James Alison and a Girardian Theology John P. Edwards, 2020-05-14 Opening with a Foreword by James Alison this volume is the first in depth treatment of Alison's theological method John P Edwards shows that Alison's theological project outstrips Ren Girard's application of mimetic theory to theology He concludes that an explicitly Christian theological perspective is necessary for providing a fully coherent account of Girard's notions of conversion and mimetic desire This volume grounds Alison's theological method in his understanding of the ongoing interaction between conversion and theological reflection which is informed by his use of mimetic theory While Alison describes this method as theology in the order of the discovery the author refers to it as an inductive theology The volume closes by demonstrating that such a theology bears fruit in a renewed understanding of the value of Christian doctrines and particularly the doctrine of revelation

Your Faith, Your Life Jenifer Gamber, Bill Lewellis, 2017-11-17 Revised and updated popular resource for adults Not just a book of information but a book for transformation The everything you need to know adult guide to the Episcopal Church

The Dialectics of the Religious and the Secular, 2014-05-28 The Dialectics of the Religious and the Secular Studies on the Future of Religion contains the work of fifteen international scholars who have wrestled with the question of the relevancy meaning and future of religion within the context of the increasing antagonisms between the religious and secular realms of modern civil society and its globalization Through their chosen topics in analyzing these issues in the 20th and 21st centuries each author also indicates the possibility of mitigating if not preventing the continuation of this antagonism by historically moving toward a more reconciled and humane future global society Contributors are Branko An i Aleksandra Baranova Roland T Boer Francis Brassard Dustin Byrd Donald Devon III Neven Duvnjak Jan W R Fennema Denis R Janz Dinka Marinovi Jerolimov Gottfried K enzlen Mislav Kuko Michael R Ott Rudolf J Siebert and Ivica Sokol

Out of the Cocoon John William Kuckuk, 2012-03 An attempt at a new story of our emergence from the violence of the ancient cities Those cities spun the cocoon in which our civilization matured The human self is like a butterfly emerging from its cocoon In this study author and religious scholar John William Kuckuk traces the path of human evolution and what it means for the world today He examines the advantages our ancestors had that helped them survive considering how the brain developed From Greek and biblical beginnings the human self grew more self conscious as Europe developed Through the Renaissance the late Middle Ages the Reformation and the Enlightenment our culture developed a new appreciation of the human self He also relates how philosophy media and religion steered the course of Western history and how culture continues to evolve The complex dynamics among species peoples and schools of thought have led to violence misunderstandings and the repression of the human spirit As humanity continues to evolve we can work toward a better future by understanding our past

Divine Scripture in Human Understanding Joseph K. Gordon, 2019-03-15 In six closely reasoned chapters Joseph Gordon presents a detailed account of a Christian doctrine of Scripture in the fullest context of systematic theology Divine Scripture in Human Understanding addresses the confusing plurality of contemporary approaches to Christian Scripture both within and outside the academy by articulating a traditionally grounded constructive systematic theology of Christian Scripture Utilizing primarily the methodological resources of Bernard Lonergan and traditional Christian doctrines of Scripture recovered by Henri de Lubac it draws upon achievements in historical critical study of Scripture studies of the material history of Christian Scripture reflection on philosophical hermeneutics and

philosophical and theological anthropology and other resources to articulate a unified but open horizon for understanding Christian Scripture today Following an overview of the contemporary situation of Christian Scripture Joseph Gordon identifies intellectual precedents for the work in the writings of Irenaeus Origen and Augustine who all locate Scripture in the economic work of the God to whom it bears witness by interpreting it through the Rule of Faith Subsequent chapters draw on Scripture itself classical sources such as Irenaeus Origen Augustine and Aquinas the fruit of recent studies on the history of Scripture and the work of recent scholars and theologians to provide a contemporary Christian articulation of the divine and human locations of Christian Scripture and the material history and intelligibility and purpose of Scripture in those locations The resulting constructive position can serve as a heuristic for affirming the achievements of traditional historical critical and contextual readings of Scripture and provides a basis for addressing issues relatively underemphasized by those respective approaches

Receptions of Newman Frederick D. Aquino, Benjamin J. King, 2015-09-03 Over the past two centuries few Christians have been more influential than John Henry Newman His leadership of the Oxford Movement shaped the worldwide Anglican Communion and many Roman Catholics hold him as the brains behind reforms of the Second Vatican Council His life story has been an inspiration for generations and many commemorated him as a saint even before he officially became the Blessed John Henry Newman in 2010 His writings on theology philosophy education and history continue to be essential texts Nonetheless such a prominent thinker and powerful personality also had detractors In this volume scholars from across the disciplines of theology philosophy education and history examine the different ways in which Newman has been interpreted Some of the essays attempt to rescue Newman from his opponents then and now Others seek to save him from his rescuers clearing away misinterpretations so that Newman's works may be encountered afresh The 11 essays in *Receptions of Newman* show why Newman's ideas about religion were so important in the past and continue to inform the present

Meynell, 1991-02-01 This is an introduction to the philosophy of a Christian thinker of the 20th century The author pursues his thesis through mathematics empirical science common sense depth psychology and social theory into metaphysics ethics and natural theology

