A Christian Husband A Biblical Perspective:

The Exemplary Husband: A Biblical Perspective by Dr. Stuart Scott Stuart Scott,2002-11-01 This teachers guide for The Exemplary Husband is a chapter by chapter question and answer guide for anyone leading a class on The Exemplary Husband The overall purpose of The Exemplary Husband book is to assist husbands toward purposeful and lasting Christlikeness for the glory of God It was written to be a companion book for The Excellent Wife by Martha Peace Couples who commit to the biblical principles presented in these books will find a oneness in marriage that will give God glory and bring His blessings Being a Christian Husband Colin Hamer,2005-06 Hamer describes the ways that a Christlike husband should take responsibility for the well being of his wife and family His arguments are faithful to Scripture and relevant to the modern world From Adam s experience in Eden to God s first lessons to him their outworking in the Old Testament and then more fully in the teaching of the New Testament this book deals with what it is to be the husband God intended

Exemplary Husband Stuart Scott,2001-06-01 The much anticipated companion book for The Excellent Wife by Martha Peace is finally available Here is a biblical blueprint for the mandate God has given to husbands in the covenant of marriage to love their wives even as Christ loved the Church Dr Stuart Scott has responded chapter by chapter to the biblical teachings put forth in Martha s popular book Where Martha writes about a wife s submission Stuart responds with a chapter on the husband s leadership **Marital Imagery in the Bible** Colin Hamer,2019-01-04 Marital Imagery in the Bible It can only be imagined that when the New Testament writers made their albeit brief comments on divorce and remarriage that they assumed they would be understood So what has gone wrong In the years after the destruction of Jerusalem in 70 CE when Graeco Roman culture was at its height the Jewish perspective of marriage and divorce and thus the context of those brief New Testament comments was lost The Christian church of that era was influenced by the neoplatonic ideas of the day and an idealised concept of marriage developed from on Adam and Eve s marriage recorded in Genesis 2 23 it was love at first sight a marriage made in heaven These concepts frame an understanding of marriage in much of Western culture even today However that was never the understanding of ancient Israel Instead they looked to Genesis 2 24 Therefore a man shall leave his father and his mother and hold fast to his wife and they shall become one flesh so a naturally born man chooses a wife for himself and their union was based on a covenant in other words an agreement The Old Testament makes it clear what the basis of that agreement was Furthermore it is clear if that agreement was broken there could be a divorce and a remarriage All the Bible s marital imagery where the Hebrew and Christian Scriptures imagine that God is married to his people is based on that understanding of human marriage But so strong is our concept of marriage that when Genesis 2 24 is referred to in the New Testament it is thought that the reference is to Adam and Eve s marriage It is a paradigmatic marriage that for many excludes or greatly restricts the possibility of divorce and remarriage This study looks to challenge that paradigm and to suggest that the New Testament writers would not have employed an imagery which had at its center

divorce and remarriage only to deny the possibility of such in their own human marriage teaching Colin Hamer's thesis represents the only recent work on metaphor theory in biblical scholarship It challenges centuries of academic scholarship and ecclesiastical assumptions about divorce Hamer's detailed and well researched analysis challenges the consensus view that the marriage of Adam and Eve in Gen 2:24 represents an ontological unity suggesting important implications for contemporary Christian teaching on marriage and divorce

Cracked: a Biblical Perspective on Divorce Bishop Henry R. Griffin, 2016-10-27 In my world of Conservative Christian policies a divorce was unthinkable Men and women whose training and background actively prohibited divorce and were very quick to chastise and condemn divorcees Therefore this work simply began as a group of self help notes designed to help me survive the many unpleasant conversations I had with my religious friends I fully recognize some of the concepts provided in this book may contradict certain Conservative Christian viewpoints However they are all 100% scriptural This book was written to bring comfort to those who have experienced a divorce and want to remarry To accomplish this goal I had to crack the language code Too many of our modern bibles have adjusted the language to promote the Conservative Christian story I did not write this book to promote divorce Within the pages of this writing are helpful nuggets designed to assist with conversations between husbands and wives I've also included strategies to help maintain a healthy marital relationship Finally this book was designed to assist individuals with overcoming the victimization stigmatization isolation embarrassment shame and the other sorrows based in ignorance that accompany a divorce in certain religious communities

Discovering Biblical Equality Ronald W. Pierce, Cynthia Long Westfall, Christa L. McKirland, 2021-11-02 The conversation about gender roles in Christian life and the church has evolved but the topic continues to inspire debate and disagreement Now in its third edition this fresh positive defense of gender equality brings together scholars firmly committed to the authority of Scripture to explore historical biblical theological cultural and practical aspects of this discussion

