Brood Of Vipers 1st Uk Edition:

Jesus and the Gospels, Third Edition Craig L. Blomberg, 2022-11-15 In *Jesus and the Gospels* New Testament scholar Craig Blomberg immerses the reader in the historical and cultural world of Gospel narratives for them to better understand and appreciate their focal point Jesus of Nazareth **Acts: An Exegetical Commentary : Volume 4** Craig S.

Keener, 2015-10-06 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most thoroughly documented Acts commentary ever written Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the last of four Keener finishes his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries The complete four volume set is available at a special price

John the Baptist in History and Theology Joel Marcus, 2018-11-16 An analysis that challenges the conventional Christian hierarchy of John the Baptist and Jesus of Nazareth While the Christian tradition has subordinated John the Baptist to Jesus of Nazareth John himself would likely have disagreed with that ranking In this eye opening new book John the Baptist in History and Theology Joel Marcus makes a powerful case that John saw himself not Jesus as the proclaimer and initiator of the kingdom of God and his own ministry as the center of God's saving action in history Although the Fourth Gospel has the Baptist saying He must increase but I must decrease Marcus contends that this and other biblical and extrabiblical evidence reveal a continuing competition between the two men that early Christians sought to muffle Like Jesus John was an apocalyptic prophet who looked forward to the imminent end of the world and the establishment of God's rule on earth Originally a member of the Dead Sea Sect an apocalyptic community within Judaism John broke with the group over his growing conviction that he himself was Elijah the end time prophet who would inaugurate God's kingdom on earth Through his ministry of baptism he ushered all who came to him Jews and non Jews alike into this dawning new age Jesus began his career as a follower of the Baptist but like other successor figures in religious history he parted ways from his predecessor as he became convinced of his own centrality in God's purposes Meanwhile John's mass following and apocalyptic message became political threats to Herod Antipas who had John executed to abort any revolutionary movement Based on close critical historical readings of early texts including the accounts of John in the Gospels and in Josephus's Antiquities as well as parallels from later religious movements John the Baptist in History and Theology situates the Baptist within Second Temple Judaism and compares him to other apocalyptic thinkers from ancient and modern times It concludes with thoughtful reflections on how its revisionist interpretations might be incorporated into the Christian faith **Acts: An Exegetical**

Commentary : Volume 2 Craig S. Keener, 2013-10-15 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research This commentary on Acts his magnum opus may be the largest and most

thoroughly documented Acts commentary available Useful not only for the study of Acts but also early Christianity this work sets Acts in its first century context In this volume the second of four Keener continues his detailed exegesis of Acts utilizing an unparalleled range of ancient sources and offering a wealth of fresh insights This magisterial commentary will be an invaluable resource for New Testament professors and students pastors Acts scholars and libraries *The Dark Side of Leadership* Dr Tessie Herbst,2014-03-28 This book highlights the fact that leaders do indeed affect the performance of organizations or the well being of society for better or worse to cast either a shadow or light by the exercise of their leadership Modern psychology with its theories of human behavior which does not acknowledge the existence of the spiritual realm cannot explain the carnage and evil often associated with the dark side of leadership This book focuses on the dark side of leadership in a multidimensional manner and provides a psychospiritual approach toward understanding personality disorders and leader derailment It highlights an area that has not been widely studied by leadership researchers to date the dynamic relationship between the psychological and spiritual domains in shaping the dark side which lead to leadership failure and derailment This book calls for a more interdisciplinary approach and holistic understanding of the dark side of leadership inseparably relating body soul and spirit as they function individually and relationally It highlights the fact that the restoration of personality will require sustained dialogue between theologians and the medical and psychological professions Such a theoretical perspective would help us better understand how personality disorders develop not only emotionally and psychologically but spiritually *God in One Person* A.Richard Kingston,Jo Campling,1993-06-18 This text defends a special focus on Jesus in theistic faith whilst denying his divinity Having limited the genuine choice in Christology to orthodoxy or unitarianism it argues first for the prior improbability of an incarnation examining and dismissing possible justifications *Enochim* David Kendal Jones,2014-09-29 ENOCHIM Anna and Jamie were soon to celebrate their twelfth birthday and looked forward to getting the usual presents However the early birthday present they received was to be attacked in their own home by two mysterious strangers which left them distraught and their mum fighting for her life Little did the twins know that this tragedy was the start of an adventure which would lead them to discover their heritage as Enochim and take them on a journey to The Crystal Sea and beyond to The Third Dimension On their road to discovery the twins would meet other Enochim and beings not of our world many who were to help them but others who were out to do them harm The road they were now travelling would teach them many new and old truths and would lead them to witness the greatest battle the universe and history had ever seen But as well as these universal truths Jamie and Anna would also discover the truth about their dead grandfather and the wolf he had to battle The story of Jamie and Anna is the story of The Enochim and even now The half has not yet been told *The Mysterious Numerical Bible Code and Other Revelations* Lawrence D. Shawbrooks,2016-06-01 The Hebrew Christian religion remains the most potent verifiably truthful religion on the planet It suffers horrendously from murderous oppression in the Middle East its homeland and was crushed flat by the

