The Napoleonic 'Dad's Army' Paul L Dawson, 2024-04-30 During the crisis year of 1792 when war against France was at its closest a variety of societies and associations of Loyal Britons were set up throughout Britain Their aim was to organise patriotic anti French forces in defense of king and country and to help maintain the established order The need to provide an internal defense force resulted in the Volunteer Act of 1794 It witnessed the formation of hundreds of volunteer regiments on the upswell in loyalist sentiment following the disorder and instability witnessed across the Channel in Revolutionary France By 1798 there were 118 000 volunteers but faced with the possibility of a French invasion of Southern England William Pitt s government aimed to expand this number substantially By 1804 there were an astonishing 380 000 volunteers under arms and the various Corps made up half to one third of all the home service forces When we add in those volunteers who agreed to serve overseas as garrison troops in India for example the number grows to approximately 800 000 meaning that around one in every five adult males participated in military activities This amazing groundswell of patriotic fervour has seldom been investigated before Using diaries and archive sources this book seeks to explore the Dad s Army of the Napoleonic Wars These men were far more than local bands of volunteers they represented a militarisation of society not previously seen and which was repeated again when the world was thrown into war in the twentieth century

Dad's Army Goes to War Melody Foreman, 2024-12-30 For decades the classic evergreen BBC comedy Dad s Army has entertained millions of viewers around the world But the farcical antics of Walmington on Sea s bumbling Home Guard platoon camouflage the true military service of some of the actors themselves Despite their light hearted appearance many of the cast saw active service in one or even both of the world wars and much of it far from humorous The inspiration behind the sitcom was the experiences of one its writers Jimmy Perry who as a young 16 year old wannabe comedian was still waiting for his call up papers when he joined the eager warriors of the Home Guard in 1940 Little did he know how decades later that ribald group of men in the Watford battalion would provide the inspiration which put his name up in lights Indeed was it Perry s own goofy gullibility as a teenager that helped form the character of Private

Pike Also admitted Perry the affable Lance Corporal Jones in real life Clive Dunn a former prisoner of war who served in the 4th Queen's Own Hussars was partly based on an old soldier Perry knew who had served in the Sudan This veteran recalled being told by a CO to piss on your rifle to cool it down Perry went on to serve in India in the Royal Artillery and then later with Combined Services Entertainments As a twenty year old British Army officer David Croft was stationed in North Africa when a raft of comical events including his struggles with a Bofors gun went on to shape the calamities which befall the Dad's Army troopers theater mad Derbyshire lad Arthur Lowe who played the redoubtable Captain Mainwaring was thin with knobbly knees when he was seconded to the No 2 Field Entertainment Unit in Egypt Meantime languid good mannered actor John Le Mesurier reported for duty with the Royal Tank Regiment complete with golf clubs in his car boot By 1943 he was ironically enduring life in Deolali Doolally in India when he had a captaincy thrust upon him until being demobbed in 1946 The astonishing bravery of actor and playwright Arnold Ridley who was denied a DSO and a Military Medal for his actions during the First World War makes for heart rending reading His creation of dear old Private Godfrey won him millions of adoring fans The classical actor John Laurie Private We're all doomed Frazer was also a hero of the trenches Always dry witted he once made everyone laugh on set when he remarked I've played every part in Shakespeare I was considered to be the finest Hamlet of the 1920s and I had retired and now I am famous for doing this crap That each man including the mocking Laurie helped turn Dad's Army into everlasting success will never be forgotten And why Well in reality they had seen war and knew war and yet always completely realised and understood how the power of laughter is the ultimate triumph

Vicar to Dad's Army Frank Williams, Chris Gidney, 2003 He is one of the best known faces in television comedy yet the long suffering vicar of Walmington-on-Sea is in real life a Christian of deep conviction Perfectly cast as the eccentric vicar constantly tetchy at the invasion of his church hall by Captain Mainwaring and the elderly platoon he appeared in the famous BBC series throughout its nine year run and also in many other television and stage dramas Still in constant demand for public appearances Frank takes an affectionate view behind the scenes of Dad's Army and the world of show business and reveals his personal journey through faith *Reconstructing the Past* Sian Nicholas, Tom O'Malley, Kevin

Williams, 2013-09-13 Bringing together a team of history and media researchers from across Britain and Europe this volume provides readers with a themed discussion of the range and variety of the media's engagement with history and a close study of the relationship between media history and national identity **In Search of the Real Dad's Army** Stephen M.

