OMG Queer Katherine E. Lynch, PhD., Radclyffe, 2012-08-01 Hope, Fear, Desire, Despair, Promises, Betrayals. Lesbian, Gay, Bisexual, Transgender, Questioning, Intersex. This anthology of short stories gives voice to the rising generation as they define what it means to grow up queer in the twenty-first century. What is it like to grow up in a society that embraces you in certain ways but discriminates against you in others? How do you choose a label from the alphabet soup, and should you even have to? By turns heartwarming and heartbreaking, comical and caustic, these stories, imagined and told by youth across America, provide a snapshot of queerness at the dawn of the new millennium. Will Valentine be able to control her thirst for blood and for vengeance? And can Valentine and Alexa's relationship endure against seemingly impossible odds?

Schwann Opus Vol. 10 Becky Barnhart, 1999-12 *Historical Dictionary of Argentina* Bernardo A. Duggan, Colin M. Lewis, 2019-04-15 Argentina celebrated a century of independence from Spain in 1910, and the republic was the tenth most important trading nation in the global economy. Although it had the promise of growth and industrial development at the time, crises, mismanagement, and unrealized potential associated with authoritarianism, populism, and military coups culminating in thousands of disappearances over a period of unparalleled state terror prevented that from happening. By 2001, Argentina announced that it would not service its foreign debt, triggering the largest default in world financial history. Since then, the country has sought to recapture the potential and promise of the past and its place in the world while escaping from what appeared to be an interminable cycle of expansion, crises, conflict, and institutional collapse. *Historical Dictionary of Argentina* contains a chronology, an introduction, appendixes, an extensive bibliography, and more than 800 cross-referenced entries on the country's important personalities and aspects of its politics, economy, foreign relations, religion, and culture. This book is an excellent resource for students, researchers, and anyone wanting to know more about Argentina.
