New Perspectives on English Historical Linguistics Christian J. Kay,Simon Horobin,Jeremy J. Smith,2004-06-24 This is the first of two volumes of papers selected from those given at the 12th International Conference on English Historical Linguistics The second is New Perspectives on English Historical Linguistics 2 Lexis and Transmission

Together the volumes provide an overview of many of the issues that are currently engaging practitioners in the field. In this volume the primary concern is with the historical grammar of English. Some papers take a broad overview of the subject positioning it within current advances in linguistic theory while others deal with specific points of syntax and morphology in a historical context. There is a recurrent emphasis on data collection and analysis with a chronological range from Old to Present Day English and a geographical spread from Scotland to Newfoundland. Contributions from scholars around the world remind us that not only English itself but the history of English is now an international possession.

The Legal Language of Scottish Burghs Joanna Kopaczyk, 2013-09-12 The first monograph to examine textual standardization patterns in legal and administrative texts on the basis of lexical bundles drawing from a comprehensive corpus of medieval and early modern legal texts.

Germanic Standardizations Ana Deumert, Wim Vandenbussche, 2003-01-01 This volume presents a comparative socio-historical study of the Germanic standard languages Afrikaans Danish Dutch English Faroese Frisian German Icelandic Low German Luxemburgish Norwegian Scots Swedish Yiddish as well as the Caribbean and Pacific Creole languages. Each of the 16 original chapters systematically discusses central aspects of the standardization process including dialect selection codification elaboration and diffusion of the standard norm across the speech community as well as incipient processes of de-standardization and re-standardization. The strongly comparative orientation of the contributions allow for the identification of broad similarities as well as intriguing differences across a wide range of historically and socially diverse language histories. Two chapters by the editors provide an overview of the theoretical background and rationale of comparative standardization research and outline directions for further research in the area. The volume will be of interest to language historians as well as sociolinguists in general.
