Adjusting Society The World Bank The Imf And Ghana:

IMF and World Bank Sponsored Structural Adjustment Programs in Africa Kwadwo Konadu-Agyemang, 2018-10-24 This title was first published in 2001 Bringing together geographers planners political scientists economists rural development specialists bankers public administrators and other development experts this volume questions the benefits of Structural Adjustment Programmes SAPs It critically assesses the impact of SAPs from a wider perspective than a purely economic one highlighting concerns about impacts of adjustments on the more vulnerable elements of society such as social welfare the environment labour gender and agriculture Revealing both the costs and benefits of the economic restructuring programme the book also suggests alternatives to current development models and how SAPs can be made more sustainable An original and comprehensive addition to the collections of both students and practitioners of development **Women, Land and Agriculture** Caroline Sweetman, 1999 Contributors assert that women s contribution to global agricultural production for food and for profit continues to be largely unacknowledged and undervalued and that their ability to farm is constrained by lack of control over land agricultural inputs credit and other essential resources *The Making of Anti-Poverty Policies in Ghana* Rosina K. Foli, 2023-03-09 This book examines the roles played by transnational actors to influence poverty reduction policies in Ghana Whereas previous studies on anti poverty policies have primarily focused on the carrot and stick approach deployed by transnational actors whereby developmental assistance is granted in return of certain conditions being met this book demonstrates that there are several alternative strategies Indeed rather than adopting hard means of shaping policy many transnational actors in fact use a soft approach characterized by collaboration In order to demonstrate this the book examines two poverty reduction programmes Utilising research based on interviews with national policymakers civil society organizations and the media it compares different approaches used by transnational actors and the attendant outcomes for national and international parties Drawing on an interdisciplinary perspective the book will appeal to scholars and students of public policy and international relations *Politics, Governance, and Development in Ghana* Joseph R.A. Ayee, 2019-10-16 Since it achieved independence in 1957 the West African state of Ghana has become the torchbearer of African liberation as well as a laboratory for the study of endemic problems facing the African continent In terms of democratic consolidation the country holds a unique position on the continent as beacon of stability and democracy Politics Governance and Development in Ghana takes critical stock of the landmark themes that have dominated its history since independence The contributors address issues such as citizenship civil society the military politicians chiefs transnational actors the public sector and policies the executive branch decentralization the economy electoral politics natural resources and relations with Asia and the diaspora These themes support mobilizing for Ghana s future which is the theme for the diamond jubilee celebration of Ghana s independence Edited by Joseph R A Ayee this book will deepen the literature on studies on Ghana especially in the areas of politics governance economy and development serve as a resource for academics students practitioners and

commemorate the diamond jubilee celebration of Ghana's independence

Historical Dictionary of the World Bank Sarah Tenney, Anne C. Salda, 2013-10-30 When it was founded back in 1944 no one could possibly have foreseen how the World Bank known more formally as the International Bank for Reconstruction and Development IBRD would flourish Today with 188 members it is by far the largest lender for projects in agriculture health infrastructure and many other fields in developing countries around the world with a budget of billions of dollars and a staff of more than 9 000 and its advice is usually heeded by both the developing countries which borrow from it and the advanced ones which contribute This second edition of the Historical Dictionary of the World Bank shows the substantial progress the Bank has made this mainly through the dictionary section with concise entries on its component institutions related organizations its achievements in various fields some of the major projects and member countries and its various presidents The introduction explains how the Bank works while the chronology traces the major events over nearly 70 years Meanwhile the list of acronyms reminds us just who the main players are And the bibliography directs readers to useful internal documentation and outside studies

Programme Aid and Development Geske Dijkstra, Howard White, 2013-09-05 This important contribution to the literature on development economics analyses the effectiveness of programme aid i e aid that is not given in the form of projects Using real world examples from countries such as Nicaragua Tanzania and Vietnam this book deals with one of the core issues in development economics today

Gender, Generation and Poverty Sylvia H. Chant, 2007-01-01 The feminisation of poverty is viewed as a global trend and of particular concern in developing regions Yet although popularisation of the term may have raised women's visibility in development discourses and gone some way to encourage gender policies for poverty reduction the construct is only weakly substantiated This work covers this topic

