

THE BUCK STARTS HERE

DAVID M. JONES

Before you invest another dime in stocks, bonds, mutual funds or CDs — before you even look at another financial guide or magazine for advice — *read this book first!*

THE BUCK STARTS HERE: How the Federal Reserve Can Make or Break Your Financial Future gives you the most important investment information of all — how to anticipate the consequences of government policy shifts before they occur, and where to reallocate your holdings accordingly for maximum profitability and safety.

In easy-to-understand language, this long overdue book tells you everything you need to know about the Federal Reserve: its policies, politics, and far-reaching influence on every type of investment.

Best of all, **THE BUCK STARTS HERE** tells you how to use Federal Reserve policy to guide your investment strategies. It reveals which economic developments are important, and which are not. It shows you how to identify cyclical ups and downs with the "sacred seven" indicators used by top traders. It tells you where to spot clues that signal forthcoming Fed policy changes — and what investment options let you most successfully respond to the shifts.

For all investors who want to ensure stability and growth no matter what Fed-driven developments rock the market, **THE BUCK STARTS HERE** shows how to gain control once and for all. It's an indispensable guide for making the Federal Reserve a partner in your investment success.
