Correspondance Rousseau Volume 17

Haydn Mason

Correspondance Rousseau Volume 17:

Tradition and Revolt Robert Nisbet, 2018-04-27 This classic volume deals with a crucial contemporary social issue the conflict between traditionalism and modernism Nisbet considers such subjects as power community culture and the university He deals directly with the values of authority tradition hierarchy and community on the one hand and individualism secularism and revolt on the other Nisbet's underlying argument is that there is a close historical relationship between the distribution of power in democratic society and the displacement of social class kinship neighborhood and the church The book challenges concerned Americans to understand and address the basic conflicts confronting contemporary society In his introduction Robert G Perrin shows how the chapters in this volume reflect Nisbet's sociological vision exemplified throughout his career Perrin notes that when these writings first appeared they stimulated and informed debate on a broad range of topics such as value conflict leadership community sociology social class technology and the university They also foreshadowed works yet to come in Nisbet's long and distinguished intellectual journey Originally published in 1968 Tradition and Revolt was greeted with thoughtful reviews in leading sociology journals Writing in the American Journal of Sociology Joseph R Gusfield called it so welcome a publication one containing remarkable contributions to the analysis of modern society Nisbet's vision of Western social life as shaped by the struggle between the dialectically opposed values of tradition and modernity illuminates contemporary issues Tradition and Revolt will be of particular value to sociologists cultural historians and political theorists Robert A Nisbet 1913-1996 was Albert Schweitzer Professor Emeritus of the Humanities at Columbia University and before that dean of the School of Humanities at the University of California at Riverside Among his many books are History of the Idea of Progress The Sociological Tradition The Degradation of the Academic Dogma and Teachers and Scholars all available from Transaction Robert G Perrin is professor of sociology and director of graduate studies at the University of Tennessee

Waging War and Making Peace Matthew D'Auria, Rolf Petri, Jan Vermeiren, 2024-12-02 The history of Europe is marked not only by violence and division but also by efforts to reduce the destructiveness of war In this volume the authors explore the meaning of Europe within war and peace discourses from the eighteenth to the twentieth centuries They examine imagined wars the post 1815 security order the portrayal of Russian and Muslim Others double standards in international law pacifist rhetoric and the role of Europe in war propaganda and resistance movements The authors demonstrate how both war and peace practices have shaped the concept of Europe over time

French Writers and their Society 1715-1800 Haydn Mason, 1982-06-18

A Wicked Company Philipp Blom, 2011-02-11 The acclaimed author of The Vertigo Years tells the remarkable story of the Parisian salon that brought together the greatest minds of the 18th century Rousseau Hume Diderot Voltaire Benjamin Franklin and changed the world forever The Paris salon of Paul Henri Thiry Baron d'Holbach where friendship and radical philosophy flourished throughout the 1760s stands as a seminal event in Western history Over wine soaked dinner parties the finest minds of the Western

world matched wits and scandalized one another with their radical ideas Holbach's house became an epicenter of free thinking a place like no other in repressive eighteenth century Europe frequented by men and women united by their love of intellectual freedom their contempt for the conventional and often the danger of persecution It was a moment of astonishing radicalism in European thought so uncompromising and bold that its vision has still not been fully realized In *A Wicked Company* acclaimed historian Philipp Blom describes the fortunes of this group of friends writers of genius all full of wit and courage but also personal contradictions doubts conflicts of conscience and their fair share of arguments and love affairs Their bracing liberating humanist vision bursts free of the page in Blom's telling and their analysis of our culture remains as valid as it was then A startlingly relevant work of narrative history *Wicked Company* forces us to confront with new eyes modern debates about our society and its future

Rousseau's Dialogues James Fleming Jones, 1991 **Jean-Jacques Rousseau: Human nature and history** John T. Scott, 2006 Bringing together critical assessments of the broad range of Rousseau's thought with a particular emphasis on his political theory this systematic collection is an essential resource for both student and scholar

