African Ambit:

African Ambit Reginald Dickenson, 1995

Eastern and Southern Africa Debby Potts, T.A.S.

Bowyer-Bower, 2016-02-04 A unique and comprehensive introduction to contemporary development issues in East and Southern Africa and represents a significant departure from the often descriptive approach adopted by existing regional and development texts on African regions Each contribution is carefully chosen to highlight the theoretical basis to development issues and the practical problems of implementing development plans in this vital subregion Overall this produces comprehensive and balanced coverage of historical economic political and social issues The twin issues of globalisation and modernisation give the book a clear focus

The African Regional Human Rights System Manisuli

Ssenyonjo, 2011-12-23 The African human rights system has undergone some remarkable developments since the adoption of the African Charter on Human and Peoples Rights the cornerstone of the African human rights system in June 1981 The year 2011 marked the 30th anniversary of the adoption of the African Charter It also marked 25 years since the African Charter entered into force on 21 October 1986 This book aims to provide reflections on most of the major human rights issues in the past 30 years of the African human rights system in practice and discussion on the future the African Charter's impact and contribution to the respect protection and promotion of human rights in Africa the contemporary challenges faced by the African Human rights system in responding adequately to the demands of rapidly evolving African societies and how the African human rights system can be strengthened in the future to ensure that the human rights protected in the African Charter as developed in the jurisprudence of the African Commission since the Commission was inaugurated in 1987 are realised in practice The chapters in this volume bring together the work of 20 human rights scholars and practitioners with expertise in human rights in Africa under the following general themes rights and duties in the African Charter rights of the vulnerable under the African system implementation mechanisms for human rights in Africa and towards an effective African regional human rights system

Crossroads in the Black Aegean Barbara Goff, Michael Simpson, 2007-11-15 Crossroads in the Black Aegean is a compendious timely and fascinating study of African rewritings of Greek tragedy It consists of detailed readings of six dramas and one epic poem from different locations across the African diaspora Barbara Goff and Michael Simpson ask why the plays of Sophocles Theban Cycle figure so prominently among the tragedies adapted by dramatists of African descent and how plays that dilate on the power of the past in the inexorable curse of Oedipus and the regressive obsession of Antigone can articulate the postcolonial moment Capitalizing on classical reception studies postcolonial studies and comparative literature Crossroads in the Black Aegean co-ordinates theory and theatre It crucially investigates how the plays engage with the Western canon and shows how they use their self-consciously literary status to assert, ironize and challenge their own place and that of the Greek originals in relation to that tradition Beyond these oedipal reflexes the adaptations offer alternative African models of cultural transmission

Africa Leonard Sydney Suggate, 1929

International Security and the United States Paul Bellamy, Karl DeRouen Jr., 2007-12-30 Shaped by often very dramatic events international security and the international system have changed significantly in recent years The conclusion of the Cold War the emergence of new political systems the growth of significant threats such as terrorism and the development of new security doctrines have driven global transformation These volumes provide detailed information on countries from every geographic region and continent on the globe evaluating their relationship with the United States and measuring the potential security threats posed by each The contributors consider factors such as geography and history the political systems of each state their human rights records the ability to maintain law and order and provide security within their own borders the impact of current administrations rulers or regimes on a nation s foreign policy and the regional factors that often dictate local politics in order to make their assessments All of the entries in this set follow a standardized outline and present a concise but detailed assessment of each country Each entry begins with a discussion of geography through which the contributors identify the state s natural resources environmental issues and the extent of its territorial jurisdiction The focus then shifts to social and political organizations Populations are broken down by not only numbers but by ethnic and religious affiliations access to health care education housing and income All of those aspects are often a reflection of the system of government in place Like the United States those governments are comprised of different parties or leaders with various interests The contributors assess those entities and interests within each country They measure the ways in which factors of religion nationalism and globalism impact and shape not only domestic policies but also foreign policy and ultimately the country s relationship to the United States Other areas such as military organizations and activities records on human rights and justice recognition of and adherence to international conventions and national attitudes towards security are also considered Every entry also includes an assessment of current and potential security issues and an analysis of current terrorist threats that may already be in place or that are beginning to develop in various nations Each entry concludes with a summary of current relationships with the United States Those relationships are defined by the identification and brief analysis of formal trade aid or military treaties in place between the United States and other nations the general attitude of a nation s citizenry and its government towards the U S and finally identifying any social and cultural links between nations and the U S migration patterns language economies Finally possible changes and trends that will impact security issues are identified by the contributors Taken in their entirety these encyclopedias contain a wealth of information in a concise format that will serve as a valuable reference guide not only for specialists but general readers as well