largest political State the world has ever known Soviet Russia and it endures heavy disheartenment by flawed innuendo and secularisation throughout Europe Despite these massive attacks from mistaken religion hard line atheists and dont know cant be bothered groups yet it remains And more than this It remains philosophically socially prophetically and scientifically the largest most credible and consistent belief system on the planet Its not by accident that non violent Christianity believing in the non violent Ten Commandments and the beautiful spirit of them in the Beatitudes can survive such intense mentalphysical violent persecution and still remain so vibrant True Christians know The only reason it is so is because the holy Messiah God of Israel is the only true God He rules over all the kingdoms of men but its only the kingdom of Christianity which knows this He loves all humans but not their thoughtsactions However only Christians recognise this and sincerely give thanks that He is their God their prophet priest and king He prophesied that enormous ungodliness would come against His church and followers but these gates of hell would not overcome it and so it is now as we head towards Armageddon and the end of the human age This book explains His prophecies and associated key milestone calculations This is one of many ways witnessing that He is the genuine unique article just as the Hebrew Christian Bible says The purpose of our existence is to have a loving relationship with Him When humans choose to reject Him it causes us to create corrupt and false gods Without realising it many religious people worship corrupt gods and atheism worships its false no God god These cannot bring a person into the paradise of fruitful everlasting life their ways effectively bring people into a fruitless everlasting living death This grieves the Messiah God of Israel because He loves fruitful life To encourage us and to verify who He is He leaves indicators throughout history evidencing even now in these days of the deeply sceptical cheating spirit that humans are without excuse come the judgement Lawrence D Shawbrooks is now retired but continues to work as an Elder in the Church oversight

Against the Friars Tim Rayborn,2014-10-23 The friars represented a remarkable innovation in medieval religious life Founded in the early 13th century the Franciscans and Dominicans seemed a perfect solution to the Church s

troubles in confronting rapid changes in society They attracted enthusiastic support especially from the papacy to which they answered directly In their first 200 years membership grew at an astonishing rate and they became counsellors to princes and kings receiving an endless stream of donations and gifts Yet there were those who believed the adulation was misguided or even dangerous and who saw in the friars actions only hypocrisy deceit greed and even signs of the end of the world From the mid 13th century writings appeared denouncing and mocking the friars and calling for their abolition Their French and English opponents were among the most vocal From harsh theological criticism and outrage at the Inquisition to vulgar tales and bathroom humor this thoroughly documented work is suitable for the newcomer as well as for readers who are familiar with the subject but might like to investigate specific topics in more detail

Current Issues in Law and Religion Silvio Ferrari, 2017-07-05 This volume focuses on issues that have only recently come to the forefront of the discipline such as freedom from religion ordination of homosexuals apostasy security and fundamentalism issues that are linked to the common themes of secularism and globalization Although these subjects are not new to the academic debate they have become prominent in law and religion circles as a result of recent and rapid changes in society The essays in this volume present multiple points of view facilitate scholars in understanding this evolving discipline and act as a stimulus for further research This collection gives the reader a sense of the key topics and current debates in law and religion and is of interest to law politics human rights and religion scholars

The Serpent Symbol in Tradition Charles Dailey, 2022-01-24 Serpent and dragon symbolism is ubiquitous in the art and mythology of premodern cultures around the world Over the centuries conflicting hypotheses have been proposed to interpret this symbolism which while illuminating have proved insufficient to the task of revealing a singular meaning for the vast majority of examples In *The Serpent Symbol in Tradition* Dr Dailey argues that in what the symbolist Rene Guenon and the historian of religions Mircea Eliade have called traditional or archaic societies the serpent dragon transculturally symbolizes matter a state of being that is constituted by the perception of the physical world as chaotic in comparison to what traditional peoples believed to be the higher meta physical source of the physical world or nature In the course of Dr Dailey s investigations into the meaning of traditional serpent dragon symbolism the following contributions have proved invaluable 1 Gu non s interpretation of the language of traditional symbolism and the metaphysics that underlies it as well as his interpretation of the terminology of the Hindu Doctrines 2 Eliade s interpretation of traditional archaic societies by means of his concepts of chaos creation Axis Mundi World Axis and Sacred and Profane and 3 the insights of various other researchers of serpent dragon symbolism Beyond purporting to resolve some of the mystery of the ancient and varied symbolism of the serpent dragon *The Serpent Symbol in Tradition* strives to serve the related functions of interpreting the symbolic meanings of a wide variety of premodern artifacts and narratives as well as providing a study of the origination and ancient human awareness of the mentioned state of matter

