do not meet military standards and shatter the morale traditions and standards of the military academies **The Sixteen-Trillion-Dollar Mistake** Bruce S. Jansson, 2002-09-04 Choices about budget priorities are arguably the most important made by the federal government profoundly affecting the well being of citizens Bruce Jansson documents how presidents from FDR to Clinton have made ill advised choices that wasted trillions of dollars Going beyond charges of corruption or bureaucratic waste the book is an eye opening expos revealing innumerable useless projects military as well as civilian unnecessary tax concessions and the use of interest payments to cover deficit spending among other costly mistakes Using Office of Management and Budget projections through 2004 Jansson shows how the madness continues and how an informed electorate can put an end to it

El Dorado Canyon Joseph T Stanik, 2015-12-15 Long before the overt war in Afghanistan and the covert war against al Qaida U S forces struck at one of the world s hotbeds of terrorism On 15 April 1986 in the dead of night American strike aircraft roared into the heart of Muammar Qaddafi s Libya attacking carefully selected targets and nearly killing the brother leader himself Codenamed Operation El Dorado Canyon the raid was in direct response to Qaddafi s support of a terrorist act against U S service personnel stationed in Europe and was a result of President Ronald Reagan s pledge to respond to terrorism with swift and effective retribution Stanik a retired naval officer and Middle East scholar provides a detailed account of the raid as well as an in depth analysis of its causes and effects He also describes three other hostile encounters between U S and Libyan forces during Reagan s presidency and details U S covert operations From a bombing in West Berlin to terrorism in the skies over Lockerbie Scotland and from the halls of power in Washington to airbases in England and on the decks of American warships in the Mediterranean Stanik weaves an international thriller that is relevant to current events

The Grand Strategy that Won the Cold War Norman A. Bailey, Francis H. Marlo, Douglas E. Streusand, Paul D. Gelpi, 2016-01-14 This book demonstrates that under the leadership of President Ronald Reagan and through the mechanism of his National Security Council staff the United States developed and executed a comprehensive grand strategy involving the coordinated use of the diplomatic informational military and economic instruments of national power and that grand strategy led to the collapse of the Soviet Union In doing so it refutes three orthodoxies that Reagan and his administration deserve little credit for the end of the Cold War with most of credit going to Mikhail Gorbachev that Reagan s management of the National Security Council staff was singularly inept and that the United States is incapable of generating and implementing a grand strategy that employs all the instruments of national power and coordinates the work of all executive agencies The Reagan years were hardly a time of interagency concord but

the National Security Council staff managed the successful implementation of its program nonetheless *Acts of Supremacy* Walter Francis Fitzpatrick III, 2023-10-10 In *Acts of Supremacy* Walter Francis Fitzpatrick III delivers a searing exposé of America's military justice system through the lens of his own harrowing experience. As a decorated Naval officer whose career was derailed by what he describes as a rigged court martial, Fitzpatrick meticulously documents how military tribunals operate outside constitutional boundaries, creating a shadow justice system where commanders wield extraordinary power over the accused. Fitzpatrick unravels the historical roots of military discipline from Roman and British traditions to modern practice, revealing how the Uniform Code of Military Justice allows for prosecutorial overreach, command influence, and denial of due process rights that would be unthinkable in civilian courts. With painstaking detail, he reconstructs his own case alongside the infamous court martial of USS Indianapolis Captain Charles McVay, demonstrating disturbing parallels of command vindictiveness and scapegoating spanning decades. This unflinching account exposes how military justice can become a weapon wielded by commanders against subordinates, raising urgent questions about constitutional protections for those who swear to defend those very rights. Fitzpatrick's narrative combines personal memoir, legal analysis, and historical research to challenge readers to consider reform of a system that impacts thousands of service members. A crucial read for military personnel, legal professionals, and anyone concerned with justice and accountability in American institutions. If you enjoyed *Military Justice is to Justice as Military Music is to Music*, *Court Martial: How Military Justice Has Shaped America*, and *Dereliction of Duty*, you'll love *Acts of Supremacy*.

Military Base Closure David S. Sorenson, 2006-11-30 Between 1988 and 1995, the Base Realignment and Closure (BRAC) Commission closed down 97 bases and realigned over 350 other bases. A hot button topic in the military field, base closings are an important issue that affects not only soldiers but ordinary citizens as well. Due to their massive economic significance for local and regional communities, military bases impact thousands of people and thus encompass various political interests between local, state, and national levels. This reference work investigates the politics and key political figures involved in base closing decisions and considers various reasons why bases have been and continue to be closed down. An overview of the U.S. military base infrastructure as well as primary documents is included to help students understand the BRAC Commission process between 1988 and 2005. The book also analyzes the closure of overseas bases outside of the BRAC process. Ideal for high school, undergraduate, and graduate students, this comprehensive handbook is the only complete reference guide to military base closings. Crimes and Trials of the Century Frankie Y. Bailey, Steven Chermak Ph.D., 2007-10-30 What do O J Simpson the Lindbergh baby and Gary Gilmore have in common They were all the focus of famous crimes and or trials in the United States In this two volume set historical and contemporary cases that not only shocked the nation but that also became a part of the popular and legal culture of the United States are discussed in vivid and sometimes shocking detail Each chapter focuses on a different crime or trial and explores the ways in which each became famous in its own time The fascinating cast of characters the outrageous crimes the involvement of the media the actions of the police and the trials that often surprised combine to offer here one of the most comprehensive sets of books available on the subject of famous U S crimes and trials The public seems fascinated by crime News and popular media sources provide a steady diet of stories footage and photographs about the misfortunes of others in order to satisfy this appetite Murder rape terrorism gang related activities and other violent crimes are staples Various crime events are presented in the news every day but most of what is covered is quickly forgotten In contrast some crimes left a lasting impression on the American psyche Some examples include the assassination of President John F Kennedy the bombing of the Murrah building in Oklahoma City and the September 11th