Cullen, 2012-02-29 A fascinating examination of one of the best known British forces of the Second World War An efficient and increasingly professional military unit History of War What was the Home Guard Who were the men and women who served in it And what can be said of their real role and significance once the popular myths have been stripped away Despite the fame of the Home Guard of Dad's Army the true story of this wartime organization tends to be neglected The myths obscure the reality Stephen Cullen's aim in this thoroughgoing new study is to cut through the misunderstandings in order to

reassess the Home Guard and its contribution to Britain's war effort and to deepen our understanding of the men and women who were members of it. He sets the Home Guard in the long historical context of domestic defense planning then focuses on the preparations made before the outbreak of the Second World War. In detail he traces the changing role of the Home Guard during its wartime existence as it adapted to meet the multitude of challenges it faced from civil defense and intelligence gathering to training for guerrilla warfare. This enjoyable and well illustrated book covers the rags to riches story of the Home Guard from the 1940 volunteer in civilian clothing armed with a keepsake from an earlier war to the fully trained and equipped part time soldier. *The Armourer* An interesting and accurate account of a force that was in fact a well drilled well organised and by wars end a very professional fighting unit by the time of its stand down in 1944. *WW2 Connection* 1000 *Dad's Army Facts* Ben Wharton, 2025-02-16 In the midst of World War 2 a small town named Walmington on Sea is home to an unlikely band of heroes who embody the spirit of resilience and camaraderie. From the pompous but well meaning Captain Mainwaring to the lovable but inept Lance Corporal Jones the characters of *Dad's Army* are an unforgettable mix of humour and humanity revealing how ordinary men rise to the occasion in extraordinary times. This beloved show remains a timeless reminder that laughter can prevail even in the darkest of days. 1000 *Dad's Army Facts* contains a treasure trove of information all about this cherished part of British television history. So grab yourself a slice of Woolton Pie and prepare for a delightful deep dive into the wonderful world of *Dad's Army*. **Always Different, Always the Same** Eoin Devereux, Martin J. Power, 2022-12-13 The Fall led by Mark E Smith were one of the most intriguing influential and prolific post punk groups in British popular culture. *Always Different Always the Same Critical Essays on The Fall* is a thorough and critical account of the group engaging with the often complex and challenging creative work. In this groundbreaking text volume editors Eoin Devereux and Martin J Power bring together contributions from a wide variety of disciplinary homes including ethnomusicology sociology literary theory linguistics journalism cultural studies and film and media studies. Contributors Kieran Cashell Brian Clancy Matt Davies Eoin Devereux Samuel Flannagan John Fleming Gavin Friday Mike Glennon K A Laity Ben Lawley John McFarland David Meagher Michael Mary Murphy Martin Myers Martin J Power Suzanne Smith Elaine Vaughan Paul Wilson. **Jimmy Perry and David Croft** Simon Morgan-Russell, 2004 This book explores the collaborative sitcoms of two of British television's most well known comedy writers. Written over a period of twenty five years the four series *Dad's Army* *It Ain't Half Hot Mum* *Hi de Hi* and *You Rang M Lord* have endured as much loved and often repeated classics. The book explores the themes of Perry and Croft's writing in terms of their own biography and as articulations of British cultural and televisual history. Focusing on issues central to the concept of identity in British culture class gender sexuality and race and analysing individual episodes and scenes in the four series Jimmy Perry and David Croft evaluates the contributions made by these two writers to the genre of situation comedy and locates the programmes in the immediate contexts of their production. Including new interview material from David Croft this book will be invaluable to students and

lecturers of television studies and cultural studies *Do You Think That's Wise?* Graham McCann, 2010-09-25 Best known for Dad's Army in which his Sergeant Wilson played the languid rakish foil to Arthur Lowe's pompous chippy Captain Mainwaring John Le Mesurier was one of Britain's favourite and most recognisable character actors The epitome of insouciance and languor on screen in real life this charming quietly spoken bon viveur was plagued by private turmoil and heartbreak Married three times he saw his first wife succumb to alcoholism his second the comedy diva Hattie Jacques move her lover into the family home and his third enjoy a passionate dalliance with troubled comic Tony Hancock As Graham McCann reveals in this fully authorised and moving biography as an actor John Le Mesurier was a key ingredient in the success of Britain's greatest sitcom but as a man he was far more courageous than Sergeant Wilson was ever meant to be