An Unpublished Letter of William James William James, Paul Robert Lieder, Mary Augusta Jordan, 1920 Host Bibliographic Record for Boundwith Item Barcode 30112117667839, 1921 *Smith College Studies in History*, 1921 Smith College Studies in Modern Languages, 1921 *Candide (Third International Edition)* Voltaire, 2016-04-15 *Candide* has been delighting readers since 1759 with its satiric wit provocations and warnings The novella has never been out of print and has been translated into every conceivable language The text of this Norton Critical Edition remains that of Robert M Adams's superlative translation accompanied by explanatory annotations The Norton Critical Edition also includes A full introduction by Nicholas Cronk Six background studies of Enlightenment ideas and themes by Richard Holmes Adam Gopnik W H Barber Dennis Fletcher Haydn Mason and Nicholas Cronk five of these new to the Third Edition Seven critical essays five of them new to this edition representing a wide range of approaches to *Candide* Contributors include J G Weightman Robin Howells James J Lynch Philip Stewart Erich Auerbach and Jean Starobinski A revised and expanded Selected Bibliography

The Napoleonic Empire and the New European Political Culture M. Broers, P. Hicks, A. Guimera, 2012-10-10 Napoleon's conquests were spectacular but behind his wars is an enduring legacy A new generation of historians have re-evaluated the Napoleonic era and found that his real achievement was the creation of modern Europe as we know it

Molière, the French Revolution, and the Theatrical Afterlife Mechele Leon, 2009-10 From 1680 until the French Revolution when legislation abolished restrictions on theatrical enterprise a single theatre held sole proprietorship of Molière's works After 1791 his plays were performed in new theatres all over Paris by new actors before audiences new to his works Both his plays and his image took on new dimensions In *Molière the French Revolution and the Theatrical Afterlife* Mechele Leon convincingly demonstrates how revolutionaries challenged the ties that bound this preeminent seventeenth century comic playwright to the Old Regime and provided him with a place of honor in the nation's

new cultural memory Leon begins by analyzing the performance of Molière's plays during the Revolution showing how his privileged position as royal servant was disrupted by the practical conditions of the revolutionary theatre Next she explores Molière's relationship to Louis XIV Tartuffe and the social function of his comedy using Rousseau's famous critique of Molière as well as appropriations of George Dandin in revolutionary iconography to discuss how Molièrean laughter was retooled to serve republican interests After examining the profusion of plays dealing with his life in the latter years of the Revolution she looks at the exhumation of his remains and their reinterment as the tangible manifestation of his passage from Ancien Régime favorite to new national icon The great Molière is appreciated by theatre artists and audiences worldwide but for the French people it is no exaggeration to say that the Father of French Comedy is part of their national soul By showing how he was represented reborn and reburied in the new France how the revolutionaries asserted his relevance for their tumultuous time in ways that were audacious irreverent imaginative and extreme Leon clarifies the important role of theatrical figures in preserving and portraying a nation's history

The Chevalier D'Eon and His Worlds Simon Burrows, 2010-04-23 These essays draw on new research into Charles d'Eon de Beaumont's unusual life exploring how a gender identity could come to be negotiated over time

[Books in Print](#), 1981

Inventing Human Rights Lynn Hunt, 2008-04-17 A tour de force Gordon S Wood New York Times Book Review How were human rights invented and how does their tumultuous history influence their perception and our ability to protect them today From Professor Lynn Hunt comes this extraordinary cultural and intellectual history which traces the roots of human rights to the rejection of torture as a means for finding the truth She demonstrates how ideas of human relationships portrayed in novels and art helped spread these new ideals and how human rights continue to be contested today

[Enlightenment and Pathology](#) Anne C. Vila, 1998 If moods are as contagious as colds and wickedness as debilitating as a bad diet inquiries into assorted discourses in 18th century France still have much to tell Author Anne Vila shows that multiple junctures between the body and the mind promoted a steady commerce of speculation and discussion between science and the social salons of the time 9 illustrations

Human Nature, Cultural Diversity, and the French Enlightenment Henry Vyverberg, 1989-08-17 In this work Henry Vyverberg traces the evolution and consequences of a crucial idea in French Enlightenment thought the idea of human nature Human nature was commonly seen as a broadly universal unchanging entity though perhaps modifiable by geographical social and historical factors Enlightenment empiricism suggested a degree of cultural diversity that has often been underestimated in studies of the age Evidence here is drawn from Diderot's celebrated Encyclopedia and from a vast range of writing by such Enlightenment notables as Voltaire Rousseau and d'Holbach Vyverberg explains not only the age's undoubted fascination with uniformity in human nature but also its acknowledgment of significant limitations on that uniformity He shows that although the Enlightenment's historical sense

was often blinkered by its notions of a uniform human nature there were also cracks in this concept that developed during the Enlightenment itself
