Brontosaurus Came To Tea:

Brontosaurus Came to Tea Katherine Mead,1992 A series of rhymes asks what you would do if a variety of dinosaurs came to dine *Lulu and the Brontosaurus* Judith Viorst,2012-04-03 Lulu s parents refuse to give in when she demands a brontosaurus for her birthday and so she sets out to find her own but while the brontosaurus she finally meets approves of pets he does not intend to be Lulu s *NewMedia* ,1999 *Brontosaurus* Lanford Wilson,1978 THE STORY Deals with the encounter between a cynical sophisticated New York antiques dealer and the taciturn young man her nephew and house guest who has come to the city to study theology As reticent and unemotional as his aunt is loquacious and brittle the young man contends that he has undergone a mystical experience a revelation which is as unsettling to his aunt as it is fulfilling to him As though intimidated by his inscrutable reserve she grows increasingly voluble revealing in her wise cracking chatter the defense which she has constructed to keep the world at bay and to mask the innate sensitivity and idealism which persist despite the loneliness and futility of her existence **Bully for Brontosaurus: Reflections in Natural History** Stephen Jay Gould,2010-11-29 Provocative and delightfully discursive essays on natural history Gould is the Stan Musial of essay writing He can work himself into a corkscrew of ideas and improbable allusions paragraph after paragraph and then uncoiling hit it with such power that his fans know they are experiencing the game of essay writing at its best John Noble Wilford New York Times Book Review **Assembling the Dinosaur** Lukas Rieppel,2023-01-18 A lively account of the dinosaur s role in Gilded Age America examining the connection between business paleontology and museums Although dinosaur fossils were first found in England a series of dramatic discoveries during the late 1800s turned North America into a world center for vertebrate paleontology At the same time the United States emerged as the world s largest industrial economy and creatures like Tyrannosaurus Brontosaurus and Triceratops became emblems of American capitalism Large fierce and spectacular American dinosaurs dominated the popular imagination making front page headlines and appearing in feature films *Assembling the Dinosaur* follows dinosaur fossils from the field to the museum and into the commercial culture of North America s Gilded Age Business tycoons like Andrew Carnegie and J P Morgan made common cause with vertebrate paleontologists to capitalize on the widespread appeal of dinosaurs using them to project American exceptionalism back into prehistory Learning from the show stopping techniques of P T Barnum museums exhibited dinosaurs to attract entertain and educate the public By assembling the skeletons of dinosaurs into eye catching displays wealthy industrialists sought to cement their own reputations as generous benefactors of science showing that modern capitalism could produce public goods in addition to profits Behind the scenes museums adopted corporate management practices to control the movement of dinosaur bones restricting their circulation to influence their meaning and value in popular culture Tracing the entwined relationship of dinosaurs capitalism and culture during the Gilded Age Lukas Rieppel reveals the outsized role these giant reptiles played during one of the most consequential periods in American history Praise for *Assembling the Dinosaur* A

penetrating study of legitimacy and capitalism in the realm of fossils Verlyn Klinkenborg *The New York Review of Books* A solid entry into the growing body of literature on Gilded Age American paleontology but it is particularly valuable for its contribution to enhancing our understanding of how science and its representation during that period were influenced by and in turn affected society as a whole By incorporating cultural economic and scientific developments Rieppel shines new light on the history of both American paleontology and museum exhibition practice Ilja Nieuwland *Science Literature Works*, 2000 [CD-ROM Guide](#), 1994 [The CD-ROM Directory](#) 1996 Jim Ayre, Jane Callaghan, Signe Hoffos, 1996 This 15th edition of a yearly report provides a guide to all CD ROM and multimedia titles published In addition to a full description of each title the book contains the names and addresses of all the publishers and information providers [The Multimedia and CD-ROM Directory](#), 1998 [The Multimedia Directory](#) Clancy Fort, 1996-09 **Share the Music**, 1995 **Everybody's Magazine**, 1905 *A List of New Zealand Books in Print*, 1989 **Multimedia and Videodisc Compendium**, 1996 *New Zealand Books in Print*, 1999 **The Diary of a Space Traveller and other Stories** Satyajit Ray, 2015-07-05 It all began with the fall of a meteorite and the crater it made In its centre was a red notebook sticking out of the ground the first or was it really the last of Professor Shonku s diaries Professor Trilokeshwar Shonku eccentric genius and scientist disappeared without a trace after he shot off into space in a rocket from his backyard in Giridih accompanied by his loyal but not too intelligent servant Prahlad his cat Newton and Bidhushekhar his robot with an attitude What has become of the professor Has he decided to stay on in Mars his original destination Or has he found his way to some other planet and is living there with strange companions His last diary tells an incredible story Other diaries unearthed from his abandoned laboratory reveal stranger and even more exciting adventures involving a ferocious sadhu a revengeful mummy and a mad scientist in Norway who turns famous men into six inch statues Exciting imaginative and funny the stories in this collection capture the sheer magic of Ray s lucid language elegant style graphic descriptions and absurd humour The indomitable Professor Shonku has returned to win himself over a whole new band of followers [El-Hi Textbooks & Serials in Print](#), 2005, 2005 **Writing Lines** Tony Stuart, 2016-06-25 George Gordon Wentworth 1946 2011 lived a humdrum life He was a barely adequate teacher in a fairly world renowned independent school in Kent and kept a copious diary of his quotidian existence Most of what he recorded was drab However amongst all the utterly uninteresting tailings of his life there were some nuggets and grains to catch the attention The precious incidents worth recording all reflect the fact that Wentworth was for the most part an unwitting fool whose antics and pratfalls made him a major figure of fun In this book his editor has panned out twenty six episodes which taken together give us what is the best of Wentworth pure comedy gold From losing all the pupils in his charge on a school trip to being arrested on suspicion of terrorism from waking up in bed between the married couple the morning after their wedding to destroying a ski run from appearing full frontal naked in a sheep farmers gazette to triggering an air sea rescue Wentworth was blinkered and befuddled the subject of these and of so many more