The Home Front David Bilton, 2016-02-16 Many books have looked at the effect of the war on the Home Front but this is the first book to take a glimpse at the Home Front photographically from an international point of view covering both Allied and enemy countries juxtaposing the same situations in different countries to show a similar response This second volume chronicles the changes brought on by just a few months of war spies increased casualties food shortages changes in work patterns the shortage of men in the work force women at work and at the end of the year the slow rush in Britain to volunteer for the army hoping to not be called for service It also looks at the Home Front for those caught behind enemy lines where life was both spartan potentially dangerous and subject to the whim of the victor The photographs many of which have not been seen before and some which have never been published clearly show that each year of war had a further profound effect on each nation This unique series of international photographic books fits in with the author's more textual books on the Home Front Hull in the Great War and Reading in the Great War both of which explore the complex life of a city at war

Official Army Register United States. Adjutant-General's Office, 1941 *British TV Comedies* Juergen Kamm, Birgit Neumann, 2016-01-26 This collection offers an overview of British TV comedies ranging from the beginnings of sitcoms in the 1950s to the current boom of Britcoms It provides in depth analyses of major comedies systematically addressing their generic properties filmic history humour politics and cultural impact **The British Sitcom Spinoff Film** Stephen Glynn, 2023-12-07 This book constitutes the first full volume dedicated to an academic analysis of theatrically released spinoff films derived from British radio and television sitcoms Regularly maligned as the nadir of British film production and marginalised as a last resort for the financially bereft industry during the 1970s this study demonstrates that the sitcom spinoff film has instead been a persistent and important presence in British cinema from the 1940s to the present day and includes occasional works with distinct artistic merit Alongside an investigation of the economic imperative underpinning these productions i.e. the exploitation of proven product with a ready made audience it is argued that with a longevity

stretching from Arthur Askey and his wartime Band Waggon 1940 to the crew of Kurupt FM and their recent People Just Do Nothing Big in Japan 2021 the British sitcom spinoff can be interpreted as following a full generic life cycle Starting with the formative stage where works from Hi Gang 1941 to I Only Arsked 1958 establish the genre s characteristics the spinoff genre moves to its classic stage where secure for form and content it enjoys considerable popular success with films like Till Death Us Do Part 1969 On the Buses 1971 The Likely Lads 1976 and Rising Damp 1980 the genre s revival since the late 1990s reveals a more parodic final stage with films like The League of Gentlemen s Apocalypse 2005 adopting a consciously self reflective mode It is also posited that the sitcom spinoff film is a viable source for social history with the often stereotypical re presentations of characters and events an often blatant ideological metonym for the concerns of wider British society notably in issues of class race gender and sexuality

The Half-yearly Army List Great Britain. War Office,1929 **The Grafonola in the Class Room** Columbia Graphophone Company (U.S.),1920 **Contesting home defence** Penny Summerfield,Corinna Peniston-Bird,2013-07-19 Contesting home defence is a new history of the Home Guard a novel national defence force of the Second World War composed of civilians who served as part time soldiers it questions accounts of the force and the war which have seen them as symbols of national unity It scrutinises the Home Guard s reputation and explores whether this people s army was a site of social cohesion or of dissension by assessing the competing claims made for it at the time It then examines the way it was represented during the war and has been since notably in Dad s Army and discusses the memories of men and women who served in it The book makes a significant and original contribution to debates concerning the British home front and introduces fresh ways of understanding the Second World War **Stringer Lawrence, the Father of the Indian Army** John Biddulph,1901 **Scene, Channel 2 and 17** ,1990