The Method and Principles of Complementary Reflection in and Beyond African Philosophy Innocent Asouzu, 2005 Questions relating to types of philosophical trends within African philosophy can be very decisive for any idea of African philosophy In this strikingly novel approach to African Philosophy the author explores a complementary philosophical trend that goes back to those he calls anonymous traditional African philosophers Based on their thoughts he articulates a

distinctive variant of the principles method and imperative of complementarity. He anchors his reflection on such ambient concepts as the joy of being, jide k iji fragmentation, wholeness and future reference. *Handbook of Theological Education in World Christianity* Dietrich Werner, David Esterline, Namsoon Kang, Joshva Raja, 2010-11-19. The *Handbook of Theological Education in World Christianity* is the first attempt to map and analyze developments in theological education on a global scale. This volume with contributions from 98 leaders in theological education from around the world provides a comprehensive introduction to the major themes and contexts in the international discourse on theological education, surveys of the issues and challenges faced in different regions and introductory essays on the developments in the major denominational families in World Christianity. The editors are Dietrich Werner, World Council of Churches, Geneva; David Esterline, McCormick Theological Seminary, Chicago; Namsoon Kang, Brite Divinity School, Fort Worth; and Joshva Raja, Queen's Foundation, Birmingham.

Political Correctness Geoffrey Hughes, 2011-09-13. *Political Correctness* Geoffrey Hughes has brought together with great panache the very many manifestations of political correctness, both absurd and vicious, and shown how they express a single collective mind set. His book establishes beyond doubt that there is such a phenomenon that it has become dominant in our culture and that it represents a growing tendency to censor public debate and to prevent people from questioning orthodoxies which we all know to be false. Roger Scruton, American Enterprise Institute. What a joy this book is! Hughes' study traces with unflagging zest the modern history of PC. Sumptuous in data, in judgment precise, this is the latest and fullest of Hughes' series on the social history of language. Walter Nash, Professor Emeritus, University of Nottingham. *Political Correctness* is now an everyday phrase and part of the modern mindset. Everyone thinks they know what it means, but its own meaning constantly shifts. Its surprising origins have led to it becoming integrated into contemporary culture in ways that are both idealistic and ridiculous. Originally grounded in respect for difference and sensitivity to suffering, it has often become a distraction and even a silencer of genuine issues, provoking satire and parody. In this carefully researched, thought-provoking book, Geoffrey Hughes examines the trajectory of political correctness and its impact on public life. Exploring the origins, progress, content and style of PC, Hughes' journey leads us through authors as diverse as Chaucer, Shakespeare and Swift, Philip Larkin, David Mamet and J. M. Coetzee, from nursery rhymes to Spike Lee films. Focusing on the historical, semantic and cultural aspects of political correctness, this outstanding and unique work will intrigue anyone interested in this ongoing debate.

Billboard, 1998-01-10. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand. Content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Routledge Handbook of Conflict Response and Leadership in Africa Alpaslan Özerdem, Sinem Akgül-Açıkmeşe, Ian Liebenberg, 2021-09-14. This handbook explores the challenges and opportunities for leadership and conflict response in the context of Africa at several levels.

Leadership plays a vital role in affecting conflict response but is frequently only examined at the macro level of state government and international organizations This handbook addresses the need to explore challenges and opportunities for leadership at several levels macro global regional national meso NGOs religious groups academics and micro civil society organizations youth groups women s organizations Analysis from multiple levels provides a broader explanation of conflict dynamics and helps to fit localized conflict transformation approaches into wider national or regional structures The multidisciplinary essays presented in this volume encompass the psychological political and structural dimensions of conflict response and demonstrate how its success is fundamentally linked to the style of effectiveness of leadership among other factors The volume is divided into four thematic sections Part I The theory and dynamics of conflict response and leadership Part II Macro level leadership experiences in conflict response Part III Meso micro level leadership experiences in conflict response Part IV Recommendations for improved leadership in conflict response This book will be of much interest to students of conflict resolution peace studies African politics security studies and international relations in general