International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally spirituality has resided and been contained within religious frameworks but while the links between the two areas are still acknowledged by many in the contemporary world spirituality is perceived by some as an aspect of human life that is distinct from religion Consequently many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion One outcome is the renewed interest in the religious spiritual and moral dimensions of education throughout the life cycle This *International Handbook* presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education

The result is a collection of essays which reflects the discipline in all of its internationality as it is today Embedded within the chapters is also an agenda for the future where the religious moral and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society As well it offers a vision for the emergence of a peaceful and just world

Tu fe, tu vida Jenifer Gamber, Bill Lewellis, 2022-11-15 The everything you need to know adult guide to the Episcopal Church now in Spanish This updated and revised translated edition incorporates new initiatives and changes in the Episcopal Church including marriage inclusion of LGBTQ persons Presiding Bishop Michael Curry's call to join the Jesus Movement and taking our faith out into the world A Leader Guide is included in this revised edition in addition to the questions that follow each chapter Easy to read but with substance for newcomers adult formation groups and lifelong Episcopalians this book is for all who desire to know more about the Episcopal Church

Conversion as Transformation Dominic Arcamone, 2020-01-29 The process of human transformation is complex and ongoing This book presents a framework for understanding human transformation through the insights of Bernard Lonergan The reader will be introduced to terms such as the turn to the subject consciousness subjectivity and intersubjectivity It will explore terms such as horizon feelings values self esteem sublation conversion dialectic and religious experience The book explores transformation through the way mentors have authored their own lives told their own stories and taken possession of their interiority Transformation is illustrated through the lives of saints and ordinary men and women who did extraordinary things such as St Augustine Dag Hammarskjold Vaclav Havel Franz Jaggerstatter St Therese of Lisieux Fredrich Nietzsche Katherine Ann Power and Marie Cardinal Transformation is also illustrated through the medium of cinema Babette's Feast The Mission As It is in Heaven Romero Dead Poets Society Ordinary People The Godfather trilogy Three Color trilogy The Lord of the Rings trilogy Dial M for Murder and Twelve Angry Men While the book treats religious moral affective intellectual and psychic conversion as moments of transformation it argues that ecological conversion requires all of these so as to meet the most serious moral challenge of our time

Transforming Conflict through Insight Kenneth R Melchin, Cheryl A. Picard, 2009-06-05 Examining the difficulties of conflict resolution Transforming Conflict through Insight demonstrates how applying Bernard Lonergan's philosophy of insight to mediation can lead to more productive and constructive negotiations Kenneth R Melchin and Cheryl A Picard provide both an overview of conflict research and an introduction to Lonergan's insight theory offering an outstanding piece of ethical philosophy and a useful method of mediation Introducing readers to a method of self discovery the different kinds of operations involved in learning and the role of feelings and values in shaping interactions with others in conflict this volume also includes the practical experience of mediators who detail strategies of insight mediation for working creatively through conflict Attending to the important role played by transformative learning in navigating conflicts the authors show how insights and learning can move people past obstacles caused by feelings of threat Informative compassionate and convincing Transforming Conflict through Insight is a welcome resource for working to

resolve difficulties in an ethical and educational manner St. Thomas Aquinas and the Natural Law Tradition John Goyette, Mark S. Latkovic, Richard S. Myers, 2004-09 Papers from a conference held in June 2000 in Michigan Insight, Volume 3 Bernard Lonergan, 1992-04-06 Insight is Bernard Lonergan's masterwork. Its aim is nothing less than insight into insight itself: a comprehensive view of knowledge and understanding and to state what one needs to understand and how one proceeds to understand it. In Lonergan's own words: Thoroughly understand what it is to understand and not only will you understand the broad lines of all there is to be understood but also you will possess a fixed base and invariant pattern opening upon all further developments of understanding. The editors of the Collected Works of Bernard Lonergan have established the definitive text for Insight after examining all the variant forms in Lonergan's manuscripts and papers. The volume includes introductory material and annotation to enable the reader to appreciate more fully this challenging work.

Il capitalismo dal volto cristiano. La proposta di Michael Novak Faustino Parisi, 2006 The New Interpreter's Study Bible Walter J. Harrelson, 2003 In a new study Bible based on The New Revised Standard Version with Apocrypha 60 scholars provide background and insight on the biblical text in a book that features extensive historical and theological annotations, brief introductions and outlines for each biblical book, 19 newly commissioned historical maps and more.

Theology from the Great Tradition Steven D. Cone, 2018-02-22 This textbook provides complete and comprehensive coverage of the theological tradition of Aquinas, Maximus, Luther, Irenaeus, Lonergan, von Balthasar, Schmemmann, Meyendorff, and Barth. Each section of this textbook explores a wide variety of questions: who are we? Is there a God and if so what is his nature? Who is Jesus? What does it mean that we live both in sin and righteousness? It consists of 15 modules that are comprised of 46 chapters. Each module has two parts: there are systematic chapters that discuss and explain each module's topic, and the final chapter of each module examines 4 to 6 primary sources that are important for each topic. This textbook includes an extensive range of pedagogical features: Sample tests in which each objective question has been quality tested by classroom use with a discrimination index; A discussion guide for each chapter; Learning objectives linked to each chapter; The text includes bold-faced terms, boxed text sections that identify central figures and points of debate, study questions, chapter summaries, glossary.
