

THE AENEID

VIRGIL
TRANSLATED BY JOHN DRYDEN

Aeneid Translated By John Dryden

Arvid Løsnes

Aeneid Translated By John Dryden:

Virgil's Aeneid; Translated by John Dryden Virgil, 1909 **The Aeneid** Virgil, 1997 This poem is the story of the hero Aeneas as he flees from Troy and after many ordeals and suffering carves out a foothold for the future Romans in Italy While defining and celebrating what it meant to be Roman it confronts with a bleak pathos the tragedy involved in the destiny of Rome The Aeneid ; Translated by John Dryden. -- Virgil, John Dryden, 1968 **The Aeneid** Virgil, 1965 *John Dryden - The Aeneid by Virgil* John Dryden, 2016-12-09 John Dryden was born on August 9th 1631 in the village rectory of Aldwincle near Thrapston in Northamptonshire As a boy Dryden lived in the nearby village of Titchmarsh Northamptonshire In 1644 he was sent to Westminster School as a King's Scholar Dryden obtained his BA in 1654 graduating top of the list for Trinity College Cambridge that year Returning to London during The Protectorate Dryden now obtained work with Cromwell's Secretary of State John Thurloe At Cromwell's funeral on 23 November 1658 Dryden was in the company of the Puritan poets John Milton and Andrew Marvell The setting was to be a sea change in English history From Republic to Monarchy and from one set of lauded poets to what would soon become the Age of Dryden The start began later that year when Dryden published the first of his great poems Heroic Stanzas 1658 a eulogy on Cromwell's death With the Restoration of the Monarchy in 1660 Dryden celebrated in verse with *Astraea Redux* an authentic royalist panegyric With the re opening of the theatres after the Puritan ban Dryden began to also write plays His first play *The Wild Gallant* appeared in 1663 but was not successful From 1668 on he was contracted to produce three plays a year for the King's Company in which he became a shareholder During the 1660s and 70s theatrical writing was his main source of income In 1667 he published *Annus Mirabilis* a lengthy historical poem which described the English defeat of the Dutch naval fleet and the Great Fire of London in 1666 It established him as the pre eminent poet of his generation and was crucial in his attaining the posts of Poet Laureate 1668 and then historiographer royal 1670 This was truly the Age of Dryden he was the foremost English Literary figure in Poetry Plays translations and other forms In 1694 he began work on what would be his most ambitious and defining work as translator *The Works of Virgil* 1697 which was published by subscription It was a national event John Dryden died on May 12th 1700 and was initially buried in St Anne's cemetery in Soho before being exhumed and reburied in Westminster Abbey ten days later *The Aeneid* Virgil, 1944 Virgil's Aeneid Virgil, 1887 **Virgil's Aeneid ; And, Fourth ("messianic") Eclogue** Virgil, 1989 It seems to be a fact of literary history that Vergil's great Roman epic the Aeneid 29 19 B C is the most popular work of the imagination in the history of Western civilization in the sense that it has probably been read by more people than have read any other literary work in the past two thousand years Naturally it has often been translated but the most prestigious translation remains that by John Dryden 1697 which itself ranks as the third most popular translation in English literature behind only the King James Bible and Pope's Iliad Dryden's work is also the only long poem of merit in English literature between Milton and Pope Yet it is almost impossible to find an annotated translation of the Aeneid that is a

translation with the kind of introductory and explanatory material that would enable readers to understand and appreciate Vergil's achievement. Similarly, Dryden's translation has not been as available as it deserves. To meet these needs, Howard Clarke offers Vergil's story in Dryden's version with the kind of information that would make the experience of reading these two classics both convenient and informative. A small bonus has been the addition of Vergil's Fourth or Messianic Eclogue, the brief poem that predicted the birth of a wonderful child and thereby made Vergil seem something more than just a pagan poet. Since Dryden's translation was a product of its time, the late seventeenth century, when the conventions of translation were much looser than they are now, his work has sometimes been criticized for its liberties and inaccuracies. Both the Introduction and the Notes to this edition take account of these complaints and single out those passages where Dryden has significantly deviated from Vergil's original. Also, Dryden's spelling and punctuation have been modernized to facilitate reading.

The Aeneid Virgil, 2019-05-20. This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve, and recreate the original content, we have worked towards:

1. Type setting, Reformatting: The complete work has been re-designed via professional layout, formatting, and type setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a fresh and newly reprinted and/or revised edition, as opposed to other scanned, printed, Optical Character Recognition (OCR) reproductions.
2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content, pages, and/or other related subject matters upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections, which could not be rectified due to intentional/unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct relevant to the work. We believe that this work holds historical, cultural, and/or intellectual importance in the literary works community; therefore, despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content.

HAPPY READING

Dryden's Aeneid Taylor, Corse, 1991. This book demonstrates how Dryden made Virgil's Aeneid available in an English idiom that would reflect and appeal to English tastes and values over a long period of time.
