Brushes With Greatness A Chronicle Of Five Generations Of American Life:

Brushes with Greatness Bob Cheney, Diane E. Holloway, 2002-02 The Walkers serve their nation in every war starting with the Civil War where Caleb fights for the South In this sequel to Caleb's experiences with Hood's Texas Brigade his son Hood Lee joins Theodore Roosevelt's Rough Riders Then his son Junior serves with Harry Truman in France Next comes Hood Lee Walker III Trey who after Pearl Harbor joins the Navy and serves under John Kennedy on the PT 109 After transferring to submarines he is involved in the rescue of a downed airman named George Bush The next son called H L while acting as a male nurse in Viet Nam treats a pair of wounded officers Colin Powell and H Norman Schwarzkopf The last Walker to serve Lee as a military policeman acts as bodyguard to Schwarzkopf during the Persian Gulf War But there is more to the stories of these five men than their military service Each falls in love marries and has children some of whom will not survive Nor will every marriage survive because of infidelities There are absorbing side issues such as the fight for school desegregation and families torn by all the stresses to be expected in a five generation span of American experience Who Killed New Orleans? Diane Holloway, 2005-10-21 Hurricanes Katrina and Rita created the most expensive disaster the largest evacuation and the third deadliest flood in American history Nobody can control Mother Nature but the world's most advanced nation could have protected its citizens better This disaster revealed the faulty psychological reactions of officials who not only failed to protect the public from danger in New Orleans but lacked effective responses to the calamity We elect and hire people who are supposed to protect us from attacks by nature and enemies However they fail us because of their human nature They are as imperfect as we are but we expect them to collect and heed facts that we cannot know to prepare for predictable disasters and to focus on long term solutions rather than short term fixes Engaged in popularity contests politicians and officials at all levels did too little about obvious problems The ugly picture of poor and mainly black flood victims jolted us with poverty racism and segregation Leaders must not wait to improve flood protection racial inequities a deteriorating healthcare system dwindling resources and climatic changes until crises occur This costly disaster should awaken us to re-examine and change our methods of selecting politicians and leaders We must change our current leadership by the President captains of industry leaders of government law enforcement healthcare and the media We are inundated with self-serving behaviors from those who loot and shoot to those in power who cast aspersions and dodge blame Ken Jacuzzi business coach consultant and author **Donald Trump, Robert Mueller, Christopher Steele** Diane Holloway Cheney, Ph.D., 2021-09-13 This thrilling page turner describes the lives of the most controversial men of our era and how they impacted each other We now realize that the greatest threat to our country can come from within as well as those not in our own country Can an administration ignore laws and attack democratic institutions without damaging democracy These shocking revelations are not without some humor to brighten what are otherwise dark and scary truths **I Was a VIP on 11/22/63** Diane Holloway Cheney, Ph.D., 2020-11-17 This novel is a suspenseful story of a presidential assassin based on real

life events We follow the assassin through his diary letters radio shows and descriptions of his actions Readers can peer into the mind of this assassin and see how he tries to fulfill his goals despite numerous blockades The novel is interspersed with extracts from real world leaders adding an opportunity to know more about the thinking of many other people as they discussed real momentous events in the novel

Sleep Problems: Food Solutions Diane Holloway Cheney, 2017-06-15 Casting a wide net through history and sleep problems Dr Cheney examines and authoritatively demonstrates the siren song of sleep is not just an individuals problem but a societal problem This book is rich in surprising information about drowsy drivers putting children to sleep physicians in training pilots firefighters military police officers truck drivers shift workers and sleep inducing foods Songs poems fairy tales movies literature and recipe ideas from famous people make it more fascinating

Stampin' Out Ignorance Bob Cheney, 2002-11 No one knows more about classroom humor than a teacher unless it s a student If teachers hope to survive they better have a sense of humor Nobody knows more about the quirky behavior of some teachers than administrators and vice versa The origin is laid clear of the phrase Those who can do and those who can t do teach Marital partners also need a sense of humor With nearly four decades of teaching and marital experience Bob Cheney delights readers as he attempts to stamp out ignorance With his matrimonial partner a psychologist a contrast of personalities produces hilarious predicaments No marriage is perfect least of all this one Anecdotes illustrate how two people with different lifestyles can live together in relative harmony And then there are funny things that happen outside of teaching or marriage Students teachers administrators and couples can relate to these amusing tales
