

## **1.0 THE LEVEL OF ADOLESCENT PSYCHOLOGICAL DEVELOPMENT**

### **1.1 PSYCHOLOGICAL DEVELOPMENT OF TEENAGERS 10 – 13 YEARS OLD**

When viewed from the phase of adolescent development, the age of 10 to 13 years is an early phase because it has just entered the stage of puberty. Therefore, parents also need to prepare themselves because they will experience changes in mood and behavior that is different from usual.

There are some of the psychological developments in teenagers between the ages of 10 to 13 which is still showing closeness and dependence with parents, make a group with closest friends and begin to find self identity and show independence.

#### **1.1.1 EMOTIONAL DEVELOPMENT**

When the child is 10 years old, the psychological or emotional development of the teenagers will still show his dependence on the parents. However, his closeness with peers will grow stronger. In fact, the pressure from the circle of friends he feels will be greater. Likewise, with his identity in a friendship.

Even so, at this age children will still consider adults to have greater power or authority. This will make they still follow the rules and principles in the house. However, parents may need to prepare if the child begins to ask questions every rule that is enforced at home. At the same time, during the psychological or emotional development of teenagers aged to 11 to 13, they start to care about their appearance and their bodies. This usually happens because of the natural changes experienced by their body.

But if this problem is not dealt with properly, there is a possibility that it will experience certain problems. If they doesn't like their body, for example they feels their body is too fat, they could jist go on a random diet that could lead to eating disorders and weight loss. In the emotional development of teenagers in this phase, children also increasingly emphasize their identity. This can be seen through their parents clothes, the music, the movies or the books that parents read.

Being at the age of 12 to 13 years, parents also can see the psychological or emotional development of teenagers that is quite significant. This can be seen from the mood changes that are becoming more and more common. At one time this children felt that they can conquer everything, at other time they felt they messed up everything.

#### **1.1.2 SOCIAL DEVELOPMENT**

A strong friendship is proven by loyalty to a group or gang friend, so it becomes more solid. In a 10 years old child, psychological development is also marked by the competitive side he has towards friends who are not included in his group. At this age, girls will prefer to

### **Adolescent Psychological Development Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Adolescent Psychological Development has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Adolescent Psychological Development has opened up a world of possibilities. Downloading Adolescent Psychological Development provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Adolescent Psychological Development has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Adolescent Psychological Development. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Adolescent Psychological Development. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Adolescent Psychological Development, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Adolescent Psychological Development has transformed

the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
