

Alexander Hamilton by Lin-Manuel Miranda

4 pages | 950 words

America has forever been the land of opportunities where anyone can achieve prosperity no matter their social class. Since its birth as a nation following the War of Independence, the American Dream has stood as a pillar of American values; freedom, democracy and equal opportunity. The play, Alexander Hamilton by Lin-Manuel Miranda, exemplifies the American Dream through the exploits of one of its own founding fathers. Hamilton, himself, came to America as a poor immigrant with no social rank, little education and even less money. Yet, it is his triumph against all odds, his story of remarkable perseverance and relentless vision that speaks to all Americans. Alexander Hamilton is not only a founding father of America, but in fact his story is America. It is through Hamilton's determination, persistence, and boldness that he ultimately achieves success.

Better future

Hamilton exemplifies the American belief that no matter what your socio-economic background, a person can achieve success with hard work and determination. For instance in the song "Alexander Hamilton", Hamilton "got a lot farther by working a lot harder, by being a lot smarter". He started to work for his mother's landlord while also studying and planning for the future so he could rise up. Even though he is born into an impoverished family and eventually orphaned, Hamilton works hard to make ends meet and eventually makes his way to New York in search of a better future. Another example of determination is found in the song "Aaron Burr, Sir". When Hamilton is talking to Aaron Burr, he "wanted to do what [Aaron Burr] did, graduate in two, then join the revolution". Hamilton is determined to finish school just as fast as Aaron Burr did. Again, in "My Shot", Hamilton shows that he is "Tryin' to reach my goal my power of speech" and promises, "there will be a revolution in this century". He is fixated on the fact that he wanted to change America for the better. Burr gives Hamilton the advice to "Talk less [and] smile more" but Hamilton shows his determination to speak his mind and stand up for what is right.

Although determination is a major piece of the theme, perseverance is also a crucial part. When Hamilton was young, his mother passed away but he kept on going and lived with his cousin. When his cousin passed away, he "Left him with nothin' but ruined pride" but "A voice saying "[Alexander] you gotta fend for yourself"" which gave him motivation and to move on. Another example of perseverance is when Hamilton is proposing his financial plan and Jefferson is trying to prove how "this financial plan is an outrageous demand" during "Cabinet Battle #1" but this did not stop Hamilton from giving up. He gave up spending time with his family to get this plan through. For six months, the debate raged on but soon Jefferson and Madison compromised and the plan became a huge success. Another instance of perseverance is the Hamilton- Reynolds affair. When Madison and Jefferson found out the affair and accused Hamilton of "engaging...
