

The background of the cover features a close-up, shallow depth-of-field photograph of optical glass components. In the foreground, a large, clear glass lens is partially visible, with its circular edge and a thin layer of liquid or oil on its surface. Behind it, another lens is visible, and further back, a lens cap lies on a light-colored, reflective surface. The lighting creates soft highlights and reflections, emphasizing the smooth, polished texture of the glass.
