and critical theoretical engagement this collection connects localized experiences with broader structural and systemic forms of intersectional racism These detailed examinations of the various forms of racism faced by immigrants and Indigenous people living and working in Southern Alberta reveal how institutional racism continues to saturate modern Canadian culture and practice *Effective Police Supervision* Harry W. More, Larry S. Miller, 2014-02-13 Good police officers are often promoted into supervisory positions with little or no training for what makes a good manager *Effective Police Supervision* is a core text used in college level classes on supervisory practices in criminal justice This popular book combines behavioral theory with case studies that allow the reader to identify and resolve personal and organizational problems It provides readers with an understanding of the group behaviors and organizational dynamics with a focus on effectiveness as well as proficiency and on how a supervisor can help to create an effective organization This book is also a vital tool in the preparation of police officers for promotional exams This revised and updated edition includes new material throughout on police accountability police involvement with news media dealing with social media and avoiding scandals Each chapter includes important key terms and opens with a case study to illustrate important concepts **The Inspection House** Tim Maly, Emily Horne, 2014-10-21 Forty years after Michel Foucault's *Discipline and Punish* The Inspection House beguilingly explores the surveillance that defines modern life [Ghost Criminology](#) Michael Fiddler, Theo Kindynis, Travis Linnemann, 2022-01-18 Bringing together prominent early contributions from this emergent perspective the volume traces the origins theory and methodology of a nascent ghost criminology From the powers of exorcism and erasure

marshaled by state agents street level struggles over memorialization and memory to the lingering violence of crime scenes and the ghostly traces of outlaw artists Ghost Criminology is a book attuned to that which is well theorized in other disciplines the spectral hauntological apparitional Each of the writers assembled here shares as Mark Fisher 2017 put it a fascination for the outside that which lies beyond standard perception cognition and experience As such this collection uses cutting edge social and cultural theory to tangle with some of criminology s most stubborn revenants the politics of criminalization the commodification of crime and violence the haunting power of the image as well as the unheard and disregarded cries of the dead

A World Without Cages Sharry Aiken, Stephanie J. Silverman, 2022-04-19 This book is the first collection to bring together scholars and activists working to end criminal and immigration detention Employing an intersectional lens and an impressive variety of case studies the book makes a compelling case to rethink what justice could mean for refugees citizens and everyone in between The book connects immigration detention and prison justice towards reimagining a newer better future The ten chapters probe the intersections of immigration detention with current and potential forms of citizenship membership belonging and punishments Deprivation of liberty is one of the most serious harms that someone can experience Immigration control is a nation building project where racial gender class ableist and other lines of discrimination filter and police access to permanent residence Employing a kaleidoscope of interdisciplinary backgrounds the contributors bring this focus to bear on case studies spanning North America Europe and Asia In conversation with social movements challenging police brutality the contributors are thinking through the implications of defunding the police overhauling the criminal justice system eradicating prisons penal abolitionism and ending all forms of containment carceral abolitionism Neither the prison nor the detention centre is an inevitable feature of our social lives This book collectively argues that abolishing detention could pave the way for new visions of justice to emerge The chapters in this book were originally published as a special issue of Citizenship Studies

In Pursuit of Excellence: Leadership Lessons for Law Enforcement Daniel D. Terry, 2023-09-28 This book has been written specifically for the leadership and management needs of the law enforcement professional Most examples in this book are real life examples and will relate directly to law enforcement and therefore should be practical to the law enforcement professional This book will discuss many principles of leadership It will provide stories examples and experiences that offer lessons and takeaways linked directly to leadership principles It will also dive into management and law enforcement specific topics as to how you might drive performance maintain accountability or just do a more effective job as a supervisor The ideas and suggestions made in this book are founded on sound leadership behaviors The content is practical and though the foundational leadership principles are nothing new they are presented differently and specifically to law enforcement Everything rises and falls on your ability to lead All the supervisors in your organization may be carrying out the same tasks as expected of your organization s management However whether they are successful or whether their work group is effective will depend on the

