**Alice Corbin Henderson**

## **Brothers Of Light The Penitentes Of The Southwest:**

Brothers of Light Alice Corbin Henderson,1962      **Brothers of Light** Alice Corbin Henderson,2008-06 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      **Brothers of Light, Brothers of Blood** Marta Weigle,2007 Using newly available sources and contemporary materials from the late 1960s and early 1970s Marta Weigle shows the Brotherhood s substantial contributions to community survival and welfare in northern New Mexico and southern Colorado through the mid 20th century Christian      **Brothers of Light. The Penitentes of the Southwest. Illustrations by William Penhallow**

**Henderson** Alice Corbin Henderson,1937      *The Pastor of New Mexico* ,2015-05-10 There are few foreign original voices talking about early twentieth century Northern New Mexico Father Peter K ppers who immigrated from Germany to New Mexico is one of those few voices Father K ppers was born in 1885 came to New Mexico in 1911 and aside from a few short trips to Colorado and the mid West remained in New Mexico all his life Rather limited in his knowledge of American culture when he arrived on this continent after all he once got mad that folks in New York did not speak German K ppers grew to love New Mexico Always biased and fierce in his protection of Northern New Mexicans particularly his often poor Catholic parishioners he became a cultural agent for Hispanics and Anglos and a chronicler of rural small town life In his sometimes jolly account from the early 20th century K ppers discusses growing up in Germany describes personal experiences in the United States and particularly in New Mexico where he had to adapt to rural life interact with town folks parishioners and Penitentes and his adjustment to cultural surroundings so very different from his homeland in Germany      *Recovering the U.S. Hispanic Literary Heritage, Volume II* Erlinda Gonzales-Berry,Charles M. Tatum,1996-01-01 This second volume in the series contains articles by the leading scholars on Hispanic literary history of the United States given at the annual convention on Recovering the U S Hispanic Literary Heritage The articles in this volume are in five sections The Recovery Project Comes of Age Assimilation Accommodation or Resistance History in Literature Literature in History Writing the Revolution and Recovering the Creation of Community      **La Raza** California State University, Northridge. Libraries,1976

**Brothers of Light, Brothers of Blood** Marta Weigle,1976      **Recovering Hispanic Religious Thought and Practice of the United States** Nicolás Kanellos,2009-05-05 The primary role played by religion in the development of the Spanish nation in the Iberian Peninsula and its subsequent role in the Spanish conquest and colonization of the Americas has been well studied Similarly Hispanics around the world and in the United States have been characterized in scholarship and popular opinion by the dimensions of their predominant Catholic faith To date neither their diversity of faith nor their ethnic and racial diversity have been adequately addressed thus contributing to a widely held perception of a monolithic culture

with its own Catholic world view a world view often categorized as obscurantist mystical and anachronistic Most important the role of religion in all of its diversity and historical evolution in building Hispanic culture in the United States has not been adequately studied or understood Today because a corpus of Hispanic religious thought from across the ages in the United States has been reconstituted and there are scholars dedicated to understanding this thought and the experience it reveals publication of this present volume has been made possible The chapters of Recovering Hispanic Religious Thought and Practice in the United States have resulted from the research underwritten by the eponymous Recovery project and initially presented at Recovery conferences in 2004 and 2005 After scholarly debate and re working of the research papers the articles contained in this volume were selected They represent original work on topics rarely addressed before in recognition that these articles are laying the groundwork on which an entire sub discipline of Hispanic history literature and theology will be constructed The material addressed is so rich and the themes so numerous and promising that their presentation and elaboration here most certainly will entice scholars from other disciplines to broaden their perspectives on Hispanic life in the United States and perhaps to look to these religious and other alternative sources in conducting their own disciplinary research

