And God Changed His Mind:

And God Changed His Mind Brother Andrew, Susan DeVore Williams, Andrew Williams, 1990 Can prayer really change God's mind This is the question Brother Andrew explores in this thought provoking look at a different kind of prayer Using illustrations from Scripture and from his own ministry to the suffering Church Andrew shows convincingly that God has indeed changed His mind on numerous occasions solely because of the prayers of His people Come join the ranks of those who have changed the world through prayer *And God Changed His Mind* Brother Andrew, Susan DeVore Williams, 1999 Best selling author Brother Andrew explores the question of changing God's mind and eliminating fatalism from our prayers

Does God Know the Future? , The Widening of God's Mercy Christopher B. Hays, Richard B. Hays, 2024-09-10 A fresh deeply biblical account of God's expanding grace and mercy tracing how the Bible's narrative points to the full inclusion of LGBTQ people in Christian communities Discussions of the Bible and human sexuality often focus on a scattered handful of specific passages But arguments about this same set of verses have reached an impasse two leading biblical scholars believe these debates are missing the forest for the trees In this learned and beautifully written book Richard and Christopher Hays explore a more expansive way of listening to the overarching story that scripture tells They remind us of a dynamic and gracious God who is willing to change his mind consistently broadening his grace to include more and more people Those who were once outsiders find themselves surprisingly embraced within the people of God while those who sought to enforce exclusive boundaries are challenged to rethink their understanding of God's ways The authors a father and son point out ongoing conversations within the Bible in which traditional rules customs and theologies are rethought They argue that God has already gone on ahead of our debates and expanded his grace to people of different sexualities If the Bible shows us a God who changes his mind they say perhaps today's Christians should do the same The book begins with the authors personal experiences of controversies over sexuality and closes with Richard Hays's epilogue reflecting on his own change of heart and mind

Evangelical Bible Doctrine Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come **God Behaving Badly** David T. Lamb, 2022-01-04 God has a bad reputation

Many think of God as wrathful and angry smiting people for no apparent reason But the story is more complicated than that Without minimizing the sometimes harsh realities of the biblical record David Lamb unpacks the complexity of the Old Testament and assembles an overall picture that gives coherence to our understanding of God in both Old and New Testaments **The Biblical Teaching About God** , *Middle Knowledge* John D. Laing,2019-03-21 Most Christians believe God is in control but they are unsure of how to reconcile that control with their struggles with sin the command to evangelize and the immense suffering in the world and their own lives Laing offers an introduction to the doctrine of providence based on the theory of middle knowledge first articulated in the sixteenth century This view describes how creatures have true free will and God has perfect knowledge of what each creature could and would do in any circumstance Middle knowledge helps answer the most perplexing theological questions predestination and salvation the existence of evil divine and human authorship of Scripture and science and the Christian faith Laing provides extensive biblical support as well as practical applications for this theology **Wiersbe Bible Commentary 2 Vol Set** Warren W. Wiersbe,2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God s Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God s Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible *Divine Violence and the Character of God* Claude F. Mariottini,2022-02-01 There is much violence in the Old Testament both human and divine Christians and non Christians react differently to what they read about the God of the Old Testament Some people are so affected by the violence found in the Old Testament that they give up on God stop going to church and reading the Bible and eventually lose their faith Others are offended by divine violence and seek to find an alternative explanation for the violent acts of God in the Old Testament A popular alternative in the twenty first century is to return to the second century and adopt some form of Marcionism and make the God of the Old Testament to be a different God from the God revealed by Christ in the New Testament The purpose of this book is not a defense of God and his use of violence The author seeks to understand why God acted the way he did and to understand the reason for divine violence in the Old Testament Yahweh did use violence in his work of reconciliation However the use of violence was necessary when everything else failed Israel provoked God to anger When God brought judgment upon his people he did so with tears in his eyes *Miracles, Touched by God* Rev Jack L Duis,Jack Duis,2007 My prayer is that my readers will take heed of what the Holy Spirit is doing today Do not limit the Living God to the minute things of life but through the Holy Spirit dare to trust God for anything and know He will do it The recreation of an eye internal organs or any part of the human body these miracles do not surprise me in any way It would surprise me if they didn

t happen This knowing is the prime factor that keeps me in constant contact with God Being in tune with the Holy Spirit and doing the will of God is my priority Remember this God is no respecter of persons What He has done for others He can do for you and will Just use your faith Have faith in God expect God to give you the miracle that you need and it will happen