The International Handbook of Gender and Poverty Sylvia H. Chant, 2011-01-01 possibly the most comprehensive contribution to a detailed and thorough analysis of gendered dimensions of international poverty contexts causes and consequences ever brought together into one volume Gender and Development I recommend this book to be a staple of reference libraries British Politics and Policy With international attention focused on halving poverty by 2015 the appearance of The International Handbook of Gender and Poverty is both timely and essential Sylvia Chant is to be congratulated for producing a state of the art compendium of everything you need to know about the often hidden gendered dimensions of poverty Edited and written by leading scholars and policy advisers the Handbook comprehensively covers the key themes that are vital to understanding poverty as a gendered process combining policy

lessons with theoretical insight Richly illustrated with examples from across the world this book will not only be welcomed by all those dedicated to the study of poverty but by casting new light on its causes will also help to develop appropriate measures to tackle it Professor Maxine Molyneux Institute for the Study of the Americas University of London UK While each of the articles in this impressive collection makes an original contribution to the conceptual empirical and policy analysis of gender and poverty together they provide a comprehensive overview of the field and an essential resource for all sections of the development community Professor Sylvia Chant is to be congratulated for bringing together some of the leading thinkers in the field from across the world This is not only an unprecedented feat of international co operation but feminist collaboration at its best Professor Naila Kabeer Institute of Development Studies University of Sussex UK These diverse thoughtful essays go far beyond a mere summary of international scholarship They outline a fascinating and provocative agenda for future policy relevant research This book will help redefine and revitalise the field of gender and development Professor Nancy Folbre Department of Economics University of Massachusetts Amherst USA In the interests of contextualising and nuancing the multiple interrelations between gender and poverty Sylvia Chant has gathered writings on diverse aspects of the subject from a range of disciplinary and professional perspectives achieving extensive thematic as well as geographical coverage This benchmark volume presents women s and men s experiences of gendered poverty with respect to a vast spectrum of intersecting issues including local to global economic transformations family age race migration assets paid and unpaid work health sexuality human rights and conflict and violence The Handbook also provides up to the minute reflections on how to theorise measure and represent the connections between gender and poverty and to contemplate how gendered poverty is affected and potentially redressed by policy and grassroots interventions An unprecedented and ambitious blend of conceptual methodological empirical and practical offerings from a host of established as well as upcoming scholars and professionals from across the globe lends the volume a distinctive and critical edge Notwithstanding the broad scope of The International Handbook of Gender and Poverty one theme in common to most of its 100 plus chapters is the need to engage gender analysis and initiatives to combat poverty and inequality at local national and international levels As such the volume will inspire its readers not only to reflect deeply on poverty and gender injustice but also to consider what to do about it This book will be essential reading for all with academic professional or personal interests in gender poverty inequality development and social political and economic change in the contemporary world

Women's Labor in the Global Economy Sharon Harley, 2007-06-05 Globalization is not a new phenomenon women throughout the world have been dealing with the circumstances and consequences of an international economy long before the advent of the transnational corporate conglomerate However in a mercenary example of the tried and true the more things change the more they stay the same women particularly those of color continue to be relegated to the lowest rung of the occupational ladder where their indispensable contributions to global market capitalism are downplayed or invalidated completely through the perpetuation of stereotypes and the denial of access to better job opportunities and resources How women of color around the world adapt and challenge the economic political and social effects of globalization is the subject of this broad minded and incisive anthology From Mexico Jamaica Ghana Zimbabwe and Sri Lanka to immigrant and non immigrant communities in the United States the women documented in these essays are agricultural and factory workers artists and entrepreneurs mothers and activists Their stories bear stark witness to how globalization continues to develop new sites and forms of exploitation while its apparent victims continue to be women men and children of color

Experiencing Disability Stigma in Ghana Magnus Mfoafo-M'Carthy, Jeff Grischow, Festus Moasun, 2024-01-08 Experiencing Disability Stigma in Ghana Impact on Individuals and Caregivers explores the roots of disability stigma and discrimination in Ghana as well as the social and economic impact of discrimination on individuals with disabilities and their caregivers Magnus Mfoafo M'Carthy Jeff Grischow and Festus Moasun present interviews from individuals with disabilities and caregivers faced with the burdens of caring for their loved ones The inclusion of caregivers is particularly important because very few studies have presented their voices despite the burdens they face alongside individuals in their care The interviews addressed the socio economic consequences of disability and or mental illness in Ghana for individuals and their caregivers the implications these consequences have for the practice of social work in Ghana and the public policy implications of this research This book provides new and insightful data and analysis through rich and detailed firsthand narratives of lived experiences and offers recommendations for enhanced policy and practices to reduce stigma and improve the lives and livelihoods of Ghanaians with disabilities

