Red Afterworld Nicholas Grabowsky, 2014-03-26 All Dayton Monday wanted was to make a difference in this world But the world isn't what it used to be Global nuclear war has already begun The world is in chaos The water supply of major amusement parks has been tainted with LSD by terrorists But Dayton's neighbor Toad promises that if he joins his male biker fraternity the Brotherhood of the Black Heroes he can help make the world a better place Through his laborious initiation he discovers the frightening truth about the Black Heroes they represent all male vampires and he is about to become one of them Vampires are reckless and don't know sex or love are addicted to household cleaners and endless supplies of red meat and blood and despise females of their kind Just before the world ends the Second Coming happens but the returning savior is not what everyone expected it is Sam Hall a man hung for murder in the Old West who died for the world's sins That said crosses no longer protect against them Now any image of the Sam Hall hanging tree will do And then the nukes arrive What a way to end the world After the nukes hit Dayton finds himself one of the few survivors wandering the wasteland of the Arizona desert where survival seems to be the only meaning of life under an endless red tainted sky until he discovers a strange portal that leads to the barrel pond in the backyard patio of his home at a time just before his initiation a new hope of saving the world and true love Author's note Symbolism is only potent when it is given meaning NG RED AFTERWORLD is an important story for me infused with a multitude of important personal influences and themes It's where the name Black Bed Sheet comes from and incorporates my grade school delusion that I was a vampire myself and my own initiation over eighteen years ago into The Ancient Honorable Order of E Clampus Vitus a fraternity of rowdy charitable drinking men sprung from the Gold Rush days It's inspired by Johnny Cash and Harold Camping the evangelist who proclaimed the Second Coming a couple years ago and whom my parents are still devoted to It's also a response to the mental anarchy that's been going on in my head for years about how vampires are increasingly portrayed and marketed as dashing romantic teen lovers In RED AFTERWORLD they are in many ways a reinvention male and female vampires have despised each other and been feuding ever since the Countess Bathory Incident where Bathory was betrayed by the Black Hero of Hungary Count Ferency Nadasdy an event from which sprung all modern vampires and essentially a true story They know no romance sex or real happiness I particularly love the female vampire characters members of a defunct feminist band called Blamia Kiss and they kick ass especially Tricks Matrix In fact I think RED

AFTERWORLD kicks ass I think it s like nothing you ve ever read and you ll never think about vampires the same way again
