Writings of the Dawn - The Spiritual Journey of a Baby-Boomer Steven J. Gold,2012-10-01 Autobiographical writings of Steven J Gold author of Yoga and Judaism Explorations of a Jewish Yogi IVRI The Essence of Hebrew Spirituality Torah Portion Summaries With Insights from the Perspective of Jewish Yogi and Basic Spiritual Principles describing his early spiritual journey in prose poetry art and journal entries The material is explained and tied together by retrospective narratives *The Second Journey* , **A Baby Boomer's Journey** Carolyn Potsic,2020-08-31 Calling all Baby Boomers Do you like reminiscing about the good old days Then you will enjoy reading A Baby Boomer s Journey Come with Carolyn as she journeys the twists and turns through the chapters of her life growing up in Chicago Look through the window as she shares the styles customs and learning experiences of the 1950s and 1960s Her parents grandparents and faith shaped her into the person she is today See how Carolyn adapted to becoming a widow the joys of being a mother grandmother and surviving the pandemic Take a pause in your life to reflect upon these simpler times **Whatever!** Beverly Mahone,2006-01-01

Adventures of a Baby-Boomer David Birkett,2021-11-04 This book is the story of the first fifty years of my life covering the period from my birth in Scunthorpe Lincolnshire at the end of World War Two to my return to England following the failure of my business in France in the 1990s I was part of the huge increase in the UK birth rate after the war ended which has led to us being described as Baby Boomers My parents were from humble origins My father worked as a blacksmith at the local steelworks whilst my mother found employment as a bus conductress and seamstress until she gave birth to my elder sister I was fortunate to possess above average intelligence enabling me to gain entry to the local Grammar School and eventually to two Universities My career path began at the steelworks then took me to a major car manufacturer followed by stints at an international bank and a management consultancy after which I ran my own business for twelve years The story is not intended to be simply a chronological summary of significant events It tells of countless incidents some humorous some serious in a packed and varied life that could so easily have been cut short when I was diagnosed with Diphtheria at the age of three Travel is a recurring theme as is the variety of characters that I met along the way My aim has been to show that with single minded determination and a modicum of good luck it was possible for a working class Baby Boomer to achieve success in life without falling prey to society s unspoken wish that we all conform **A Baby Boomer's Journey** Lou Pagano,2011-02 Mostly We Had It Good Tim Albert,2017 **The Second Journey** Timothy R Athey,2003-04 In Dr Tim Athey s work over the past decade it has become clear to him that the values of the Baby Boomer generation pose unique challenges as they transition through midlife These challenges are reflected in a growing need for meaning spirituality freedom and change in the personal and professional lives of this generation of people The turn of the millennium and the tragedy of September 11 2001 have caused all Americans to reflect on the things we want our lives to stand for Because of who we are as a generation and the values we hold dear the drive for meaning and direction will reemerge as a compelling

