The Sherlockian Graham Moore, 2010-12-01 Hurling from present day New York to Victorian London The Sherlockian weaves the history of Sherlock Holmes and Sir Arthur Conan Doyle into an inspired and entertaining double mystery that proves to be anything but elementary In December 1893 Sherlock Holmes adoring Londoners eagerly opened their Strand magazines anticipating the detective s next adventure only to find the unthinkable his creator Arthur Conan Doyle had killed their hero off London spiraled into mourning crowds sported black armbands in grief and railed against Conan Doyle as his assassin Then in 1901 just as abruptly as Conan Doyle had murdered Holmes in The Final Problem he resurrected him Though the writer kept detailed diaries of his days and work Conan Doyle never explained this sudden change of heart After his death one of his journals from the interim period was discovered to be missing and in the decades since has never been found Or has it When literary researcher Harold White is inducted into the preeminent Sherlock Holmes enthusiast society The Baker Street Irregulars he never imagines he s about to be thrust onto the hunt for the holy grail of Holmes ophiles the missing diary But when the world s leading Doylean scholar is found murdered in his hotel room it is Harold using wisdom and methods gleaned from countless detective stories who takes up the search both for the diary and for the killer

The Eastern Fleet and the Indian Ocean, 1942-1944 Charles Stephenson, 2022-04-06 A study of the British Royal Navy s activities in the Indian Ocean during World War II led by Admiral Sir James Somerville The story of the British Eastern Fleet which operated in the Indian Ocean against Japan has rarely been told Although it was the largest fleet deployed by the Royal Navy prior to 1945 and played a vital part in the theatre it was sent to protect it has no place in the popular consciousness of the naval history of the Second World War So Charles Stephenson s deeply researched and absorbing narrative gives this forgotten fleet the recognition it deserves British pre war naval planning for the Far East is part of the story as is the disastrous loss of the battleship Prince of Wales and battlecruiser Repulse in 1941 but the body of the book focuses on the new fleet commanded by Admiral Sir James Somerville and its operations against the Japanese navy and aircraft as well as Japanese and German submarines Later in the war once the fleet had been reinforced with an American aircraft carrier it was strong enough to take more aggressive actions against the Japanese and these are described in vivid detail Charles Stephenson s authoritative study should appeal to readers who have a special interest in the war with Japan in naval history more generally and Royal Navy in particular Praise for The Eastern Fleet and the Indian Ocean 1942 1944 This meticulously researched outstandingly clear well written and absorbing account is long overdue and will most likely become a standard work The text is most helpfully supported by over 80 pages of detailed end notes referenced to each chapter and a detailed index This is not only a book for naval historians but also for anyone with an interest in the War in the Indian Ocean region Highly recommended Military Historical Society I enjoyed this book it gives us an account of an often

neglected part of the war at sea and of the achievements of Admiral Somerville who kept his fleet intact in the face of a potentially overwhelming opponent then was willing to acknowledge that his fleet needed to improve massively before it could take on the Japanese Dr John Rickard author and webmaster of the Military History Encyclopedia on the Web *Love in Los Angeles Box Set Books 1-3* Racheline Maltese, Erin McRae, 2017-12-05 Introvert Ingenue Accidental celebrity Hollywood's newest star 21 year old J Alex Cook never wanted to be famous he just wanted to get out of Indiana But when he hooks up with Paul a writer on a hit TV show Alex is thrown into a web of relationships involving friends lovers and everything in between This anthology contains the first three books in the Love in Los Angeles series Starling Doves and Phoenix Please be aware this is high heat high angst romance that includes characters with a past history of self harm
