# BROADWAY HITS

## FOREWORD

The particular musical qualities of these songs make them easily playable and effective for the recorder. They have been carefully selected to best suit the recorder range and timbre. The songs may be played on almost every type of recorder, whether wood or plastic. The fingering chart includes both the Baroque and German fingering, since the latter has increased in popularity, particularly with younger players. It is advisable to check the fingering system of your recorder.

These arrangements for two recorders also allow for a variety of instrument combinations for individual or group performance, such as solo recorder with piano, guitar, organ accompaniment; recorder with other C instruments (flute, violin, etc.).
