Cherry Memories alone can ruin you Fear has a paralyzing effect and love isn t always enough to keep you safe Ace was the gateway to a freedom I hadn t known since I was fifteen He offered his protection from the demons that haunted me both living and dead Although I knew I wasn t enough to keep him this didn t deter my hope that one day he d love me for who I was not the broken girl he tried so desperately to save In the end the ghosts of my past found me Their malevolence knew no bounds and I was forced to succumb to their will of darkness Each threat named against those I loved made any escape impossible choosing my life for theirs became my desolate absolution Inevitably my own weakness and self doubt became my undoing Ace Emotional ties are sometimes severed Friendships don t always endure their hardships and love offered isn t always returned I was in love once For me leaving her back in Ohio was the hardest thing I ve ever had to do For her moving on with her life that included her son and the man she loved was no less than she deserved unconditional happiness My reasons to bring Cherry home to California were obvious I needed help with my family and she needed help staying clean and convincing her parents she was ready to give her son the life he deserved It was a perfect plan However the best laid plans often get lost amidst their best intentions Cherry fell in love with me and in return my love for her acted as the catalyst to her destruction