force for Baby Boomers facing the challenges of middle age The Second Journey explores the Baby Boomer generation and how their values affect the personal adjustment career transitions and spirituality of this unique group of people It explores the dilemmas that Boomers face as a generation and identifies the specific steps to resolve these personal dilemmas and establish a new vision for the future This reawakening to the values of their past as they face the challenges of the future is the Second Journey that this generation now begins True Stories from a Baby Boomer Stephen B. Satterwhite,2013-07-10 Twenty years ago Mr Satterwhite received a letter from Nobel Prize winner Milton Friedman suggesting that Mr Satterwhite share his writing with the rest of the world At the time he had to support his family and he wanted to wait for the right moment In his business career Mr Satterwhite has been featured in the New York Times USA Today the Wall Street Journal on NBC News and in Newsweek magazine Mr Satterwhite has been in the poor lower middle and upper classes He is a futurist having predicted many of the inventions of his generation as well as what is coming in future generations He is a humorist who loves to observe people from his favorite stuffed chair at the mall He is a survivor who has said good bye to multiple family members and friends Ultimately he likes to say that he is just a simple man who found God This is his story about his incredible journey through loss fear and despair to a conclusion that will give the reader an uplifting message of joy heaven song bravery love and hope It is now the right moment Mr Satterwhite has finally kept his promise to his father *A Story of a Baby Boomer* Patrick Moran,2014-12-31 A story of a member of the Baby Boomer Generation from an urban blue collar community outside of Chicago The story captures the journey of a Baby Boomer from a perspective in his little piece of the world The journey includes many colorful characters throughout his journey in life The story starts in an Italian Greek working class neighborhood and takes you to the battlefields of Vietnam It will take you all the way back to the author s little piece of the world by the end of the Baby Boomer Generation A great read for Baby Boomers and others interested in this period of American Culture *A Baby Boomer's Decision Making* Francis J. Kostel,2010-08 A Baby Boomer s Decision Making drives the nation s 75 million baby boomers to examine life through the decisions they make whether they are considering finances changing national priorities or the needs of aging parents Boomers will explore decisions of love school career family and fun From 1956 Chevrolets to Martin Luther King Jr Vietnam and the 21st century memoir snippets expose the author s best and worst decision making From these engaging stories a model of decision making emerges driven by individual experience in a distinctive combination of understanding relationships and God A Baby Boomer s Decision Making creates a bridge from abstract theoretical manuscripts to the daily reality dreams and apprehensions of baby boomers Mathematics unlocks the tools of decision making and prejudice is an omnipresent force The peaks and valleys of love family and career highlight the ingredients of decision making Guidelines and principles of decision making solidify and further assist readers in reviewing the past assessing the present and preparing for their future A series of activities and questions at the end of the book encourage individual reflection or small group discussion Francis J Kostel earned a Ph D from the

University of Chicago As superintendent of schools in suburban Chicago's St Charles he led the district of more than 13 000 students 1 600 staff members and 17 schools He also served as principal of St Charles High School a nationally recognized Blue Ribbon high school as a leadership consultant and as a mathematics teacher From the working class neighborhoods of Chicago to the White House Rose Garden Kostel has experience with organizational success and conflict resolution Through August One Consulting Kostel serves as an executive coach and mentor Kostel has given presentations throughout the country on leadership strategic planning personnel evaluation change and policy decisions He has written several articles and served on statewide and regional boards Kostel is a choir member and ballroom dancer He and his wife the love of his life for more than 38 years have two adult sons Comments and inquiries regarding A Baby Boomer's Decision Making and August One Consulting are welcome at augustone@sbcglobal.net [Affirming the Birth Mother's Journey](#) Carmen

Baby Boomer Diaries Bonnie Bachman,2004-12 Growing up in the 1950's and 1960's Skissley is the oldest child in a Nebraska farm family of modest means Her possessions are few but she does possess two rare and priceless gifts talent to write and remarkable insight Combined with her keen observations of the people events and magnificent nature surrounding her the results are a unique perspective of life in mid 20th century Middle America which Skissley captures in the pages of her beloved diaries But being only twelve as well as inherently honest she regularly spills the beans on the family secrets Then too there is that notorious river town of Rulo nearby with the majority of its population of hangers on comprised of eccentric and unsavory misfits Though these characters with their questionable lifestyles live but a stone's throw from Skissley they are worlds apart from her Yet few will escape her scrutiny or the veracity of her pen While it seems that Skissley is merely divulging colorful tidbits of life within her sphere it soon becomes obvious that she is really revealing the inner workings of her own soul because she is in fact a true Child of the Universe [What Did The Baby Boomers Ever Do](#)

