MICROECONOMICS

A Contemporary Introduction

William A.

MCLEACHERN

THE WALL STREET JOURNAL EDITION

The central illustration of the book cover depicts a stylized human head in profile, facing right. The head is composed of various mechanical and symbolic elements. The upper portion of the head, including the forehead and hair area, is a globe showing the Americas. Below the globe, the face is formed by a series of interlocking gears of different sizes and colors (black, orange, red). A hand is shown at the bottom right, with a finger pointing towards one of the gears. The background is a mix of warm colors like orange and red, and cooler blues and greys, creating a complex, layered visual effect that suggests the intersection of economics, technology, and human thought.