type of leaders they are This book shows how a person can take action to eliminate or minimize leadership voids to enhance their ability to lead and develop high performing successful work groups The book has a useful appendix and references have been included for the reader to continue to grow and seek out materials that reinforce the principles presented Badges without Borders Stuart Schrader, 2019-10-15 From the Cold War through today the U S has quietly assisted dozens of regimes around the world in suppressing civil unrest and securing the conditions for the smooth operation of capitalism Casting a new light on American empire Badges Without Borders shows for the first time that the very same people charged with global counterinsurgency also militarized American policing at home In this groundbreaking expos Stuart Schrader shows how the United States projected imperial power overseas through police training and technical assistance and how this effort reverberated to shape the policing of city streets at home Examining diverse records from recently declassified national security and intelligence materials to police textbooks and professional magazines Schrader reveals how U S police leaders envisioned the beat to be as wide as the globe and worked to put everyday policing at the core of the Cold War project of counterinsurgency A smoking gun book Badges without Borders offers a new account of the War on Crime law and order politics and global counterinsurgency revealing the connections between foreign and domestic racial control The Intermediary in the Criminal Justice System John Taggart, 2025-07-25 This book undertakes a sociolegal examination of the intermediary role within the criminal justice system The intermediary special measure is one of the most innovative and controversial developments in the history of English criminal procedure But what does the role actually involve That is the central question explored in this book Despite increased academic attention into this new criminal justice actor the content of the intermediary role remains unclear Based centrally on empirical data gathered in England and Wales and Northern Ireland but also drawing upon comparative material from other jurisdictions the book examines how those executing the intermediary role understand its work and how other criminal justice actors perceive it The book then uses this as the basis for generating a theory of the intermediary role and its scope and content It also considers the future of the role and its integration into the criminal justice system This book will appeal to those researching and studying in the areas of sociolegal studies criminal law and criminology as well as lawyers judges intermediaries and policy makers working in relevant areas Handbook of Digital Forensics of Multimedia Data and Devices, Enhanced E-Book Anthony T. S. Ho, Shujun Li, 2016-05-20 Digital forensics and multimedia forensics are rapidly growing disciplines whereby electronic information is extracted and interpreted for use in a court of law These two fields are finding increasing importance in law enforcement and the investigation of cybercrime as the ubiquity of personal computing and the internet becomes ever more apparent Digital forensics involves investigating computer systems and digital artefacts in general while multimedia forensics is a sub topic of digital forensics focusing on evidence extracted from both normal computer systems and special multimedia devices such as digital cameras This book focuses on the interface between digital forensics and multimedia forensics bringing two closely

related fields of forensic expertise together to identify and understand the current state of the art in digital forensic investigation Both fields are expertly attended to by contributions from researchers and forensic practitioners specializing in diverse topics such as forensic authentication forensic triage forensic photogrammetry biometric forensics multimedia device identification and image forgery detection among many others Key features Brings digital and multimedia forensics together with contributions from academia law enforcement and the digital forensics industry for extensive coverage of all the major aspects of digital forensics of multimedia data and devices Provides comprehensive and authoritative coverage of digital forensics of multimedia data and devices Offers not only explanations of techniques but also real world and simulated case studies to illustrate how digital and multimedia forensics techniques work Includes a companion website hosting continually updated supplementary materials ranging from extended and updated coverage of standards to best practice guides test datasets and more case studies *Effective Police Supervision* Larry S. Miller, Harry W. More, Michael C.

Braswell, 2020-12-28 *Effective Police Supervision* 9th ed is a time tested text providing complete coverage of the organizational dynamics surrounding leadership of teams in an effective police department This revised edition provides readers with the tools to excel and advance with up to date and timely scholarly research and legal case law on supervision Special attention is given to recruitment selection and retention of police commonly believed to be the most challenging internal issue facing agencies today Supervisory tactics are evaluated in terms of how they work not only in the United States but in the United Kingdom and Canada as well and chapters are enhanced with boxed features that help the reader connect ideas with realistic situations Combining behavioral theory and updated case studies *Effective Police Supervision* is the preferred textbook for college level classes on police supervision and is an essential resource for preparation for promotional exams and career development for law enforcement officers and supervisors Information has been included to respond to current issues facing law enforcement with Covid 19 and managing protests *Crime Scene Management within Forensic Science* Jaskaran Singh, Neeta Raj Sharma, 2022-03-23 This book the second volume of *Crime Scene Management in Forensic Sciences* reviews the role and impact of forensic evidence in criminal investigations It also addresses the importance of post mortem examination in criminal cases The book investigates the use of insects and arthropods to estimate post mortem intervals during forensic investigations Further it discusses the physiological effects of xenobiotics at the time of death based on their concentration and distribution in the body at autopsy Importantly it also discusses digital forensic investigation which can be used for the analysis of digital evidence produced at a court of law Lastly it defines the structure and legal framework of these forensic evidences for the effective administration of the criminal justice system It is an excellent source of information for forensics scientists and legal professionals
