Administration Under The Mughuls:

Land Revenue Administration Under the Mughals, 1700-1750 Noman Ahmad Siddiqi, 1970 Economic History of India N. Jayapalan, 2008-04 For a proper understanding of India's economy as we find today with its fast development a study of its past economic conditions is necessary India's economic history spans nearly 5000 years and dates back to Indus Valley Civilisation the two prominent cities of which Mohanjodaro and Harappa were big industrial centres having trade relations with West Asia and other parts of the world Several sources provide us valuable information about the economic condition of the people of India at various stages of history From Vedic literature we get a detailed description of the economic life of the Aryans The Buddhist literature particularly Jatakas and Tripitaka give us a glimpse of the economic condition of India from 650 to 321 B C when every village was a self sufficient unit Kautilya's Arthashastra Megasthenes Indica and Vishakhadatta's Mudrarakshasa give detailed description of the economic systems of the Mauryan period The accounts of Chinese travellers Fa hien and It sing are remarkable evidences of the socio economic life in Gupta period Historians like Manucci tell us about the economic reforms undertaken during Mughal rule in India The British who carved out their empire in India in the 17th century drained India of its wealth destroyed the self sufficient character of villages increased agricultural indebtedness and gave rise to a capitalist class in India with the growth of new urban centres After the achievement of independence in 1947 started the process of nation building through economic planning With the liberalisation of Indian economy in the 1990s the country has been put on a high growth path and is making fast economic progress The book captures the salient features of India's economic history in chronological order It will fulfil the needs of students and teachers of this subject and prove immensely useful to the aspirants of Civil Services and other competitive examinations Land Revenue Administration Under The Mughals (1700-1750) Second Edition Noman Ahmad Siddiqi, 1989-01-01 Description The Mughal Empire of the great Mughals always evoked stock images of splendour and scores of authors wrote volumes on it But only a dedicated few like Dr Noman Ahmad Siddiqi took enormous pains to analyse and interpret the infrastructure of the Mughal Empire the contemporary land administration and agrarian institutions In this book Dr Siddiqi probes into the conflicting but not mutually exclusive rights and interests involved in the landholdings under the Mughals With Clarity and understanding he analyses the administrative practices of the Mughals Referring to a mass of patiently collated data Dr Siddiqi shows how the Mughal administration sought to lessen or resolve the contradictions inherent in the land revenue system The stability of the Mughal government the oriental extravaganza of power and the magnificence of the successive emperors all Dr Siddiqi holds rested on the success of agrarian administration the base of the many splendoured Mughals This well documented study delineates the decline of the Mughal opulence that came in the wake of a breakdown in the land administration The overwhelming increase in the number of jagirdars who claimed shares in the surplus produce accelerated the pace of disintegration Dr Siddiqi's treatment of the working of the institutions of the zamindari revenue assignments and revenue

free grants is characterised by the unyielding objectivity of a trained historian His exposition of the social and economic role of the zamindars and madad maash holders is a valuable contribution to our understanding of the land relationship in the Mughal Empire

The Mughal Empire John F. Richards,1993 This traces the history of the Mughal empire from its creation in 1526 to its breakup in 1720 It stresses the quality of Mughal territorial expansion their innovation in land revenue military organization and the relationship between the emperors and I

connections between the state and the local power relations The book knits together the systems and action theoretic approaches to power and presents the Mughal state as a dynamic structure in constant change and conflict The study based on hitherto unexamined local evidence highlights the extent to which the interactions between state and society helped to shape the rule structure the normative system and the moral economy of the state **The Ulama in Contemporary Islam** Muhammad Qasim Zaman,2002 From the cleric led Iranian revolution to the rise of the Taliban in Afghanistan many people have been surprised by what they see as the modern re emergence of an anti modern phenomenon This book offers a comparative perspective on traditionally educated Muslim scholars the ulama **Bankrolling Empire** Sudev Sheth,2023-11-15 By the 1660s the mighty Mughal Empire controlled the Indian subcontinent and impressed the world with its strength and opulence Yet hardly two decades would pass before fortunes would turn Mughal kings and governors losing influence to rival warlords and foreign powers How could leaders of one of the most dominant early modern polities lose their grip over empire Sudev Sheth proposes a new point of departure focusing on diverse local and hitherto unexplored evidence about a prominent financier family entrenched in bankrolling Mughal elites and their successors Analyzing how four generations of the Jhaveri family of Gujarat financed politics he offers a fresh take on the dissolution of the Mughal empire the birth of princely successor states and the nature of economic life in the days leading up to the colonial domination of India **State, Market and Society in an Emerging Economy** Quamrul Alam,Rizwan Khair,Asif M. Shahan,2023-07-26 The economic and social development that Bangladesh has achieved in the past two decades has made Bangladesh a development paradox This book tries to explain this paradox through a political economy lens The book explains the linkages between the state changing society and emerging private sector and examines whether the social transformation taking place in Bangladesh has the potential to live up to the expectations of a middle income country The early part of the book unravels the myriad relations between the state society and market to project the aspirations of a newly independent nation It analyzes how political turmoil militarization of politics politicization of institutions reforms initiatives industrial and social development policies and the power nexus influenced the nature of the political economy of Bangladesh The book goes on to examine how domestic appetite for capital and raw materials the digital revolution and the capacity of the local market to absorb expanded economic activities have created an environment that catalyzes innovation and entrepreneurship The book also explains how the country has attempted to transform from an agrarian to a manufacturing based economy with rapid growth in the ready made garment industry pisciculture pharmaceuticals and the ICT sector Bangladesh s journey from an emerging economy towards a developed country would interest those researching on development economics and those in policy making *Indian Society and the Making of the British Empire* C. A. Bayly,1987 This volume reassesses the role of Indians in the politics and economics of early colonialism Writing the Mughal World Muzaffar Alam,Sanjay Subrahmanyam,2012 Between the mid sixteenth and early nineteenth century the Mughal Empire was an Indo Islamic

dynasty that ruled as far as Bengal in the east and Kabul in the west as high as Kashmir in the north and the Kaveri basin in the south The Mughals constructed a sophisticated complex system of government that facilitated an era of profound artistic and architectural achievement They promoted the place of Persian culture in Indian society and set the groundwork for South Asia s future development In this volume two leading historians of early modern South Asia present nine major joint essays on the Mughal Empire framed by an essential introductory reflection Making creative use of materials written in Persian Indian vernacular languages and a variety of European languages their chapters accomplish the most significant innovations in Mughal historiography in decades intertwining political cultural and commercial themes while exploring diplomacy state formation history writing religious debate and political thought Muzaffar Alam and Sanjay Subrahmanyam center on confrontations between different source materials that they then reconcile enabling readers to participate in both the debate and resolution of competing claims Their introduction discusses the comparative and historiographical approach of their work and its place within the literature on Mughal rule Interdisciplinary and cutting edge this volume richly expands research on the Mughal state early modern South Asia and the comparative history of the Mughal Ottoman Safavid and other early modern empires