*Católicos* Mario T. García, 2010-01-01 Chicano Catholicism both as a popular religion and a foundation for community organizing has over the past century inspired Chicano resistance to external forces of oppression and discrimination including from other non Mexican Catholics and even the institutionalized church Chicano Catholics have also used their faith to assert their particular identity and establish a kind of cultural citizenship Based exclusively on original research and sources Mario T Garc a here offers the first major historical study to explore the various dimensions of the role of Catholicism in Chicano history in the twentieth century This is also one of the first significant studies in the still limited field of Chicano religious history Topics range from how early Chicano Catholic intellectuals and civil rights leaders were influenced by Catholic Social Doctrine to the role that popular religion has played in the lives of ordinary men and women in both rural and urban areas Garc a also examines faith based Chicano community movements like Cat licos Por La Raza in the 1960s and the Sanctuary movement in Los Angeles in the 1980s While Latino a history and culture has been for the most part inextricably linked with the tenets and practices of Catholicism there has been very little written until recently about Chicano Catholic history Garc a helps to fill that void and explore the impact both positive and negative that the Catholic experience has had on the Chicano community

**The Five Wounds: A Novel** Kirstin Valdez Quade, 2021-03-30 Winner of the 2021 Center for Fiction First Novel Prize Winner of the 2022 Rosenthal Family Foundation Award Finalist for the 2022 Andrew Carnegie Medal for Excellence in Fiction Finalist for the 2022 PEN Hemingway Award for Debut Novel Finalist for the 2022 Aspen Words Literary Prize Finalist for the 2022 Lambda Literary Award for Lesbian Fiction Finalist for the 2022 Mark Twain American Voice in Literature Award One of NPR s Best Books of the Year A Publishers Weekly and Library Journal Best Book of the Year in Fiction A Kirkus Reviews Best Fictional Family of the Year A Booklist Top Ten Book Group Book of

the Year and Top Twenty First Century First Novels So Far A Goodreads Choice Awards Best Debut Novel Nominee From an award winning storyteller comes a stunning debut novel about a New Mexican family s extraordinary year of love and sacrifice Masterly Quade has created a world bristling with compassion and humanity The characters and the challenges they face are wholly realized and moving their journeys span a wide spectrum of emotion and it is impossible not to root for them Alexandra Chang New York Times Book Review It s Holy Week in the small town of Las Penas New Mexico and thirty three year old unemployed Amadeo Padilla has been given the part of Jesus in the Good Friday procession He is preparing feverishly for this role when his fifteen year old daughter Angel shows up pregnant on his doorstep and disrupts his plans for personal redemption With weeks to go until her due date tough ebullient Angel has fled her mother s house setting her life on a startling new path Vivid tender funny and beautifully rendered The Five Wounds spans the baby s first year as five generations of the Padilla family converge Amadeo s mother Yolanda reeling from a recent discovery Angel s mother Marissa whom Angel isn t speaking to and disapproving T ve Yolanda s uncle and keeper of the family s history Each brings expectations that Amadeo who often solves his problems with a beer in his hand doesn t think he can live up to The Five Wounds is a miraculous debut novel from a writer whose stories have been hailed as legitimate masterpieces New York Times Kirstin Valdez Quade conjures characters that will linger long after the final page bringing to life their struggles to parent children they may not be equipped to save

**Misplaced Objects** Silvia Spitta,2009-07-01 When things move things change Starting from this deceptively simple premise Silvia Spitta opens a fascinating window onto the profound displacements and transformations that have occurred over the six centuries since material objects and human subjects began circulating between Europe and the Americas This extended reflection on the dynamics of misplacement starts with the European practice of collecting objects from the Americas into Wunderkammern literally cabinets of wonders Stripped of all identifying contexts these exuberant collections including the famous Real Gabinete de Historia Natural de Madrid upset European certainties forcing a reorganization of knowledge that gave rise to scientific inquiry and to the epistemological shift we call modernity In contrast cults such as that of the Virgin of Guadalupe arose out of the reverse migration from Europe to the Americas The ultimate marker of mestizo identity in Mexico the Virgin of Guadalupe is now fast crossing the U S Mexico border and miracles are increasingly being reported Misplaced Objects then concludes with the more intimate and familial collections and recollections of Cuban and Mexican American artists and writers that are contributing to the Latinization of the United States Beautifully illustrated and radically interdisciplinary Misplaced Objects clearly demonstrates that it is not the awed viewer but rather the misplaced object itself that unsettles our certainties allowing new meanings to emerge

