BROAD HIGHWAY JEFFERY. FARNOL, 2018 **The Broad Highway** Jeffrey Farnol, 2015-04-20 then Now when my companion said this I fell silent for the very sufficient reason that I found nothing to say Lord love you said he at last seeing me thushipped don't be downhearted don't be dashed afore you begin we can't all be gen uses it aren't to be expected but some on us is a good deal better than most and that's something arter all As for your book wot you have to do is to give em a little blood now and then with plenty of love and you can't go far wrong Now whether the Tinker's theory for the writing of a good novel be right or wrong I will not presume to say But in this book that lies before you though you shall read if you choose of country things and ways and people yet because that part of my life herein recorded was a something hard rough life you shall read also of blood and because I came in the end to love very greatly so shall you read of love Wherefore then I am emboldened to hope that when you shall have turned the last page and closed this book you shall do so with a sigh P V

The Broad Highway. A Romance of Kent Jeffrey Farnol, 1928 **The Broad Highway (Classic Reprint)** Jeffrey Farnol, 2015-07-04 Excerpt from The Broad Highway As I sat of an early summer morning in the shade of a tree eating fried bacon with a tinker the thought came tom that I might some day write a book of my own a book that should treat of the roads and by roads of trees and wind in lonely places of rapid brooks and lazy streams of the glory of dawn the glow of evening and the purple solitude of night a book of wayside inns and sequestered taverns a book of country things and ways and people And the thought pleased me much But objected the Tinker for I had spoken my thought aloud trees and suchlike don't sound very interestin leastways not in a book for after all a tree's only a tree and an inn an inn no you must tell of other things as well Yes said I a little damped to be sure there is a highwayman Come that's better said the Tinker encouragingly Then I went on ticking off each item on my fingers come Tom Cragg the pugilist Better and better nodded the Tinker a one legged soldier of the Peninsula an adventure at a lonely tavern a flight through woods at midnight pursued by desperate villains and a most extraordinary tinker So far so good I think and it all sounds adventurous enough What cried the Tinker Would you put me in your book then Assuredly About the Publisher

These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered.

The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts.

The Secret History is a brilliant and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