attacks These events and other significant cases are immediately or on reflection talked about as crimes of the century They earn this title not only because they generate enormous publicity but because of their impact on American culture they help define historical eras influence public opinion about crime change legal process and focus concern about important social issues They seep into many other shared aspects of social life public conversation fiction and nonfiction songs poems films and folk tales This set focuses on the many crimes of the century of the last 100 years In vivid detail each crime is laid out the investigation is discussed the media reaction is described the trial if there was one is narrated the resolution is explored and the significance of the case in terms of its social political popular and legal relevance is examined Illustrations and sidebars are scattered throughout to enliven the text print and electronic resources for further reading and research are offered for those wishing to dig deeper Cases include the Scopes Monkey trial Ted Bundy Timothy McVeigh O J Simpson Leopold and Loeb Fatty Arbuckle Al Capone JonBenet Ramsey the Lacy Peterson murder Abu Ghraib Columbine and more War and Press Freedom Jeffery A. Smith, 1999-02-25 War and Press Freedom The Problem of Prerogative Power is a groundbreaking and provocative study of one of the most perplexing civil liberties issues in American history What authority does or should the government have to control press coverage and commentary in wartime First Amendment scholar Jeffery A Smith shows convincingly that no such extraordinary power exists under the Constitution and that officials have had to rely on claiming the existence of an autocratic higher law of survival Smith carefully surveys the development of statutory restrictions and military regulations for the news media from the ratification of the Bill of Rights in 1791 through the Gulf War of 1991 He concludes that the armed forces can justify refusal to divulge a narrow range of defense secrets but that imposing other restrictions is unwise unnecessary and unconstitutional In any event as electronic communication becomes almost impossible to constrain soldiers and journalists must learn how to respect each other's obligations in a democratic system **Launch the Intruders** Carol Reardon, 2005-04-30 Each pilot and bombardier navigator sat side by side in an all weather jet built for low level bombing runs precision targeting and night strikes Their success and their very lives depended on teamwork in flying their versatile A 6 Intruders And when the North Vietnamese mounted a major offensive in 1972 they answered the call Carol Reardon chronicles the operations of Attack Squadron 75 the Sunday Punchers and their high risk bombing runs launched off the U S S Saratoga during the famous LINEBACKER campaigns Based on unparalleled access to crew members and their families her book blends military and social history to offer a unique look at the air war in Southeast Asia as well as a moving testament to the close knit world of naval aviators Theirs was one of the toughest jobs in the military launching off the carrier in rough seas as well as calm flying solo and in formation dodging dense flak and surface to air missiles delivering ordnance on target and recovering aboard safely Celebrating the men who climbed into the cockpits as well as those who kept them flying Reardon takes readers inside the squadron's ready room and onto the flight decks to await the call Launch the Intruders Readers share the adrenaline pumping excitement of each mission as well as those heart stopping moments

when a downed aircraft brought home to all in flight and on board that every aspect of their lives was constantly shadowed by danger and potential death More than a mere combat narrative Launch the Intruders interweaves human drama with familial concerns domestic politics and international diplomacy Fliers share personal feelings about killing strangers from a distance while navy wives tell what it s like to feel like a stranger at home And as the war rages on headlines like Jane Fonda s visit to Hanoi and the Paris Peace Accords are all viewed through the lens of this heavily tasked hard hitting attack squadron A rousing tale of men and machines of stoic determination in the face of daunting odds Reardon s tale shines a much deserved light on group of men whose daring exploits richly deserve to be much better known *A Still and Quiet Conscience* John A. McCoy,2015-05-01 Through the life of a courageous bishop an absorbing look at the inner workings of the American Catholic Church how we got here and how it could be different Pope Francis has spoken of his desire for pastoral bishops shepherds who have the smell of the sheep The story of Raymond G Hunthausen archbishop of Seattle from 1975 1991 is about a bishop who epitomized this style and the price he paid The quintessential Vatican II bishop Hunthausen embraced the spirit of renewal reaching out to the laity women and those on the margins A courageous witness for peace he earned national attention when he became the first American bishop to urge tax resistance as a protest against preparations for nuclear war In doing so he ran against the Cold War policies of the Reagan Administration But he also came into conflict with Pope John Paul II s desire to reshape the American episcopacy This fascinating biography not only recounts a critical turning point for the American Catholic church it rekindles the vision of a more inclusive prophetic and compassionate church as people of God Publisher s description [Air University Library Index to Military Periodicals](#) ,1998 **The Revolt of the Primitive** Howard Schwartz,2017-09-29 The Revolt of the Primitive explores the psychological dynamics of political correctness and gender warfare Author Howard Schwartz argues that perceptions of men as abusers sexual predators and deadbeat dads have become firmly entrenched in our culture due to fantasy rather than solid objective facts This volume delves into the psychological forces that have given rise to these ideas and reveals the hard facts about men and women in our society Schwartz illustrates how feminists have taken the most vulgar stereotype of men and pronounced it a universal and inviolable cultural norm He then examines his thesis in the context of work and the work organization discussing how the feminization of the workplace has been driven by the archetypal need to remake it into a maternal world banishing the limitations that shape survival and progress He examines the traditional sexual division of labor and its alleged oppressive nature He also discusses the psychological forces that drive the idea of placing women in combat roles in the military Howard S Schwartz is a professor of organizational behavior in the School of Business Administration at Oakland University in Rochester Michigan and is one of the founders of the International Society for Psychoanalytic Study of Organizations ISPSO
