The Beginning Reading Instruction Study Marcy Stein, 1993 Calling attention to the continuum of approaches reflected in beginning reading programs this report presents content and cost analyses for over 50 beginning reading programs The first of the report's five chapters is an introduction The second chapter begins with a brief description of the major issues in the area of beginning reading and concludes with a summary of important research based recommendations for instruction The third chapter outlines the evaluation criteria for a content analysis of the programs and provides operational definitions of evaluation criteria The chapter concludes with an analysis of the extent to which over 50 instructional programs and approaches reflect research in beginning reading The fourth chapter presents a cost analysis of each program evaluated and a description of how the cost analysis was determined The final chapter contains some conclusions and cautions about selecting and designing effective reading instructional programs RS **Martin Bauman**

David Leavitt, 2001-10-11 David Leavitt's deliciously sharp new novel is a multilayered dissection of literary and sexual mores in the get ahead eighties when outrageous success lay seductively within reach of any young writer ambitious enough to grab it At the dawn of the Reagan era Martin Bauman nineteen clever talented and insecure is enrolled at a prestigious college with a hard won place under the tutelage of the legendary and enigmatic Stanley Flint a man who can make or break careers with the flick of a weary hand Martin is poised on the brink of the writing life and his twin desires equally urgent are to get into print and find his way out of the closet As he makes his way through the wilderness of New York falling in love going to parties and coming to terms with the emerging chaos of AIDS Martin matures from brilliant student to apprentice in a Manhattan publishing house to one of the golden few to be anointed by the highly regarded magazine in which it is every young writer's dream to be published Yet despite his apparent success his emotional and creative desires stubbornly refuse to be satisfied and his every achievement is haunted by that austere and troubling image of literary perfection his elusive mentor Stanley Flint An irresistibly entertaining epic erotic honest and funny MARTIN BAUMAN lays bare the life of the artist in all his venal envious poignant glory Book Production Industry, 1968 *Paperbound Books in Print*, 1982
