Late Dinner Paul Richardson, 2007-08-21 Vivid and richly textured *A Late Dinner* is a delightful journey through Spain and Spanish cuisine Paul Richardson is the perfect guide In lush prose he brings to life the fascinating people who grow and cook and eat the hugely varied and still little known food of Spain Richardson's vibrant writing takes readers beyond gazpacho and paella and immerses them in the flavorful world of Spanish food from the typical coastal cuisine to the ancient shepherd cooking of the mountains to the cities of Madrid Barcelona and San Sebastián where chefs are setting the trend for modern cuisine across the globe His evocative descriptions the fried shell in Ciudad Real the tender asparagus and sweet crispy lettuce of Navarre the Catalan calçotada a feast of grilled spring onions in a nutty delicately spicy sauce the whimsical creations of internationally acclaimed chef Ferran Adrià are a celebration of the senses Richardson traces the roots of Spanish cooking to the landscape the people and the history of this beautiful and complex country *A Late Dinner* is a glorious and intimately drawn portrait of Spain

Cooking Up the Nation Lara Anderson, 2013 The book is the first to analyse the textual construction of a national Spanish cuisine in the late nineteenth and early twentieth century This book looks at the textual attempts to construct a national cuisine made in Spain at the turn of the last century At the same time that attempts to unify the country were being

made in law and narrated in fiction Mariano Pardo de Figueroa 1828 1918 and Jos Castro y Serrano 1829 96 Angel Muro Goiri 1839 1897 Emilia Pardo Baz n 1851 1921 and Dionisio P rez 1872 1935 all tried to find ways of bringing Spaniards together through a common language about food In line with this nationalist goal all of the texts examined in this book contain strategies and rhetoric typical of nineteenth century nation building projects The nationalist agenda of these culinary texts comes as little surprise when we consider the importance of nation building to Spanish cultural and political life at the time of their publication At this time Spaniards were forced to confront many questions relating to their national identity such as the state's lackluster nationalizing policies the loss of empire national degeneration and regeneration and their country's cultural dependence on France In their discussions about how to nationalize Spanish food all of the authors under consideration here tap into these wider political and cultural issues about what it meant to be Spanish at this time