Women, Globalization and Fragmentation in the Developing World H. Afshar, S. Barrientos, 1999-07-05 The process of globalization has had a dramatic impact on the lives of women in developing countries in the past decade They have been increasingly drawn into insecure flexible employment working for the world market The feminisation of the labour market has increased the burdens on women and the inability of men to access full time well remunerated employment has exacerbated the process of male out migration and has left many families headed by women At the same time the reduction in state services and welfare has increased the burdens placed on women Nevertheless the consequences of globalization have been different for different women in different places In some circumstances it has created opportunities for greater empowerment whilst in others it has stimulated a reaction and

increased the subordination of women This book explores the experiences of women in diverse local contexts within different cultures and faiths drawing on case studies from Asia Africa and Latin America It draws out the contradictory and fragmented impact of globalization at the local level on the lives of women in the developing world **Women-Headed**

Households S. Chant,1997-01-31 Households headed by women are a growing presence worldwide This is the first book to focus on their diversity and dynamics in developing countries Set within the context of global trends and debates on female household headship and using case study material based on interviews with low income women in Mexico Costa Rica and the Philippines the analysis explores the reasons for the formation and increase in women headed households in different parts of the world and their capacity for survival in societies where male headed households are both the norm and ideal Africa

,1997 This indispensable tool provides a breadth and depth of resources for anyone interested in understanding the changing and complex reality that is Africa today To many outside the continent Africa appears to be remote and inaccessible But this doesn't have to be so The print and audiovisual resources gathered together in this directory demonstrate that there are many ways to access this huge and diverse continent **Global Debates About Taxation** Holger Nehring,Florian

Schui,2007-04-17 Current debates about taxes are dominated by references to foreign models The contributors to this book explore how ideas about taxation were transferred between and within countries from the mid eighteenth century to the present They send out a word of caution to current policymakers looking for straightforward solutions from abroad The International Monetary Fund Elisabeth P. McLellan,2002 The International Monetary Fund IMF is the institution designed to support global trade and economic growth by helping to maintain stability in the international financial system Originally created to finance short term balance of payments deficits during the Bretton Woods Era of gold dollar fixed exchange rates 1944 1971 in the current world where flexible exchange rates dominate in the industrial economics it has focused on developing countries where ever larger financial crises have erupted The book provides a basic understanding of its mission and operations and how they may have evolved A comprehensive bibliography is included with easy access by subject author and title indexes *A Dam for Africa* Stephan F. Miescher,2022-07-12 Since its construction in the early 1960s the

hydroelectric Akosombo Dam across the Volta River has exemplified the possibilities and challenges of development in Ghana Drawing upon a wealth of sources *A Dam for Africa* investigates contrasting stories about how this dam has transformed a West African nation while providing a model for other African countries The massive Akosombo Dam is the keystone of the Volta River Project that includes a large manmade lake 250 miles long the VALCO aluminum smelter new cities and towns a deep sea harbor and an electrical grid On the local level Akosombo has meant access to electricity for people in urban and industrial areas across southern Ghana For others Akosombo inflicted tremendous social and environmental costs The dam altered the ecology of the Lower Volta displaced 80 000 people in the Volta Basin and affected the livelihoods of hundreds of thousands of Ghanaians In *A Dam for Africa* Stephan Miescher explores four intersecting narratives Ghanaian debates and

aspirations about modernization in the context of decolonization and Cold War international efforts of the US aluminum industry to benefit from Akosombo through cheap electricity for their VALCO smelter local stories of upheaval and devastation in resettlement towns and a nation wide quest toward electrification and energy justice during times of economic crises droughts and climate change Development beyond Politics Thomas Yarrow, 2011-07-28 Is development the answer for positive social change or a cynical western strategy for perpetuating inequality Moving beyond an increasingly entrenched debate about the role of NGOs this book reveals the practices and social relations through which ideas of development are concretely enacted
