The Buck Fever Papers Sherwood Anderson, 1971 Collection of essays originally published in the Smyth County news and or the Marion democrat 1927 1931 *Buck Fever* Ben Rehder, 2003-09-15 Blanco County Texas It s one week before the start of deer hunting season and everyone in town has come down with a case of Buck Fever The fury begins with Red O'Brien and Billy Don Craddock two drunken poachers who fire a shot in the direction of Blanco County s most important resident a wide eyed white tailed deer named Buck who lives on the Circle S ranch Now Buck is on the loose and no one knows where to find him not Trey Sweeney the man who took the bullet meant for Buck albeit right in the flank of his own deer costume not Tim Gray the veterinarian who can t function very long without popping a few canine tranquilizers and especially not Roy Swank owner of the Circle S who wants desperately to find Buck for reasons no one can quite understand Navigating all this turmoil is Blanco County Game Warden John Marlin with a little help from his best friend Phil and a beautiful nurse named Becky who seems too good to be true But when a dead body turns up the real mystery in madcap Blanco County soon boils down to a single question Just who is hunting whom **Buck Fever the Book** Randy Herndon, 2003-07 **Buck Fever** Mike Sajna, 1990 Every fall close to one million hunters enter Pennsylvania s forests and mountains in quest of the white tailed deer Some are seeking sport and companionship others are stocking their larders for winter many are conservationists who regard hunting as the most humane way of reducing overpopulated deer herds They all face the increasing activism of animal rights advocates who are opposed to hunting in principle and who frequently picket and harass hunters This controversial subject is explored in depth by Mike Sajna the outdoors columnist for Pittsburgh Magazine and a twenty year veteran of Pennsylvania s pumpkin army the orange clad throng that invades the woods every season To explain the ethos and traditions of hunting he takes the reader to a typical deer camp in Warren County in the rugged terrain of the Allegheny High Plateau Starting with the trek north from their homes around Pittsburgh he captures the sights and sounds thoughts and feelings of three generations of hunters With humor affection and insight he recounts the hunting lore the camaraderie the physical testing that make deer camp a unique experience *Buck Fever* Eldridge Reeves Johnson, 1911 **Buck Fever** Bruce Cochran, 1990 **The Buck Fever Papers** Sherwood Anderson, 1971 *Buck Fever* James L. Lang, 1974 **Buck Fever** Bruce Cochran, 1991-07 **Buck Fever** John Etheridge, 2006-04-01 **Buck Fever** Cynthia Chapman Willis, 2009-10-27 Twelve year old Joey MacTagert s dad wants his son to carry on the family tradition of hunting But Joey has buck fever he can t pull the trigger on a deer and hates the idea of killing animals He s more interested in art and hockey two activities that his dad barely acknowledges Joey s dad wants him to use his special skill in tracking to hunt down the big antlered buck that roams the woods near their home Joey knows how to track Old Buck but has kept secret from his father the reason he s gained the deer s trust When trouble between his parents seems to escalate Joey and his older sister Philly find themselves in the middle of tensions they don t fully understand Joey wants to keep the peace and

Targeting Buck Fever Phillip Mendoza,2017 The Moment of Truth The rise of emotions right before a shot is fired or an arrow is released The spike in adrenaline that is so memorable and hard to duplicate yet difficult to describe to a non hunter The double edged sword that can deliver either a rewarding and self fulfilling outcome to some or a paralyzing and unnerving experience to others It has been called Buck Fever and I have had up close and personal encounters with it I have spent many years trying to overcome it without numbing myself to the joyful experience that hunting provides I can t say I am an expert nor that I have completely figured it out but I can promise you that in the following pages of this book you will find a better understanding of Buck Fever and a path to follow for regaining control Through some personal stories and lessons learned the hard way I will show you some self hacks and proven methods to get past the surge of emotions that hinder success for many hunters This book is not just for those that deal with the extreme symptoms of Buck Fever there are many tips and tricks to help all levels of bowhunters to see progress in their overall bowhunting game The next steps to achieving more success in the hunting woods may very well lie in the pages of this book now all you have to do is click the purchase tab and enjoy Thanks and shoot straight **Buck Fever** Steve Rush,2021-05-10 A journal designed for novice and experienced hunters Collect and analyze data for future reference in Pre season notes Calendar Daily hunting conditions activity harvest and Season summary Post season notes Contacts and more Identify the hot spots and best times to hunt improve your odds of seeing more deer and leave a legacy for future generations

Wild Games Dennis Ray Cutchins,Eric Alden Eliason,2009 Humans understand at least some of what it means to be human both literally and figuratively in reference to wild animals Our relationships with wildlife have traditionally been expressed in terms of hunting more recently these relationships have also been manifest as efforts to prevent hunting Hunting and fishing traditions are in fact under fire by critics at the same time that they are receding of their own accord perhaps becoming even more endangered than any of the pursued animals These traditions form the major focus of Wild Games a new collection of essays that looks at the folklore and culture of various hunting and fishing practices documenting the central importance of hunting to many rural societies even in modern times Editors Dennis Cutchins and Eric Eliason contend that hunters often don t perceive of themselves as separate from the wild but rather identify strongly with a natural order integrated with rather than standing apart from the fluctuation of ecosystems And they frequently don t see wild animals as set apart but understand them as food sources competitors friendly rivals and even equals Featuring contributions from a variety of distinguished scholars and writers including an essay by the

noted folklorist Simon Bronner on the culture of the deer camp a fascinating account of coyote tracking by Eric Eliason and an examination of the role of gender in outdoor life by Diane Humphrey Lueck this book shows how the traditions of hunting and fishing tend to bind hunter and prey into ancient patterns that often defy contemporary culture Book Jacket
