[The Existential Philosophy of Etty Hillesum](#) Meins G. S. Coetsier, 2014-01-09 In The Existential Philosophy of Etty Hillesum Meins G S Coetsier breaks new ground by demonstrating the Jewish existential nature of Etty Hillesum's spiritual and cultural life in light of the writings of Martin Buber Emmanuel Levinas and Dietrich Bonhoeffer Hillesum's diaries and letters written between 1941 and 1943 illustrate her struggle to come to terms with her personal life in the context of the Second World War and the Shoah By finding God under the rubble of the horrors she rediscovers the divine presence between humankind while taking up responsibility for the Other as a way to embrace justice and compassion In a fascinating accessible and thorough study Coetsier dispels much

of the confusion that assails readers when they are exposed to the bewildering range of Christian and Jewish influences and other cultural interpretations of her writings The result is a convincing and profound picture of Etty Hillesum's path to spiritual freedom

Life and the Ideal Darrell Jordan, 2018-09-17 These essays are based on the view that every form of life contains its separate ideal in other words that in all departments of it there is a something better than we have yet seen or reached And they are a search for that ideal The best thing about our universe is that it is an unfinished one and that we in our several positions are called in as co workers in the finishing of it In business in politics in our social systems in religion as it exists in our forms and beliefs there is a something yet to be attained an eternal progress which we are to help in realizing We can never do our best work except in fidelity not only to what is but to what is yet to be The topics discussed are various as life is various but they will be found to be united in this common conception

Words Is a Powerful Thing Brian Daldorff, 2021 Brian Daldorff first entered the Douglas County Jail classroom in Lawrence Kansas to teach a writing class on Christmas Eve 2001 His last class at the jail for the foreseeable future was mid March 2020 right before the COVID 19 lockdown the virus is taking a heavy toll in confined communities like nursing homes and prisons Words Is a Powerful Thing is Daldorff's record of teaching at the jail for the two decades between 2001 and 2020 showing how the lives of everyone involved in the class but especially the inmates who came to class week after week benefited from what happened every Thursday afternoon in that jail classroom where for two hours inmates and instructor became a circle of ink and blood writing together reciting their poems telling stories and having a few good laughs Words Is a Powerful Thing brings into the light the works of fifty talented inmate writers whose work deserves attention Their poetry speaks of what really matters to all of us and gives the reader sustained insight into the role that creativity plays in aiding survival and bringing positive change for inmates and in turn for all of us Daldorff's account of his teaching experience not only takes the reader inside the daily life at a county jail but also sets the work done in the writing class within the larger context of inmate education is the US corrections system where education is often one of the few lifelines available to inmates Words Is a Powerful Thing provides a teaching guide for instructors working with incarcerated writers offering an extensive examination of both the challenges and benefits When Brian Daldorff decided the story of his classroom experiences and the great writing produced by the inmates deserved to be told to wider audiences he struggled with how to bring it all together Not long after an inmate wrote a poem titled Words Is a Powerful Thing offering Daldorff a title concept and purpose to show that the poetry of inmates speaks not just to other inmates but to all of us