The Authentic Gospel of Jesus Geza Vermes, 2004-09-30 There can be no doubt that Jesus a religious genius as Geza Vermes describes him lived and taught

in Palestine some 2000 years ago The influence he has had is incalculable How though can we distinguish between the doctrines shaped to the needs of the burgeoning Christian church and the original views laid out by Jesus himself How can we dig back through the additions misinterpretations and confusions of later writers and two millennia of tradition to get back to the authentic gospel of Jesus In his new book Vermes subjects all the sayings of Jesus to brilliantly informed scrutiny The result is a book of unique value and novelty scraping aside the accretions of centuries to come as close as we can hope to be to the true Jesus

The Oxford Handbook of Christian Monasticism Bernice M. Kaczynski, 2020-09-29 The Handbook takes as its subject the complex phenomenon of Christian monasticism It addresses for the first time in one volume the multiple strands of Christian monastic practice Forty four essays consider historical and thematic aspects of the Catholic Eastern Orthodox Oriental Orthodox Protestant and Anglican traditions as well as contemporary new monasticism The essays in the book span a period of nearly two thousand years from late ancient times through the medieval and early modern eras on to the present day Taken together they offer not a narrative survey but rather a map of the vast terrain The intention of the Handbook is to provide a balance of some essential historical coverage with a representative sample of current thinking on monasticism It presents the work of both academic and monastic authors and the essays are best understood as a series of loosely linked episodes forming a long chain of enquiry and allowing for various points of view The authors are a diverse and international group who bring a wide range of critical perspectives to bear on pertinent themes and issues They indicate developing trends in their areas of specialisation The individual contributions and the volume as a whole set out an agenda for the future direction of monastic studies In today's world where there is increasing interest in all world monasticisms where scholars are adopting more capacious global approaches to their investigations and where monks and nuns are casting a fresh eye on their ancient traditions this publication is especially timely

A Black American Missionary in Canada Hilary Bates Neary, 2022-11-15 Lewis Champion Chambers is one of the forgotten figures of Canadian Black history and the history of religion in Canada Born enslaved in Maryland Chambers purchased his freedom as a young man before moving to Canada West in 1854 there he farmed and in time served as a pastor and missionary until 1868 Between 1858 and 1867 he wrote nearly one hundred letters to the secretary of the American Missionary Association in New York describing the progress of his work and the challenges faced by his community Now preserved in the collections of the Amistad Research Center at Tulane University Chambers's letters provide a rare perspective on the everyday lives of Black settlers during a formative period in Canadian history Hilary Neary presents Chambers's letters weaving into a compelling

narrative his vivid accounts of ministering in forest camps and small urban churches establishing Sabbath schools and temperance societies combating prejudice and offering spiritual encouragement Chambers's life as an American in Canada intersected with significant events in nineteenth century Black history manumission the Fugitive Slave Act the Underground Railroad the Civil War Emancipation and Reconstruction Throughout Chambers's fervent Christian faith highlights and reflects the pivotal role of the Black church African Methodist Episcopal United States and British Methodist Episcopal Canada in the lives of the once enslaved As North Americans explore afresh their history of race and racism A Black American Missionary in Canada elevates an important voice from the nineteenth century Black community to deepen knowledge of Canadian history

Renewing the Self Benjamin J. Wood, 2017-05-11 Over the last decade the UK has witnessed a stunning resurgence of religious engagement in both politics and civil society From the social pluralism of New Labour to the rise of post liberalism the recovery of religious sensibilities in areas like education and welfare continues to have a significant effect on the content of political debate on both the Right and Left What unites these diverse projects is an effort to recover a neglected form of selfhood Less acquisitive more relational this vision of human identity has led politicians and policy makers to reject avaricious and atomist accounts of the self in favour of richer accounts of citizenship and common life What do these latter models mean for citizens and communities This book analyses the roots significance and future of these developments through the lens of contemporary Christian communities By drawing on disciplines as diverse as philosophy theology history economics and political theory *Renewing the Self* reflects on the prospects and challenges of this rich self in a globalised and rapidly changing world

Biblical Theology John Goldingay, 2016-11-01 John Goldingay takes the New Testament as a portal into the complete canon of Scripture Without searching out an overarching unity he allows Scripture's diversity and tensions to remain letting Scripture speak to us in its own voice This landmark biblical theology is hermeneutically dexterous biblically expansive and nourishing to mind soul and proclamation

The Whole Christ Sinclair B. Ferguson, 2016-01-14 Since the days of the early church Christians have struggled to understand the relationship between two seemingly contradictory concepts in the Bible law and gospel If as the apostle Paul says the law cannot save what can it do Is it merely an ancient relic from Old Testament Israel to be discarded Or is it still valuable for Christians today Helping modern Christians think through this complex issue seasoned pastor and theologian Sinclair Ferguson carefully leads readers to rediscover an eighteenth century debate that sheds light on this present day doctrinal conundrum the Marrow Controversy After sketching the history of the debate Ferguson moves on to discuss the theology itself acting as a wise guide for walking the path between legalism overemphasis on the law on the one side and antinomianism wholesale rejection of the law on the other