The African Union (AU) Konstantinos D. Magliveras, Gino J. Naldi, 2024-01-18 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the structure competence and management of the African Union AU provides substantial and readily accessible information for lawyers academics and policymakers likely to have dealings with its activities and data No other book gives such a clear uncomplicated description of the organization s role its rules and how they are applied its place in the framework of international law or its relations with other organizations The monograph proceeds logically from the organization s genesis and historical development to the structure of its membership its various organs and their mandates its role in intergovernmental cooperation and its interaction with decisions taken at the national level Its competence its financial management and the nature and applicability of its data and publications are fully described Systematic in presentation this valuable time saving resource offers the quickest easiest way to acquire a sound understanding of the workings of the African Union AU for all interested parties Students and teachers of international law will find it especially valuable as an essential component of the rapidly growing and changing global legal milieu

Industrial Relations in South Africa Sonia Bendix, 1989 This edition of Industrial relations in South Africa includes new sections on termination transfers affirmative action conflict handling and joint problem solving

The Challenge of Apartheid: UK-South African Relations, 1985-1986 Patrick Salmon, 2016-11-25 The crisis of apartheid that began in 1984 provoked international outrage on an unprecedented scale and this volume documents the attempt by the British Government to formulate a response

The Protection of Human Rights in African Criminal Proceedings M. Cherif Bassiouni, Ziyad Motala, 2023-11-27 This book contains a collection of articles by authors from countries in Africa The topics cover a wide range of issues in the administration of criminal justice and human rights The different scholarly contributions facilitate a better understanding of certain aspects of the administration of criminal justice in the African sub region and

focus on specific human rights issues as they relate to international and African instruments on the protection of human rights

Access to work for disabled persons in South Africa: A rights critique Meryl Candice du Plessis, 2017-06-22

Assumptions of inability and the perceived costs of employing disabled persons are two of the primary reasons why it has been impossible or difficult for many capable disabled persons to access work and to continue working. This book considers the South African legal framework that seeks to promote such access and critiques it with particular reference to the intersections of the rights to equality and access to social security. One of the primary arguments is the need for a more active conception of social security in which access to work for disabled persons is recognised as an integral component of promoting both social security and substantive equality.

African Disability Rights Yearbook Volume 3 2015 Charles Ngwena, Ilze Grobbelaar-du Plessis, Helene Combrinck, Serges Djouyou Kamga, 2015-01-01

African Disability Rights Yearbook Volume 3 2015 Edited by Charles Ngwena, Ilze Grobbelaar du Plessis, Helene Combrinck and Serges Djouyou Kamga 2015 ISSN 2311 8970 Pages 337 Print version Available Electronic version Free PDF available

About the publication: The 2014 issue of the African Disability Rights Yearbook addresses disability rights within the foundational structure laid down by the inaugural issue. The structure comprises a tripartite division between articles, country reports and shorter commentaries on recent regional and sub-regional developments. The African Disability Rights Yearbook aims to advance disability scholarship. Coming in the wake of the United Nations Convention on the Rights of Persons with Disabilities, it is the first peer-reviewed journal to focus exclusively on disability as human rights on the African continent. It provides an annual forum for scholarly analysis on issues pertaining to the human rights of persons with disabilities. It is also a source for country-based reports as well as commentaries on recent developments in the field of disability rights in the African region. The African Disability Rights Yearbook publishes peer-reviewed contributions dealing with the rights of persons with disabilities and related topics with specific relevance to Africa. Africans and scholars of Africa. The Yearbook appears annually under the aegis of the Centre for Human Rights, Faculty of Law, University of Pretoria. The Yearbook is an open access online publication. See www.adry.up.ac.za

About the editors: Charles Ngwena is Professor, Department of Constitutional Law and Legal Philosophy, Faculty of Law, University of the Free State, South Africa. Ilze Grobbelaar du Plessis is a senior lecturer and holds the degrees BLuris LLB LLM LLD from the University of Pretoria. Helene Combrinck is Associate Professor at the Centre for Disability Law and Policy, University of the Western Cape. Serges Djouyou Kamga is Senior Lecturer at TMALI, UNISA.
