Family Politics and Deception in Northern North America and West-Central Africa Fossungu, Peter Ateh-Afac, 2015-05-10 Largely concerned with Family Politics and Deception in northern North America and West Central Africa this book is intended mostly to provoke and enlighten The book fossungupalogizes on whether or not northern North American courts are able to live up to the standard of exclusively saying exactly what the law is in regard of the apparent war between the mounting same sex marriage legalization drive and the traditional Western religious conception of marriage as endorsed by America s 1996 Defense of Marriage Act It also tackles some intriguingly troubling matters emanating from African customary marriages and inheritance subjects presenting some odd faces of marriage and family very similar at times to those engendered by same sex marriage in northern North America Its underlying preaching is that positive things could often be found even in tragedies Hence you should learn to make the best of your troubles instead of letting these haunt you a goal easily attained by cultivating the habit of looking at the larger picture of things Even one s stupid and non professional ideas could be learning ground to more people than one ever could have imagined

Politics and Heidegger's Concept of Thinking in Contemporary Art Louise Carrie Wales, 2021-09-16 Responding to Heidegger s stark warnings concerning the essence of technology this book demonstrates art s capacity to emancipate the life world from globalized technological enframing Louise Carrie Wales presents the work of five contemporary artists Martha Rosler Christian Boltanski Krzysztof Wodiczko and collaborators Noorafshan Mirza and Brad Butler who challenge our thinking and compel a dramatic re positioning of social norms and hidden beliefs The through line is rooted in Heidegger s question posed at the conclusion of his technology essay as understood through artworks that provides a counter to enframing while using increasingly sophisticated technological methods The themes are political in nature and continue to have profound resonance in today s geopolitical climate The book will be of interest to scholars working in art history aesthetics philosophy and visual culture

Principles And Laws In World Politics: Classical Chinese Perspectives On Global Conflict Walter Wan Fai Lee, 2021-12-02 The search for universal principles and laws in world politics is a colossal common task for all civilisations It should not be monopolised by the Western liberal paradigm Thirty years after the end of the Cold War global conflicts have been satisfactorily resolved neither by communism nor liberalism Humanitarian intervention now under the cover of the

responsibility to protect R2P has destabilised many societies leaving justice undone This inspiring book invites debates on the post liberal imagination of emancipated Leviathan an almighty political authority which exercises awe and force to restore order as well as enshrines globally negotiated values of common conscience and reinvented cosmopolitanism Human well being will truly become reality when we synergise pre modern and pre liberal ways of thinking worldviews ethics and aesthetic styles by means of cross civilisational cross disciplinary fundamental research and let an emancipated Leviathan exercises principles and laws of virtue derived from the study The starting point of such intellectual innovation is China This book explores the application of classical Chinese resources to the innovation of thoughts in contemporary Chinese international relations IR It examines whether Knowledge Archaeology of Chinese International Relations KACIR coined by the author responds sensibly to today s issues of international ethics and global justice The book contends that emancipative hermeneutics holds the key to the Chinese soft power puzzle A bottom up non nationalistic and non ethnocentric approach to the Chinese civilisation will reinvent intellectual pluralism and cosmopolitan elements in the Chinese tradition that interact constructively with and ultimately transcend the liberal Western model Strolling from contemporary IR back to ancient Chinese philosophy then striding into the future searching for common principles and laws this insightful book is a must read for those who want to reflect on global conflicts in this era of great uncertainty and transformation as well as those who love to make our world a better place to live in British Politics: A Critical Introduction Stuart McAnulla, 2006-02-06 This book provides students with a critical introduction to the British political system and the context of contemporary British policy making Too often the importance of interpretation to any understanding of British politics is neglected Attention to conveying factual information takes precedence over developing theoretical understandings This book is different in that it provides an account of British politics that is conceptually and theoretically driven It not only outlines the key features of British politics but which also provides critical perspectives on them McAnulla uses particular concepts and theories to illuminate the key dynamics of British politics i e to the ideas practices and relationships that sustain the political system Particular attention is devoted to understanding contemporary developments through an appreciation of the traditional dynamics of British politics

The Politics of Dissensus Anna Björk ,Elena García Guitián ,Taru Haapala ,Pasi Ihalainen ,Hanna-Mari Kivistö ,Anna Kronlund ,Jussi Kurunmäki ,Raija-Leena Loisa ,Rosario López ,Anthoula Malkopoulou ,Kyösti Pekonen ,Onni Pekonen ,Antonio Rivera García ,Suvi Soininen ,Manuel Toscano ,Tuula Vaarakallio ,Claudia Wiesner ,2014-07-04 The Politics of Dissensus inverts the traditional perspective on the study of parliamentary politics by focusing on its less obvious and less well known aspects Dissensus instead of consensus becomes the condition for the intelligibility of parliamentary politics Such politics is indebted to the rhetorical culture of addressing issues from opposite perspectives and debating the alternatives pro et contra no motion is approved without a thorough examination of and confrontation among imaginable alternatives Establishing the openness of political debating parliamentarism has become a distinctive historical contribution to the rise of parliamentary

democracy Parliament in Debate refers to the paradigmatic institution for political deliberation the debates surrounding its legislative activity as well as the supervision of government and administration Parliament has become a fascinating object of scrutiny as a political institution adopted and developed by different political traditions In a nutshell the book retrieves the study of parliamentary politics to present political theory and action in the parliamentary mode It is a book on the relevance of parliamentarism to the study of politics and a book on the comparative conceptual and institutional history of parliamentary politics The Politics of Dissensus Parliament in Debate is the outcome of an international team of contributors coordinated by two ongoing research projects relying on a long lasting international cooperation namely the Academy of Finland project The Politics of Dissensus and the Spanish National Research Fund projects The Rhetorics of Democracy and The Civic Constellation
