Education for Sustainability Paul Clarke,2013-06-17 In this book Paul Clarke argues that in order to live sustainably we need to learn how to live and flourish in our environment in a manner that uses finite resources with ecologically informed discretion Education is perfectly placed to create the conditions for innovative and imaginative solutions and to provide the formulas that ensure that everyone becomes naturally smart but

to achieve this we need to recognise that an education that is not grounded in a full understanding of our relationship with the natural world is no education at all In other words a total transformation of schools and schooling is needed While acknowledging that the ecological crisis is global in scale Paul Clarke maintains that many of the solutions are already evident in our local communities Drawing on innovative sustainable living programmes from around the world including Sweden s Forest Schools China s Green Schools programme the US Green Ribbon Schools programme and his own school of sustainability project Paul Clarke offers practical solutions about how schools and communities can make their contribution This book examines how we might proceed to empower and actively develop schools and communities to connect hand heart and mind for an eco literate future It is thought provoking timely and challenging and should be read by school leaders community and business leaders as well as anyone grappling with the problems of transition from an industrial past to an ecologically sustainable future

**Ten Years in the Tub** Nick Hornby,2016-04-12 How often do you begin reading a book that makes you immediately urgently desperately want to read more books Booklist Nick Hornby has managed to write just such a book in this hilarious insightful and infectious volume Ten Years in the Tub chronicles Hornby s journey through a decade s worth of books as related in his wildly popular Believer column Stuff I ve Been Reading Ten Years in the Tub is a one way ticket into the mind of one of the most beloved contemporary writers on his favorite pastime but it s also a meditation on what Celine Dion can teach us about ourselves a warning about how John Updike can ruin our sex lives and a recommendation for the way Body Shop Vanilla Shower Gel can add excitement to our days This decade long addiction for many makes standing in line at the bank a blessed interval for snorting another page the New York Times Book Review