[For Us?](#) Francis Beckett,2016-03-22 First published in 2010 this book explores the legacy of the baby boomers the generation who born in the aftermath of the Second World War came of age in the radical sixties where for the first time since the War there was freedom money and safe sex In this book Francis Beckett argues that what began as the most radical sounding generation for half a century turned into a random collection of youthful style gurus sharp toothed entrepreneurs and management consultants who believed revolution meant new ways of selling things and Thatcherites who thought freedom meant free markets not free people At last it found its most complete expression in New Labour The author argues that the children of the 1960s betrayed the generations that came before and after and that the true legacy of the swinging decade is in ashes **Journey-to-work Trends in the United States and Its Major Metropolitan Areas, 1960-2000** Nancy

care expectations for retired life have changed radically There are no longer only two phases of life childhood and adulthood there is a third vital phase called Olderhood Once you are free from the burden of work you can experience a new and fulfilling life but only if you learn how to reinvent yourself and make a realistic plan regarding how you are going to spend your time The Third Journey explores the emotional financial physical and psychological issues that arise in retirement Authors William R Storie and Robin W Trimingham seek to help you unravel your motivations as you prepare for and transition from the workplace into retirement They take a detailed look at many of the obstacles and personal fears that people encounter as they age and offer perspectives and solutions for everything from downsizing and dealing with relatives to overcoming grief and loneliness living on a fixed income keeping busy dating and preventing elder abuse This guide offers a comprehensive discussion of the challenges and opportunities of later life providing you with the tools to build a productive and satisfying retirement life

Autobiography of a Baby Boomer Robert Schultz,2013-05-28 In Autobiography of a Baby Boomer you ll follow the journey of a post modernist baby boomer from Father Knows Best middle class Fair Lawn New Jersey to the hippy trail through Europe North Africa the Middle East and Asia The overland journey in search of something more than he could find at Cornell University Medical College covers four years during a time when dropping out turning on and free love were the gospel Through his travels drugs s ances very far out Road People and his parents unremitting love author Robert Schultz comes to truly appreciate the American way of life In an admittedly unconventional way Schultz discovers the rather conventional joy of having a family and the awesome responsibility that comes with it

Musings and Adventures of a Baby Boomer, That Generation Before X, Y, and Z Kay Hoflander,2020-11-18 As Kay Hoflander personally knows Baby Boomers are a generation all of their own From having parents known as the Greatest Generation to witnessing the moon landing and ushering in the digital age this generation has experienced it all This collection columns are a compilation of the musings and adventures she has experienced as a Baby Boomer in a world more virtual than reality The humorous and whimsical approach she brings to life leads readers to reminisce the writings of Erma Bombeck Tackling everything from aging to going viral her columns remind us not to take life too seriously and maintain focus on the things that really matter Join Kay Hoflander on a honest and refreshing look back on the experiences of this unique generation and the challenges of aging digital

Charlie Company Journeys Home Andrew Wiest,2019-10-31 Using countless interviews as well as original diaries and letters Andrew Wiest lays bare the horror of the Vietnam War for those left behind and the enduring battles they must continue to fight long after their loved ones have returned home The human experience of the Vietnam War is almost impossible to grasp the camaraderie the fear the smell the pain Men were transformed into soldiers and then into warriors These warriors had wives who loved them and shared in their transformations Some marriages were strengthened while for others there was all too often a dark side leaving men and their families emotionally and spiritually battered for years to come Focusing in on just one company s experience of war and its eventual homecoming Wiest shines a

light on the shared experience of combat and both the darkness and resiliency of war's aftermath Strength for the Journey, Second Edition Diana Butler Bass, 2017-11-01 Updated version of spiritual autobiography from an important voice in the church Insights on how parishes have confronted issues of change As a standard in the field of spiritual autobiography Diana Butler Bass Strength for the Journey has been a guide for thousands of Christians who have also found themselves journeying along a path toward a faith different from that discovered in childhood This new edition will retain all that drew readers to its pages alongside the voice of those next generation Christians now walking that path for themselves In Strength for the Journey Diana Butler Bass illustrates the dynamic strength and persistence of mainline Protestantism While many baby boomers left the church only to come back later in life Bass was a stayer who witnessed the struggles and changes and found much there that was meaningful Offering thought provoking portraits of eight parishes she attended over two decades she explores the major issues that have confronted mainline denominations congregations and parishioners during those years from debates over women clergy to conflicts about diversity and community to scrimmages between tradition and innovation
