Ellsworth Kalas, 2010-09-01 In the case of this book I can tell you not only when it came to birth but also where It was in a quite modest kitchen at 1506 Center Street in Sioux City Iowa over a period of years in the late 1930s On a shelf in that kitchen just above the stove was a box of cards each measuring roughly one by three inches each one containing a verse from the Bible The box was popularly referred to as precious promises I don't know if that was the name the publisher gave to the collection or if it was the title earnest Christians had given to such verses long before an enterprising publisher organized a specific collection into printed form I only know how sacred and beloved the box was to my mother and to untold thousands of other persons at that time The verses covered a wide area of biblical teaching Many had a quality of admonition and instruction but the overall mood was one of encouragement Those who kept such a box in easy reach were sustained by the contents Some verses took on such personal significance that they were laid aside on top of the box or beside it to be looked at more often Mind you the owner of the box knew such verses by heart but there was a peculiar strength in looking at the printed form and holding it in one's hand And I might add that by the time she took her promise for the day she would already have prayed on her knees and have read a longer portion from the Bible I revered those promises because they meant so much to my parents especially my mother and because on several occasions I had seen how uniquely appropriate a particular verse proved to be at a particular time That Center Street box has now been lost for half a century or more so I can't promise that the verses I embrace in this book were all in that box The Bible verses I've included in this book are verses that have blessed me over the years and I dare to believe that some or all of them will give a lift or a thought to you Some

have become significant to me in times of pain some in joy When you read this book I m very sure you will think of a verse that is priceless to you and you ll wonder why it s not in this book The verse may mean so much to you that perhaps you will reprimand me even if kindly for not including it If you do I ll understand I ll just know that whether or not you ve ever seen a box of precious promises you have discovered that there are promises that keep us And I will thank God with you that you have found it to be so J Ellsworth Kalas adapted from the foreword This book will contain a discussion guide *The Complete Works of C. H. Spurgeon, Volume 1* Spurgeon, Charles, 2015-02-23 Volume 1 Sermons 1 53 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity s foremost prolific writers Called the Prince of Preachers he was one of England s most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon s messages to be among the best in Christian literature Edward Walford wrote in *Old and New London* Volume 6 1878 quoting an article from the Times regarding one of Spurgeon s meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach everyone in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon *The Christian Pioneer* ,1841 **Unlocking the Bible Story**