*The Spanish Redemption* Charles Montgomery,2002-03-20 Charles Montgomery s compelling narrative traces the history of the upper Rio Grande s modern Spanish heritage showing how Anglos and Hispanos sought to redefine the region s social character by glorifying its Spanish colonial past This readable book demonstrates that northern New Mexico s twentieth

century Spanish heritage owes as much to the coming of the Santa Fe Railroad in 1880 as to the first Spanish colonial campaign of 1598. As the railroad brought capital and migrants into the region, Anglos posed an unprecedented challenge to Hispano wealth and political power. Yet unlike their counterparts in California and Texas, the Anglo newcomers could not wholly displace their Spanish-speaking rivals. Nor could they segregate themselves or the upper Rio Grande from the image well known throughout the Southwest of the disreputable Mexican. Instead, prominent Anglos and Hispanos found common cause in transcending the region's Mexican character. Turning to colonial symbols of the conquistador, the Franciscan missionary, and the humble Spanish settler, they recast northern New Mexico and its people.

*Understanding New Religious Movements* John A. Saliba, 2004-09-08. Discussions of any religion can easily raise passions. But arguments tend to become even more heated when the religion under discussion is characterized as new. Divisions around the study of new religious movements (NRMs) or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them. John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives: history, psychology, sociology, law, theology, and counseling. This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs. The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J. Gordon Melton. For classes in religion or the social sciences or for interested individuals, *Understanding New Religious Movements* offers the most objective introduction possible.

*America's Alternative Religions* Timothy Miller, 1995-07-01. This is a single volume source of reliable information on the most important alternative religions, covering for each such essentials as history, theology, impact on the culture, and current status. The chapters of the book were written by experts who study the movements they have written about.

*The Healing Power of the Santuario de Chimayó* Brett Hendrickson, 2018-01-16. Winner 2018 Paul J. Foik Award for Best Book on Catholic History in the American Southwest, presented by the Texas Catholic Historical Society. The remarkable history of the Santuario de Chimayó, the church whose world-renowned healing powers have drawn visitors to its steps for centuries. Nestled in a valley at the feet of the Sangre de Cristo Mountains of New Mexico, the Santuario de Chimayó has been called the most important Catholic pilgrimage site in America. To experience the Santuario's miraculous healing, dirt pilgrims and visitors first walk into the cool adobe church, proceeding up an aisle to the altar with its magnificent crucifix. They then turn left to enter a low, slung room filled with cast-off crutches, a statue of the Santo Niño de Atocha, and photos of thousands of people who have been prayed for in the exact spot they are standing. An adjacent room, stark by contrast, contains little but a hole in the floor known as the pocito. From this well in the earth, the Santuario's half a million annual visitors gather handfuls of holy dirt, celebrated for two hundred years for its purported healing properties. The book tells the fascinating stories of the Pueblo and Nuevomexicano Catholic origins of the site and the building of the church, the eventual transfer of the property to the

Catholic Archdiocese of Santa Fe and the modern pilgrimage of believers alongside thousands of tourists Drawing on extensive archival research as well as fieldwork in Chimay Brett Hendrickson examines the claims that various constituencies have made on the Santuario its stories dirt ritual life commercial value and aesthetic character The importance of the story of the Santuario de Chimay goes well beyond its sacred dirt to illuminate the role of Southwestern Hispanics and Catholics in American religious history and identity The healing powers and marvel of the Santuario shine through the pages of Hendrickson s book allowing readers of all kinds to feel like they have stepped inside an institution in American and religious history

A Journey Through New Mexico History (Hardcover) Donald Lavash,2006-07 Many conditions cultures and events have played a part in the history of New Mexico The author a recognized authority guides the reader from the earliest land formations into the present time and has illustrated the narrative with photographs maps and artwork depicting various changes that took place during the many stages of New Mexico s development Donald R Lavash taught New Mexico junior and senior high school history for 13 years and at the college level for two years This book is the outgrowth of his teaching experiences and his feeling of a strong need for a New Mexico history text Dr Lavash was also the Southwest Historian for the New Mexico State Records Center and Archives for five years He is the author of numerous articles and books on history and archeology

**Popular Religion in America** Peter W. Williams,1980 Williams provides a thought provoking overview of popular religion in America that will intrigue specialist and student alike He has both answered many questions and raised important new ones on the nature and development of American popular religion Journal for the Scientific Study of Religion

Pioneering I for one am glad he combined scholarship and chutzpah for this modestly immodest first word Catholic Historical Review
