Are You Tired of Sowing Much and Reaping Little? Jerry Savelle, 1995-08-01 International Sunday School Evangel, 1901 The Farmer Ways of Sowing Connie M. Brown, 2014-07-30 Be like the farmers and sow for a change in your life circumstances In due season you will reap your harvest its time to grow in GRACE you have been in kindergarten for too many years God has blessed you to care for children but yet you are still acting as a child when it comes to honoring GOD Grow up and honor GOD Give and it shall be given unto you good measure press down shaken together and running over Stop Stop looking at your pastor as getting your money its a seed that you sow to honor GOD It didnt matter much where you sow your money when you didnt know any better Youve tried everything and anything that came with a convincing line telling you to sow your money into this are that and you will win more The instruction didnt come with a definite fact that you are going to win it guarantees a chance Thats man traditional way of sowing and believing Gods way for sowing is throughout the Bible GODs promises are Trust in the Lord with all your heart and lean not on your understanding God will direct your path With a path like this any person seeking for new direction cant go wrong with trusting GOD Get the rope from around your neck during slavery days people didnt have a choice when the rope was place around their neck They were tied down like cattle bound and sail to sea for some they hung from a tree Today you have a choice Farmers believe in the process of a seed sown A farmer can have only one seed plant the seed and simultaneously have faith that the one seed will reproduce after its own kind We should have faith like a farmer If we can just believe that seeds reproduce after its own kind and believe as the farmer believes our circumstances will change while going through the process Are you planting seeds
