couldn't afford to pay for a hairstylist I wanted to put some of my own life experiences in this book Like David having a speech problem I had a speech problem and I took speech therapy when I was a young boy I was made fun of I overcame that speech problem Even though I still have a hard time saying some words I can talk much better than I did The main thing I wish for all readers to know is that the best decision anyone can make is to accept Yeshua Hamashiach into their lives He is the Savior of the world and He is coming back soon So if anybody reading this book didn't know Him as their personal Messiah I hope and pray that you get to know Him on this personal level Shalom aleichem