Rhodes, 2009-11-01 Marriage was begun by God designed by God and leads to the greatest happiness when couples listen to God You will never find two perfect people which is why you must listen to a perfect God if you want the perfect marriage PRECEPTS Thoroughly biblical while addressing a variety of issues couples face in real life Illustrates how decisions before marriage greatly affect the marriage Provides a biblical perspective for often cited counseling approaches A balanced view of the responsibilities of husbands and wives PROMISE The reader will gain an appreciation for God's wisdom in His plan for marriage The reader will better understand his or her spouse's point of view The reader will understand intimacy in the greater context of marriage The reader will learn to respect God and his or her spouse more within the marriage Contents Chapter 1 Introduction Beginning with a discussion of the ground rules for husbands and wives to discuss their marriage this opening chapter is designed to introduce the biblical nature of marriage the practical implications of marriage how expectations can be our enemy in marriage how and when to evaluate your marriage and then ultimately why everyone should want a happy marriage Chapter 2 The Right Reasons for Marriage This chapter discusses the reasons provided in the Bible for marriage showing the importance of each one and then proceeds to illustrate why a marriage begun for the wrong reasons can lead to real problems later on Chapter 3 Preparing for Marriage While many people spend months planning for a wedding they rarely spend much time preparing themselves for marriage However strong marriages begin with people who have prepared their character long before marriage people who had standards for whom they would marry and kept to them people who recognized that married life is different that many would change significantly and that the unexpected might become normal Most of all people must learn to prepare themselves for the commitment that marriage requires Without these things it is no wonder that couples have problems Chapter 4 The Problem Free Marriage Part One While the nature of

what two people might argue about or what might drive them apart will be different depending upon their background and circumstances we can be sure that problems arise in any marriage Therefore marriage is not about avoiding problems which is impossible but about confronting them properly The place to start of course is by knowing what potential problems lurk out there so that you can prepare to meet and overcome them together Chapter 5 The Problem Free Marriage Part Two Unfortunately there are a LOT of potential problems which means additional discussion Chapter 6 The Importance of Character in Marriage Young couples often approach marriage as if saying I do in front of people makes you grow up immediately Instead couples should know that marriage does not necessarily mature people but that only mature people should get married Marriage requires constancy on some things and flexibility on others Maturity helps you tell which one is needed when Marriage requires unselfishness and good communication skills as well as the right attitude when things do not go your way Marriage therefore works best when both husband and wife are faithful Christians submitting first to God s will so that they are prepared to work together to fashion their marriage according to God s will Since some people have trouble determining when they are truly prepared I suggest asking five specific questions whenever you are considering marriage Chapter 7 Roles in Marriage While a discussion of the roles the Bible gives for husbands and wives is not necessarily politically correct it is essential for a strong marriage But more than this it is important for couples to understand these roles in a deeper way instead of believing the caricature

The Marriage Builder Larry Crabb,2009-08-08 Psychologist Larry Crabb cuts to the heart of the biblical view of marriage the one flesh relationship He argues convincingly

that the deepest needs of human personality security and significance ultimately cannot be satisfied by a marriage partner We need to turn to the Lord rather than our spouse to satisfy our needs This frees both partners for soul oneness a commitment to minister to our spouse s needs rather than manipulating them to meet our own needs With soul oneness comes renewed body oneness where couples enjoy sexual pleasure as an expression and outgrowth of a personal relationship The Marriage Builder also identifies three building blocks essential to constructing marriage the grace of God true marriage commitment and acceptance of one s mate Now for the first time discussion questions have been added to aid couples who want to come to deeper understanding of marriage Helpful to counselors and laypersons alike The Marriage Builder is for anyone who longs to transform marriage from trial to triumph **The Encyclopedia of Practical Christianity** Robert A. Morey, 2003-11 What does God want you to know be and do as an individual family church and nation This question occupies the Bible from Genesis to Revelation Indeed you could divide all the verses in the Bible into four groups These are verses that address Individual Families Churches Nations New Perspectives on Old Testament Prophecy and History Rannfrid I. Thelle, Terje Stordalen, Mervyn E.J. Richardson, 2015-05-19 In New Perspectives on Old Testament Prophecy and History colleagues students and friends of Hans M Barstad offer essays in honour of his esteemed career in biblical studies Contributions on prophecy include the debate on prophets as historical figures the biblical books of Isaiah Ezekiel Hosea Amos and Micah and issues of methodology and interpretation Essays devoted to history address various historiographic issues as well as specific historical topics such as the monarchy in ancient Israel the relationship of Judah to Edom and the ritual of reading the law In ways that reflect Hans Barstad s innovative insights and methodological critiques this collection of essays probes beyond the oft trodden paths of biblical studies and challenges the status quo within the field
