Historical Dictionary of Children's Literature Emer O'Sullivan, 2023-04-24 History is constantly evolving and the history

of children's literature is no exception. Since the original publication of Emer O'Sullivan's *Historical Dictionary of Children's Literature* in 2010, much has happened in the field of children's literature. New authors have come into print, new books have won awards, and new ideas have entered the discourse within children's literature studies. *Historical Dictionary of Children's Literature*, Second Edition, contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 700 cross-referenced entries. This book will be an excellent resource for students, scholars, researchers, and anyone interested in the field of children's literature studies.

Discworld and the Disciplines Anne Hiebert Alton, William C. Spruiell, Donald E. Palumbo, 2014-05-02. This collection of new essays applies a wide range of critical frameworks to the analysis of prolific fantasy author Terry Pratchett's *Discworld* books. Essays focus on topics such as Pratchett's treatment of noise and silence and their political implications, art as an anodyne for racial conflict, humor and cognitive debugging, visual semiotics, linguistic stylistics, and readers' perspectives of word choice and Derrida and the monstrous *Regiment of Women*. The volume also includes an annotated bibliography of critical sources. The essays provide fresh perspectives on Pratchett's work, which has stealthily redefined both fantasy and humor for modern audiences.

Dragons at Crumbling Castle Terry Pratchett, 2015-02-03. New York Times best-selling author Terry Pratchett's irreverent and irresistible tales for children in a lavishly designed and extensively illustrated volume.

Thud! Terry Pratchett, 2005-09-13. It's a game of trolls and dwarfs where the player must take both sides to win. It's the noise a troll club makes when crushing in a dwarf skull or when a dwarfish axe cleaves a trollish cranium. It's the unsettling sound of history about to repeat itself. THUD. It's the most extraordinary, outrageous, provocative, insightful, and keenly cutting flight of fancy yet from *Discworld*'s incomparable supreme creator Terry Pratchett. Commander Sam Vimes of the Ankh-Morpork City Watch admits he may not be the sharpest knife in the cutlery drawer; he might not even be a spoon. But he's dogged and honest, and he'll be damned if he lets anyone disturb his city's always tentative peace, and that includes a rabble-rousing dwarf from the sticks or deep beneath them who's been stirring up big trouble on the eve of the anniversary of one of *Discworld*'s most infamous historical events. Centuries earlier, in a god-forsaken hellhole called Koom Valley, a horde of trolls met a division of dwarfs in bloody combat. Though nobody's quite sure why they fought or who actually won, hundreds of years on, each species still bears the cultural scars, and one views the other with simmering animosity and distrust. Lately, an influential dwarf, Grag Hamcrusher, has been fomenting unrest among Ankh-Morpork's more diminutive citizens with incendiary speeches. And it doesn't help matters when the pint-size provocateur is discovered beaten to death with a troll club lying conveniently nearby. Vimes knows the well-being of his smoldering city depends on his ability to solve the Hamcrusher homicide without delay. Vimes's secondmost pressing responsibility, in fact, next to being home every evening at six sharp to read *Where's My Cow?* to Young Sam. Whatever it takes to unstick this very sticky situation, Vimes will do it, even tolerate having a vampire in the Watch. But there's more than one corpse waiting for him in the eerie, summoning darkness of the vast labyrinthine mine network the dwarfs have been

excavating in secret beneath Ankh Morpork's streets A deadly puzzle is pulling Sam Vimes deep into the muck and mire of superstition hatred and fear and perhaps all the way to Koom Valley itself **Making Money** Terry Pratchett, 2007-09-18

The Ankh Morpork Post Office is running like well not at all like a government office The mail is delivered promptly meetings start and end on time five out of six letters relegated to the Blind Letter Office ultimately wend their way to the correct addresses Postmaster General Moist von Lipwig former arch swindler and confidence man has exceeded all expectations including his own So it's somewhat disconcerting when Lord Vetinari summons Moist to the palace and asks Tell me Mr Lipwig would you like to make some real money Vetinari isn't talking about wages of course He's referring rather to the Royal Mint of Ankh Morpork a venerable institution that has run for centuries on the hereditary employment of the Men of the Sheds and their loyal outworkers who do make money in their spare time Unfortunately it costs more than a penny to make a penny so the whole process seems somewhat counterintuitive Next door at the Royal Bank the Glooper an analogy machine has scientifically established that one never has quite as much money at the end of the week as one thinks one should and the bank's chairman one elderly Topsy n e Turvy Lavish keeps two loaded crossbows at her desk Oh and the chief clerk is probably a vampire But before Moist has time to fully consider Vetinari's question fate answers it for him Now he's not only making money but enemies too he's got to spring a prisoner from jail break into his own bank vault stop the new manager from licking his face and above all find out where all the gold has gone otherwise his life in banking while very exciting is going to be really really short **The Wit and Wisdom of Discworld** Terry Pratchett, 2012-01-03

For every Terry Pratchett fan an absolute must have giftable book favorite quotations from his beloved Discworld canon Gleaned from more than two decades worth of Discworld tales here is an essential compendium of insightful musings witty commentary and sagacious observations by New York Times bestselling author Terry Pratchett compiled by Pratchett expert Stephen Briggs In the bathtub of history the truth is harder to hold than the soap and much more difficult to find All assassins had a full length mirror in their rooms because it would be a terrible insult to anyone to kill them when you were badly dressed Filled with wonderful bon mots double entendres not to mention breathtaking insights The Wit and Wisdom of Discworld is a compendium of the wittiest pithiest and wisest quotations from Terry Pratchett's madcap universe a place that looks sounds and smells suspiciously like our own Pratchett has created an alternate universe full of trolls dwarfs wizards and other fantasy elements and he uses that universe to reflect on our own culture with entertaining and gloriously funny results It's an accomplishment nothing short of magical Chicago Tribune **Unseen Academicals** Terry Pratchett, 2009-10-06

Football food fashion and wizards collide in Pratchett's affectionate satire on the foibles of sports and sports fans The prose crackles with wit and charm and the sendups of league football academic posturing Romeo and Juliet and cheesy sports dramas are razor sharp and hilarious but never cruel At its heart this is an intelligent cheeky love letter to football its fans and the unifying power of sports Publishers Weekly Football aka soccer comes to the ancient city of Ankh Morpork upending the

wizards of Unseen University and dividing Discworld in this wonderfully funny novel in Sir Terry Pratchett's internationally bestselling series. The wizards at Ankh Morpork's Unseen University are renowned for many things: wisdom, magic, teatime, but athletics not so much. When Lord Vetinari, the city's benevolent tyrant, strongly suggests to Archchancellor Mustrum Ridcully that the university revive its sports program and field a football team composed of faculty, students, and staff or lose the funding that pays for their nine daily meals, the wizards of UU find themselves in a quandary. First they have to understand what makes foot the ball so popular with Ankh Morporkians. Then they have to learn how to play it and win without using magic. Of course, the thing about football is that it is never just about football. The Discworld novels can be read in any order, but *Unseen Academicals* is the seventh and final book in the Wizards collection and 37th Discworld book. The other books in the Wizards collection include *The Color of Magic*, *The Light Fantastic*, *Sourcery*, *Eric*, *Interesting Times*, *The Last Continent*.

As recognized, adventure as well as experience just about lesson, amusement, as competently as concord can be gotten by just checking out a ebook **Bromeliad Trilogy Wings** after that it is not directly done, you could resign yourself to even more on the order of this life, with reference to the world.
